

Leidos names Dr. Sanjay Parthasarathy as new Defense Group Business Development Lead

November 19, 2019

RESTON, Va., Nov. 19, 2019 /PRNewswire/ -- [Leidos](#) (NYSE:LDOS), a FORTUNE® 500 science and technology leader, announced today that Dr. Sanjay Parthasarathy has been named vice president, business development and strategy, for Leidos Defense Group's Logistics and Mission Support Operation (LMSO). Dr. Parthasarathy will lead the LMSO Business Development organization where he will develop growth strategies aimed at driving industry-recognized advanced logistics, operations and sustainment expertise into new and evolving mission areas.

Dr. Parthasarathy has more than 25 years of experience in business development, corporate strategy and driving growth through innovative technology solutions. He has also held strategy and finance leadership roles at Harris, Cobham and Raytheon, where he helped operationalize strategy and drive synergies from mergers and consolidations. Most recently, he served as Senior Vice President of Technology and Strategy at LMI, where he led the practical applications of innovation to solve challenges in public sector and government.

"Sanjay is a seasoned leader with more than two decades of experience in defense strategy and business development," said Tim Freeman, Leidos Defense Group's senior vice president, business development & strategy. "We are excited to have Sanjay join our team. His leadership, technological prowess and deep understanding of our industry will ensure that we remain focused on our customer priorities and are positioned for continued business growth."

Dr. Parthasarathy holds a Doctorate degree in Engineering and a Masters degree in Business Administration from the University of Minnesota, and, a Masters degree in Nuclear Engineering from Texas A&M University. Sanjay actively participates in technical, strategic and M&A thought leadership activities across the Aerospace, Defense and Govcon markets.
