

Leidos Joins the Scaled Agile Partner Network as a Gold Partner

October 3, 2019

RESTON, Va., Oct. 3, 2019 /PRNewswire/ -- [Leidos](#) (NYSE: LDOS), a FORTUNE® 500 science and technology leader, announced today that it has joined the Scaled Agile Partner Network as a Gold Transformation Partner. This worldwide network includes transformation and platform providers who help enterprises facilitate and accelerate business results through adoption of the Scaled Agile Framework (SAFe®).

As the world's leading framework for enterprise agility, SAFe® helps businesses address the significant challenges of developing and delivering high-quality software and systems in the shortest sustainable lead-time.

"As a Scaled Agile Gold Transformation Partner, we demonstrate our commitment to customer success as they scale their agile practices through adoption of SAFe," said Rick Goodwin, vice president of Leidos Mission Software Systems. "Our partnership with Scaled Agile allows us to augment our software development methods, tools and training with SAFe as we support our customers with their lean-agile transformations."

"Working with best-in-class partners like Leidos represents our commitment to helping software and systems-dependent enterprises improve time-to-market, quality, and employee engagement," said Dean Leffingwell, creator of SAFe and cofounder of Scaled Agile, Inc. "By incorporating SAFe into their solution offering, Leidos is enabling the world's largest Government customers to become more agile and effective in accomplishing their critical missions"
