

## Leidos Awarded Task Orders Totaling \$54 Million Under Space And Naval Warfare Systems Center Atlantic IDIQ Contract

May 22, 2014

### Solutions Company to Provide Engineering, Integration & Training Services

RESTON, Va., May 22, 2014 /PRNewswire/ -- [Leidos](#) (NYSE: LDOS), a national security, health and engineering solutions company, was awarded three competitive task orders by the Space and Naval Warfare Systems Center (SSC) Atlantic to provide engineering, integration and training services. The cost-plus-fixed-fee task orders each have a one-year base period of performance, two one-year options and together a total value of approximately \$54 million, if all options are exercised. The task orders were awarded under the Battlespace Awareness IDIQ (indefinite delivery/indefinite quantity) Contract Number N65236-13-D-4861. Work will be performed primarily in Charleston, S.C., Virginia Beach, Va., San Diego, Calif. and Suitland, Md.

SSC Atlantic is a Department of the Navy organization that works to meet the nation's demands for uninterrupted vigilance, fail-safe cybersecurity, adaptive response and engineering excellence by delivering secure, integrated and innovative solutions to many naval, joint and national agencies.

"We're excited about the opportunity to continue to help the Navy as they migrate DCGS-N (Distributed Common Ground System – Navy) to a new cloud-based architecture and standardized networks," said Division Manager, Tim Mundie.

Under the task orders, Leidos will provide services to SSC Atlantic in support of the DCGS-N program, including engineering and integration, information assurance, training, configuration management, logistics, help desk support and site support of the Joint Concentrator Architecture (JCA).

"Leidos looks forward to the opportunity for our experienced and highly successful team to continue to support the Navy and the vital DCGS-N program," said Leidos Group President, Sam Gordy.
