LEIDOS HOLDINGS, INC.
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

Note 1—Basis of Presentation and Summary of Significant Accounting Policies

Nature of Operations and Basis of Presentation

Leidos Holdings, Inc. ("Leidos") is a holding company whose direct 100%-owned subsidiaries and principal operating companies are Leidos, Inc. and Leidos Innovations Corporation ("Leidos Innovations"). Leidos is a FORTUNE 500® science and technology company that provides technology and engineering services and solutions in the defense, intelligence, civil and health markets. Leidos' domestic customers include the U.S. Department of Defense ("DoD"), the U.S. Intelligence Community, the U.S. Department of Homeland Security ("DHS"), the Federal Aviation Administration ("FAA"), the Department of Health and Human Services ("HHS"), U.S. Government civil agencies and state and local government agencies. Leidos' international customers include foreign governments and their agencies, primarily located in the United Kingdom, the Middle East and Australia. Unless indicated otherwise, references to the "Company," "we," "us" and "our" refer collectively to Leidos Holdings, Inc. and its consolidated subsidiaries.

The unaudited condensed consolidated financial statements include the balances of all voting interest entities in which Leidos has a controlling voting interest ("subsidiaries") and variable interest entity in which Leidos is the primary beneficiary in accordance with the consolidation accounting guidance. The consolidated balances of the Company's variable interest entity is not material to the Company's condensed consolidated financial statements for the periods presented. Intercompany accounts and transactions between consolidated companies have been eliminated in consolidation.

The accompanying unaudited condensed financial information has been prepared in accordance with the rules of the U.S. Securities and Exchange Commission ("SEC") and accounting principles generally accepted in the United States of America ("GAAP"). Certain disclosures normally included in financial statements prepared in accordance with GAAP have been condensed or omitted pursuant to such rules. The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingencies at the date of the financial statements, as well as the reported amounts of revenues and expenses during the reporting periods. Management evaluates these estimates and assumptions on an ongoing basis, including those relating to estimated profitability of long-term contracts, indirect billing rates, allowances for doubtful accounts, inventories, fair value and impairment of intangible assets and goodwill, income taxes, stock-based compensation expense and contingencies. These estimates have been prepared by management on the basis of the most current and best available information; however, actual results could differ materially from those estimates.

In the opinion of management, the accompanying unaudited condensed consolidated financial statements reflect all adjustments, which consist of normal recurring adjustments, necessary for a fair presentation thereof. The results reported in these unaudited condensed consolidated financial statements are not necessarily indicative of the results that may be expected for the entire year. These unaudited condensed consolidated financial statements should be read in conjunction with the consolidated financial statements and notes thereto included in the Company's Annual Report on Form 10-K filed on February 24, 2017.

During the quarter ended March 31, 2017, the Company completed its business reorganization, which resulted in identification of three reportable segments (Defense Solutions, Civil, Health). Additionally, the Company separately presents the costs associated with corporate functions as Corporate. The Company commenced operating and reporting under the new organizational structure effective the beginning of fiscal 2017. As a result of this change, prior year segment results and disclosures have been recast to reflect the new reportable segments (see "Note 15—Business Segments").

Certain amounts in the prior year financial statements have been reclassified to conform to the current year presentation. "Bad debt expense" has been aggregated within "Selling, general and administrative expenses" on the condensed consolidated statements of income.

Changes in Estimates on Contracts

Changes in estimates related to long-term contracts accounted for using the percentage of completion method of accounting are recognized in the period in which such changes are made for the inception-to-date effect of the changes, with the exception of contracts acquired through the acquisition of Lockheed Martin Corporation's Information Systems & Global Solutions business (the "IS&GS Business") (see "Note 2– Acquisitions"), where the adjustment is made for the period commencing from the date of acquisition. Changes in these estimates can occur over the contract performance period for a variety of reasons, including changes in contract scope, contract cost estimates and estimated incentive or award fees.

