

## QTC Medical Services Awarded Prime Contracts by U.S. Department of Veterans Affairs

January 23, 2019

Company to Continue to Provide Medical Disability Examinations for the Veterans Benefits Administration

RESTON, Va., Jan. 23, 2019 /PRNewswire/ -- [QTC Medical Services, Inc.](#), a [Leidos](#) company (NYSE: LDOS), was awarded four prime contracts by the U.S. Department of Veterans Affairs (VA) to continue to provide medical disability examinations for the Veterans Benefits Administration (VBA). The multiple award, fixed-unit-price, indefinite delivery/ indefinite quantity contracts have a one-year base period of performance and nine option years with a total aggregate estimated ceiling value of approximately \$7 billion, if all options are exercised. These awards are in addition to the previous award of VBA's only nationwide contract supporting disability examinations for separating and retiring Department of Defense Servicemembers.

The series of contract awards is part of a VA initiative to improve disability examination experiences for Veterans through an efficient and streamlined process. The new program management and delivery process will also continue to ensure broad national and international coverage of medical examination requirements to meet Veterans' needs worldwide. QTC will apply its more than 35 years of expertise in providing high-quality, technology-driven exam solutions to continue to provide the VBA with medical disability examination services under the new contracts. QTC uses its customized, systematic operational workflow to manage operations and help VA achieve efficiency and accuracy goals.

"Our Veterans deserve an expedient, efficient and reliable system to provide medical disability examinations," said QTC Senior Vice President Grant Kim. "We have a long history of supporting the VA – 20 years and over 7 million exams – and are honored they've entrusted us to continue to provide these important services for our Veterans."
