

SAIC Validated as Industry Leader in ENR Rankings

August 13, 2013

(MCLEAN, Va.) August 13, 2013 – [Science Applications International Corporation](#) (SAIC) [NYSE: SAI], was recognized again this year on *Engineering News-Record's* annual top lists, which rank the largest engineering, design, and contractor firms by revenue. SAIC was ranked in 26 categories—eight of which made the "Top 10."

In 2013, SAIC rose in many of its positions. Noteworthy rankings include:

- Number 6 in Transmission & Distribution
- Number 7 in Environmental Management
- Number 8 in the Top 50 Program Management Firms
- Number 23 in Power
- Number 34 in the Top 500 Design Firms
- Number 46 in the Top 100 Design-Build Firms

"SAIC's recent rankings in *ENR* validate the strides and market share the company is gaining in the engineering discipline," said James R. Moos, senior vice president and group general manager. "At SAIC, we pride ourselves on engineering successful and sustainable solutions for our clients' challenges today, and tomorrow, and we are dedicated to moving key projects forward in these markets."