Changes in estimates on contracts for the periods presented were as follows:

Accounting Standards Updates Adopted

In January 2017, the FASB issued ASU 2017-04, *Intangibles-Goodwill and Other (Topic 350): Simplifying the Test for Goodwill Impairment*. This ASU eliminates Step two of the goodwill impairment test and simplifies how the amount of an impairment loss is determined. The update is effective for public companies in the beginning of fiscal year 2020 and shall be applied on a prospective basis. Early adoption is permitted for goodwill impairment tests performed on testing dates after January 1, 2017. The Company adopted the provisions of ASU 2017-04 prospectively in the first quarter of fiscal 2017 and the standard did not have a material effect on the Company's consolidated financial position, results of operations or cash flows.

In May 2017, the FASB issued ASU 2017-09, *Compensation-Stock Compensation (Topic 718): Scope of Modification Accounting*. This ASU provides clarification on when to apply modification accounting for a stock-based award to reduce diversity in practice. The update is effective for public companies in the beginning of fiscal year 2018 and shall be applied on a prospective basis. Early adoption is permitted for public business entities. The Company adopted the provisions of ASU 2017-09 prospectively in the second quarter of fiscal 2017 and the standard did not have a material effect on the Company's consolidated financial position, results of operations or cash flows.

In August 2016, the FASB issued ASU 2016-15, *Statement of Cash Flows (Topic 230): Classification of Certain Cash Receipts and Cash Payments*. This ASU clarifies guidance in how certain cash receipts and cash payments are presented and classified on the statement of cash flows to reduce diversity in practice. The update is effective for public companies in the beginning of fiscal 2018. The amendments should be applied using a retrospective transition method to each period presented. For items that are impractical to apply the amendments retrospectively, they shall be applied prospectively as of the earliest date practicable. Early adoption is permitted. The Company early adopted the provisions of ASU 2016-15 in the third quarter of fiscal 2017, and the adoption did not have a material impact on the Company's consolidated statement of cash flows.

In November 2016, the FASB issued ASU 2016-18, *Statement of Cash Flows (Topic 230): Restricted Cash*, a revised guidance that requires restricted cash and restricted cash equivalents to be included within beginning and ending total cash amounts reported in the consolidated statements of cash flows. The ASU requires disclosure of the nature of the restrictions on cash balances along with a reconciliation of the amount of cash and cash equivalents, as presented on the balance sheet, to the amount of cash, cash equivalents and restricted cash, as presented on the statement of the cash flows. The update is effective for public companies in the beginning of fiscal year 2018, and should be applied on a retrospective basis. Early adoption is permitted. The Company early adopted the provisions of ASU 2016-18 in the third quarter of fiscal 2017.

LEIDOS HOLDINGS, INC.
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

As a result of adoption of this ASU, changes in restricted cash, which had previously been presented as operating activities, are now included within beginning and ending cash, cash equivalents and restricted cash balances on the statement of cash flows. Consequently, operating cash flows for the nine months ended September 29, 2017 and September 30, 2016 increased by \$54 million and \$44 million, respectively, with a corresponding increase in the total change in cash, cash equivalents and restricted cash for the respective periods (see "Note 13—Supplementary Cash Flow Information and Restricted Cash" for the disclosures required by this ASU).

Accounting Standards Updates Issued But Not Yet Adopted

In May 2014, the FASB issued ASU No. 2014-09, *Revenue from Contracts with Customers (Topic 606)*. This ASU affects any entity that either enters into contracts with customers to transfer goods or services or enters into contracts for the transfer of non-financial assets unless those contracts are within the scope of other standards (for example, insurance contracts or lease contracts). This ASU supersedes all revenue recognition requirements in Topic 605, Revenue Recognition, and industry-specific guidance throughout the Industry Topics of the codification. The guidance's core principle is that an entity should recognize revenue to depict the transfer of control for promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. In applying the revenue principles, an entity will identify the contract(s) with a customer, identify the performance obligations, determine the transaction price, allocate the transaction price to the performance obligations and recognize revenue when the performance obligation is satisfied (i.e., either over time or point in time). The ASU further states that an entity should disclose sufficient information to enable users of financial statements to understand the nature, amount, timing and uncertainty of revenue and cash flows arising from contracts with customers. The Company will adopt the new revenue standard in the beginning of fiscal 2018, under the modified retrospective method, where the cumulative effect is recognized at the date of initial adoption.

