

## Leidos Elevates Elastic to Technology Tier in Alliance Partner Network

August 22, 2023

RESTON, Va., Aug. 22, 2023 /PRNewswire/ -- [Leidos](#) (NYSE: LDOS), a FORTUNE® 500 science and technology leader, today announced Elastic, the company behind Elasticsearch®, has been appointed to the Technology Alliance Tier within the [Leidos Alliance Partner Network](#) (LAPN). This tier recognizes partners whose expertise and innovation help drive Leidos technology to the next level.

"Our customers are demanding more effective data and our work with Elastic is already helping us achieve those objectives," said Joe McVeigh, Vice President of Enterprise Cyber Solutions Chief Engineer for Leidos. "Elastic's ability to scale in breadth and depth of capability while remaining performant and open makes them an outstanding fit for our Leidos solutions."

"Elastic is delighted to become a Technology Alliance Partner and continue deepening our strong partnership with Leidos," said Chris Townsend, Vice President, Public Sector at Elastic. "Together, we are delivering search, observability and security solutions to some of the government's largest agencies to solve some mission-critical systems."

LAPN drives innovation through a vast network of the world's leading technology companies and leverages significant expertise to provide solutions that deliver customer mission success. It consists of three partner levels: corporate strategic, technology alliance and emerging technology. [Elastic](#) had previously been a part of the LAPN as an Emerging Technology Partner and has been a member of the LAPN since 2018.

### **About Leidos**

Leidos is a Fortune 500® technology, engineering, and science solutions and services leader working to solve the world's toughest challenges in the defense, intelligence, civil, and health markets.
