

Leidos Awarded Contract to Support Army Aircraft Worldwide

March 19, 2019

RESTON, Va., March 19, 2019 /PRNewswire/ -- [Leidos](#) (NYSE: LDOS), a FORTUNE® 500 science and technology leader, has been awarded a contract by the U.S. Army Contracting Command-Redstone to provide aircraft logistics and maintenance in theaters of operations. The multiple award, indefinite delivery/indefinite quantity, firm-fixed-price contract has a five-year base period of performance, one five-year option ordering period, and a total potential value of \$25.5 billion. Work will be primarily be performed in Afghanistan and Greece in support of U.S. Army operations.

Under the Worldwide Logistics Support Services – Contractor Logistics Support contract, Leidos will provide services that support rotary-wing and fixed-wing aircraft across the globe for the U.S. Army's Multi-National Aviation Special Project Office. Support services include sustainment engineering, supply support, maintenance planning and management; furnishing or maintaining support equipment, aircraft modifications; manpower and personnel; facilities and infrastructure; packaging, handling, storage, and transportation.

"Our company is a recognized leader in operations and logistics with a history of working on complex programs that support military missions worldwide," said Senior Vice President Kevin Lansdowne, Leidos Airborne Solutions. "We look forward to providing superior services that help the Army rapidly respond to the evolving needs of warfighters."
