

Leidos Appoints Bill Kloes Vice President, Operations Integration

March 29, 2017

(Reston, Va.) March 29, 2017 – [Leidos](#) (NYSE: LDOS), a global science and technology solutions leader, today announced the appointment of Bill Kloes as Vice President, Operations Integration for the Health Group, effective March 29. Kloes will report to Tom Aikens, Leidos Health President, Hospitals & Health Systems. In his role, Kloes will drive Leidos Health new business growth by bringing enterprise products and solution offerings to existing commercial customers. He will also be responsible for driving development and growth of these new and emerging offerings to positively impact patient care, patient safety, and hospital system efficiencies.

Prior to Leidos, Kloes served as VP, Healthcare Professional Services at Nuance Communications, Inc., where he was responsible for defining and executing on a comprehensive professional services and customer success strategy driving growth for the \$1B Nuance Healthcare Division. He has also held senior management positions at McKesson Corporation including Vice President, Healthcare Professional services where he oversaw the \$200M Managed Services business; Vice President, Professional Services, Health Systems Enterprise Solutions; and Vice President/General Manager of the Enterprise Imaging Group. Kloes holds a Bachelor of Science from Illinois State University.

"Bill has demonstrated expertise at developing, facilitating, and implementing high-tech healthcare strategies that drive business and generate growth," said Leidos Health President, Hospitals & Health Systems, Tom Aikens. "We expect Bill to bring an enduring value to our existing commercial customers."