As of September 29, 2017, the Company has substantially completed its evaluation of the ASU, including the anticipated impact on business processes, systems and controls, potential differences in the timing and/or method of revenue recognition for contracts and required disclosures. Adoption controls over the ASU have been designed, including documenting the process flow for such activities. Existing controls have also been evaluated and additional controls are being considered for new reporting requirements such as dual reporting.

The ASU requires expanded disclosures regarding the nature, timing, and uncertainty of revenue, cash flow and contract balances, including how and when performance obligations are satisfied and the relationship between revenue recognized and changes in contract balances during a reporting period. The Company is in the process of generating the data requirements and adding additional procedures to the quarterly process. The Company is also in the process of creating system generated reports to support certain required disclosures.

Based on the ongoing assessments, the Company believes the timing of and amount of revenue recognition will largely remain consistent between the current revenue standard and the revised revenue standard for the majority of the Company's contracts. Specifically, for time-and-materials, fixed-price-level-of-effort, cost-plus-fixed-fee, cost-plus-award-fee, cost-plus-incentive fee and fixed-price-incentive fee contracts, the Company will continue to recognize revenue over time as work progresses because of the continuous transfer of control to the customer, using an input measure (e.g., cost incurred) to reflect progress. The Company expects that differences, if any, in revenue recognition between the current and revised revenue standards will primarily occur within the firm-fixed-price contracts as a result of the identification of new performance obligations. Based on current evaluations, the Company does not expect the ASU to have a material impact on its consolidated financial statements.

In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*. This ASU will supersede the current lease guidance under ASC 840 and makes several changes, such as requiring an entity to recognize a right-of-use asset and corresponding lease obligation in the balance sheet, classified as financing or operating, as appropriate. The update is effective for public companies in the beginning of fiscal 2019 and should be adopted under the modified retrospective approach. Early adoption is permitted. The Company is evaluating the provisions of ASU 2016-02 and its impact on the Company's consolidated financial position, results of operations and cash flows.

In August 2017, the FASB issued ASU 2017-12, *Derivatives and Hedging (Topic 815): Targeted Improvements to Accounting for Hedge Activities*. This ASU improves the financial reporting of hedging relationships to better portray the economic results of an entity's risk management activities. The update is effective for public companies in the beginning of fiscal 2019 and should be applied on a modified retrospective basis. Early adoption is permitted. The Company is evaluating the provisions of ASU 2017-12 and its impact on the Company's consolidated cash flows.

Note 2—Acquisitions

On August 16, 2016, a wholly-owned subsidiary of Leidos Holdings, Inc. merged with the IS&GS Business in a Reverse Morris Trust transaction (the "Transactions"). The acquired IS&GS Business was renamed Leidos Innovations Corporation.

The final purchase consideration for the acquisition of the IS&GS Business was as follows (in millions):

Value of common stock issued to Lockheed Martin stockholders ⁽¹⁾	\$	2,929
Equity consideration for replacement awards ⁽²⁾		9
Working capital adjustments		81
Purchase price	\$	<u>3,019</u>

⁽¹⁾ Represents approximately 77 million new shares of Leidos common stock issued to those Lockheed Martin stockholders who elected to participate in the exchange offer, based on the Company's August 16, 2016, closing share price of \$51.69, less the Leidos special cash dividend amount of \$13.64, which the Lockheed Martin stockholders were not entitled to receive.

