

SAIC to Webcast Presentation at Credit Suisse Aerospace and Defense Conference

November 6, 2008

SAN DIEGO and MCLEAN, Va., Nov 06, 2008 /PRNewswire-FirstCall via COMTEX News Network/ -- SAIC, Inc. (NYSE: SAI), a scientific, engineering, and technology applications company, will webcast a live presentation at the Credit Suisse Aerospace and Defense Conference in New York on November 20, 2008. Larry Prior, chief operating officer, will present at 1:45 p.m. Eastern.

A live audio webcast of the presentation will be available through the SAIC Investor Relations web site (<http://investors.saic.com>) and an audio replay of the event will be available for 90 days.

About SAIC

SAIC is a FORTUNE 500® scientific, engineering, and technology applications company that uses its deep domain knowledge to solve problems of vital importance to the nation and the world, in national security, energy and the environment, critical infrastructure, and health. The company's approximately 45,000 employees serve customers in the Department of Defense, the intelligence community, the U.S. Department of Homeland Security, other U.S. Government civil agencies and selected commercial markets. SAIC had annual revenues of \$8.9 billion for its fiscal year ended January 31, 2008. For more information, visit www.saic.com.

SAIC: From Science to Solutions®

Statements in this announcement, other than historical data and information, constitute forward-looking statements that involve risks and uncertainties. A number of factors could cause our actual results, performance, achievements, or industry results to be very different from the results, performance, or achievements expressed or implied by such forward-looking statements. Some of these factors include, but are not limited to, the risk factors set forth in SAIC's Annual Report on Form 10-K for the period ended January 31, 2008, and other such filings that SAIC makes with the SEC from time to time. Due to such uncertainties and risks, readers are cautioned not to place undue reliance on such forward-looking statements, which speak only as of the date hereof.
