

U.S. Army Awards Leidos Munitions Services Contract

March 26, 2018

Company to Continue to Support Storage, Accountability, and Distribution of Ammunition Stocks

RESTON, Va., March 26, 2018 /PRNewswire/ -- [Leidos](#) (NYSE: LDOS), a global science and technology leader, was awarded a prime contract by the U.S. Army to continue to provide logistics services to the 1st Theater Sustainment Command (TSC) in support of U.S. Army Central (ARCENT), the Army component of U.S. Central Command (CENTCOM). The single-award cost-plus fixed-fee/cost-plus incentive-fee contract has a one-year base period of performance, five one-year options, and a total contract value of approximately \$112 million. Work will be performed in Kuwait.

Since 2011, Leidos has supported munitions storage and resupply efforts by operating the 1st TSC's Theater Storage Area and Ammunition Supply Point activities, including accountability for and distribution of ammunition stocks. Under the follow-on contract, Leidos will apply its expertise in delivering resilient mission logistics services to provide receipt, storage, maintenance, issue and distribution of ammunition.

"We look forward to continuing to support the warfighter with a trusted, engaged and responsive program team with the ability to rapidly adapt to emerging requirements," said Leidos President of Defense & Intelligence Tim Reardon.

About Leidos

Leidos is a Fortune 500[®] information technology, engineering, and science solutions and services leader working to solve the world's toughest challenges in the defense, intelligence, homeland security, civil, and health markets.