⁽²⁾ Represents a portion of the \$23 million total fair value of replacement equity-based awards attributable to the pre-Merger service period. The remaining \$12 million, net of estimated forfeitures, will be recognized as stock-based compensation expense over the remaining requisite service period.

The final fair values of the assets acquired and liabilities assumed at the date of the Transactions were as follows (in millions):

Cash	\$	25
Receivables		938
Inventory, prepaid expenses and other current assets		73
Property, plant and equipment		87
Intangible assets		1,194
Other assets		58
Accounts payable and accrued liabilities		(733)
Accrued payroll and employee benefits		(186)
Long-term debt, current portion		(23)
Deferred tax liabilities		(328)
Long-term debt, net of current portion		(1,780)
Other long-term liabilities		(45)
Total identifiable net liabilities assumed		<u>(720)</u>
Non-controlling interest		(13)
Goodwill		3,752
Purchase price	\$	<u>3,019</u>

During the quarter and nine months ended September 29, 2017, the Company recorded adjustments to finalize the fair value of acquired assets and liabilities assumed which resulted in a \$37 million and \$337 million increase in goodwill, respectively. Significant changes included intangible assets, receivables, property, plant and equipment, deferred tax assets, other assets, accounts payable and accrued liabilities and deferred tax liabilities.

During the quarter ended September 29, 2017, the Company recognized cumulative catch-up adjustments related to valuation adjustments for intangible assets and property, plant and equipment, which resulted in an increase of \$6 million of amortization expense and \$7 million of depreciation expense, respectively. For the nine months ended September 29, 2017, the Company recognized a cumulative catch-up adjustment related to valuation adjustments for intangible assets and equity method investments, which resulted in a decrease of \$2 million and an increase of \$7 million in amortization expense, respectively. The Company recorded the cumulative catch-up adjustments to amortization expense within "Selling, general and administrative expenses", adjustments to depreciation within "Costs of revenues" and "Selling, general and administrative expenses", and for earnings from equity method investments within "Equity earnings of non-consolidated subsidiaries", in the Company's condensed consolidated statements of income.

LEIDOS HOLDINGS, INC.
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

During the quarter ended June 30, 2017, the Company recorded a valuation adjustment to reflect the fair value of the non-controlling interest acquired. The fair value of \$13 million was determined by calculating the present value of future cash flows for the non-controlling interest. Significant assumptions inherent in the valuation of the non-controlling interest include the estimated after-tax cash flows expected to be received and an assessment of the appropriate discount rate.

The goodwill represents intellectual capital and the acquired assembled work force, none of which qualify for recognition as a separate intangible asset. The value of goodwill has been allocated to the reporting units on a relative fair value approach (see "Note 6–Goodwill"). Of the total goodwill, \$414 million is tax deductible.

The Company identified \$1.2 billion of intangible assets, representing program and contract intangibles, backlog and software and technology. The fair value measurements were primarily based on significant inputs that are not observable in the market and represent a Level 3 measurement (see "Note 5–Fair Value Measurements"). The income approach was primarily used to value the intangible assets, consisting primarily of acquired program intangibles and funded backlog. The income approach indicates value for an asset based on the present value of cash flow projected to be generated by the asset. Projected cash flow is discounted at a rate of return that reflects the relative risk of achieving the cash flow and the time value of money.

The following table summarizes the fair value of intangible assets acquired at the date of acquisition and the related weighted average amortization period:

	Weighted average amortization period	Fair value
	(in years)	(in millions)
Program and contract intangibles ⁽¹⁾	9.7	\$ 1,011
Backlog	1.8	157
Software and technology	4.6	26
Total	8.6	\$ 1,194

⁽¹⁾ The weighted average amortization period is estimated based on the projected economic benefits associated with these assets. Refer to "Note 7–Intangible Assets" for additional information.

