

Leidos Names Noel Allender Managing Director of Epic Vendor Practice

May 31, 2016

(Reston, Va.) May 31, 2016 -- Leidos (NYSE: LDOS), a national security, health and infrastructure solutions company, today announced the appointment of Noel Allender, Epic Managing Director. In this role, Allender will be responsible for driving sales and expanding opportunities for professional services and health IT optimization consulting. She will also serve as a trusted partner and collaborate with business leaders to ensure customer satisfaction and superior quality standards are met in the delivery of services.

Prior to Leidos, Allender was Senior Managing Director, Delivery Services at Jacobus Consulting, where she was responsible for the development and operations of the division as well as growth, profit and loss management, and quality delivery. She previously served as Director of Professional Services, Epic Practice and Senior Consultant/Manager at Beacon Partners, and Physiologists, Cardiopulmonary Department, Epic Implementation Project Team at NorthShore Health System.

"Noel has a fruitful track record of leading, facilitating, and implementing major systems and initiatives that drive growth and generate new business," said Leidos Health and Infrastructure Group President, Jon Scholl. "Her expertise and exceptional skills will play an integral part in expanding our healthcare IT and professional services organization."

Allender holds a Bachelor of Science from Kent State University and a Master of Science from Wake Forest University. She is Epic Certified and is a member of the Northern Ohio Chapter of HIMSS.

About Leidos

Leidos is a science and technology solutions leader working to address some of the world's toughest challenges in national security, health and infrastructure. The Company's 18,000 employees support vital missions for government and the commercial sector, develop innovative solutions to drive better outcomes and defend our digital and physical infrastructure from 'new world' threats. Headquartered in Reston, Virginia, Leidos reported annual revenues of approximately \$5.09 billion for the twelve months ended January 1, 2016. For more information, visit www.Leidos.com.

Statements in this announcement, other than historical data and information, constitute forward-looking statements that involve risks and uncertainties. A number of factors could cause our actual results, performance, achievements, or industry results to be very different from the results, performance, or achievements expressed or implied by such forward-looking statements. Some of these factors include, but are not limited to, the risk factors set forth in the company's Annual Report on Form 10-K for the period ended January 1, 2016, and other such filings that Leidos makes with the SEC from time to time. Due to such uncertainties and risks, readers are cautioned not to place undue reliance on such forward-looking statements, which speak only as of the date hereof.
