

QTC Medical Services Awarded Prime Contract by U.S. Department of Veterans Affairs

August 7, 2017

Company to Continue to Provide Medical Disability Examinations for the Veterans Benefits Administration

DIAMOND BAR, Calif., Aug. 7, 2017 /PRNewswire/ -- QTC Medical Services, Inc. (QTC), a [Leidos](#) (NYSE: LDOS) company, was awarded its second prime contract by the U.S. Department of Veterans Affairs (VA) to continue to provide medical disability examinations for the Veterans Benefits Administration (VBA). The contract has a one-year base period of performance, four one-year options, and a total contract ceiling of \$6.8 billion, if all options are exercised. This second award follows the initial award of VBA's only nationwide contract supporting disability examinations for separating and retiring Department of Defense servicemembers.

The series of contract awards is part of a VA initiative to improve disability examination experiences for Veterans through an efficient and streamlined process. The new program management and delivery process will also continue to ensure broad national and international coverage of medical examination requirements to meet Veterans' needs worldwide. Under the contract, QTC will apply its 30-year expertise in providing high-quality, technology-driven exam solutions to continue to provide the VBA with medical disability examination services. QTC will use its customized, systematic operational workflow to administer evaluations, supported by innovative technology that will help VA achieve efficiency and accuracy goals.

"Our Veterans deserve an expedient, efficient and reliable system to provide medical disability examinations. We're proud the Department of Veterans Affairs has entrusted QTC to continue to provide these important services for our Veterans," said QTC President Grant Kim.