The Company incurred the following expenses related to the acquisition and integration of the IS&GS Business:

	Three Months Ended		Nine Months Ended	
	September 29, 2017	September 30, 2016	September 29, 2017	September 30, 2016

The unaudited pro forma financial information above excludes acquisition-related costs of \$27 million and \$40 million for the quarter and nine months ended September 30, 2016, respectively, as a nonrecurring significant adjustment. This adjustment was made to account for certain costs incurred as if the Transactions had been completed on January 3, 2015.

Note 3–Divestitures

In April 2016, the Company disposed of a business, historically included within the Civil segment, that was primarily focused on providing design, build and heavy construction engineering services. The Company received cash proceeds of \$23 million, resulting in a preliminary pre-tax gain on sale of \$3 million. The major classes of assets and liabilities sold included \$73 million of accounts receivable, net; \$3 million of non-current assets and \$63 million of accounts payable and accrued liabilities. In addition, the Company recorded a \$6 million liability in connection with issuance of a performance guarantee on a contract sold and guarantee of collection of the accounts receivable transferred. The Company paid \$1 million of selling costs related to the transaction. The Company recorded the preliminary pre-tax gain on sale in "Other (expense) income, net" in the Company's condensed consolidated statements of income during the quarter ended July 1, 2016.

On July 24, 2015, the Company completed the sale of its equity interests in Plainfield Renewable Energy Holdings LLC ("Plainfield") for an aggregate consideration of \$102 million, subject to certain adjustments and contingent earn-out payments. The consideration received by the Company at closing consisted of a cash payment of \$29 million and a secured promissory note for \$73 million, net of discount (the "Note"). The Note is payable semi-annually with a final lump sum due in July 2018. The Company collected \$6 million of principal and interest during the quarter ended March 31, 2017.

During the quarter ended June 30, 2017, Plainfield exercised the first of three one-year term extension options available under the original credit agreement, thereby extending the maturity date of the Note to July 24, 2018. Concurrent with this extension, the interest rate on the Note increased from 6% to 8%. Also, during the quarter ended June 30, 2017, Leidos and Plainfield entered into an amendment to the Note allowing Plainfield to defer up to \$4 million of the interest and principal payments due in July 2017 and January 2018, until July 2018. In consideration of this deferment, Leidos received certain concessions and releases from obligations under the original transaction documents. As of September 29, 2017, the Company continues to expect the Note to be collectible in full.

Note 4–Restructuring Expenses

After the acquisition of the IS&GS Business, the Company began an initiative to align its cost structure, which includes optimization of its real estate portfolio by vacating certain facilities and consolidating others, and by reducing headcount.

LEIDOS HOLDINGS, INC.

The restructuring expenses related to this program were as follows:

These restructuring expenses have been recorded within Corporate and presented separately on the condensed consolidated statements of income.

The restructuring liability related to this program at September 29, 2017, was as follows:

	Severance costs		Lease termination expenses		Total
	(in millions)				
Balance as of December 30, 2016	\$ 7	\$ 1	\$ 1	\$ 8

Balance as of September 29, 2017	<u>\$ 1</u>	<u>\$ 2</u>	<u>\$ 2</u>	<u>\$ 3</u>	

The Company expects the remainder of the restructuring liability to be substantially settled within one year.

Note 5–Fair Value Measurements

The accounting standard for fair value measurements establishes a three-level fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows: observable inputs such as quoted prices in active markets (Level 1); inputs other than quoted prices in active markets for identical assets or liabilities that are observable either directly or indirectly or quoted prices that are not active (Level 2); and unobservable inputs in which there is little or no market data (e.g., discounted cash flow and other similar pricing models), which requires the Company to develop its own assumptions (Level 3).

The accounting guidance for fair value measurements requires that the Company maximize the use of observable inputs and minimize the use of unobservable inputs in determining fair value. The accounting guidance provides for the irrevocable option to elect, on a contract-by-contract basis, to measure certain financial assets and liabilities at fair value at inception of the contract and record any subsequent changes in fair value in earnings. We have not made fair value option elections on any of our financial assets and liabilities.

The Company's financial assets measured on a recurring basis at fair value consisted of the following:

	September 29, 2017		December 30, 2016	
	Carrying value	Fair value	Carrying value	Fair value
	(in millions)			
Derivatives	\$ 31	\$ 31	\$ 29	\$ 29

The Company's derivatives consisted of the fair value interest rate swaps on its \$450 million fixed rate 4.45% senior secured notes maturing in December 2020, and cash flow interest rate swaps on \$1.5 billion of the Company's variable rate senior secured term loans (see "Note 9–Derivative Instruments"). The fair value of the fair value interest rate swaps and cash flow interest rate swaps is determined based on observed values for underlying interest rates on the LIBOR yield curve and the underlying interest rate, respectively (Level 2 inputs).

The carrying amounts of the Company's financial instruments, other than derivatives, which include cash equivalents, accounts receivable, accounts payable and accrued expenses, are reasonable estimates of their related fair values. The carrying value of the Company's notes receivable as of September 29, 2017, of \$91 million approximates fair value as the stated interest rates within the agreements are consistent with the current market rates used in notes with similar terms in the market (Level 2 inputs).

LEIDOS HOLDINGS, INC.
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

As of September 29, 2017 and December 30, 2016, the fair value of debt was \$3.2 billion and \$3.3 billion, respectively, and the carrying amount was \$3.1 billion and \$3.3 billion, respectively (see "Note 10–Debt"). The fair value of long-term debt is determined based on current interest rates available for debt with terms and maturities similar to the Company's existing debt arrangements (Level 2 inputs).

The Company's cash equivalents were primarily comprised of investments in several large institutional money market funds and bank deposits, with original maturities of three months or less.

As of September 29, 2017, the Company did not have any assets or liabilities measured at fair value on a non-recurring basis.

Note 6–Goodwill

During the quarter ended March 31, 2017, the Company completed its business reorganization, which resulted in identification of three reportable segments (Defense Solutions, Civil, Health). Additionally, the Company separately presents the costs associated with corporate functions as Corporate. The Company commenced operating and reporting under the new organizational structure effective the beginning of fiscal 2017 (see "Note 15–Business Segments").

Goodwill, including the amounts from the acquisition of the IS&GS Business, was allocated to the reporting units on a relative fair value approach.

The following table presents changes in the carrying amount of goodwill by reportable segment:

	Defense Solutions	Civil	Health	Total
	(in millions)			
Goodwill at January 1, 2016	\$ 792	\$ 244	\$ 171	\$ 1,207
Acquisition of the IS&GS Business	1,162	1,487	766	3,415
Goodwill at December 30, 2016	1,954	1,731	937	4,622
Adjustment to original purchase price allocation	94	259	(16)	337
Foreign currency translation adjustments	9	8	—	17
Goodwill at September 29, 2017	\$ 2,057	\$ 1,998	\$ 921	\$ 4,976

See "Note 2–Acquisitions" for the description of adjustments to the original purchase price allocation.

In conjunction with the change in reportable segments, the Company evaluated goodwill for impairment, both before and after the segment change and determined that goodwill was not impaired.

Goodwill is tested for impairment at the beginning of the fourth quarter and during interim periods whenever events or circumstances indicate that the carrying value may not be recoverable. There were no goodwill impairments during the nine months ended September 29, 2017 and September 30, 2016.

Note 9—Derivative Instruments

The Company manages its risk to changes in interest rates through the use of derivative instruments. The Company does not hold derivative instruments for trading or speculative purposes. For fixed rate borrowings, the Company uses variable interest rate swaps, effectively converting fixed rate borrowings to variable rate borrowings. These swaps are designated as fair value hedges. For variable rate borrowings, the Company uses fixed interest rate swaps, effectively converting a portion of the variable interest rate payments to fixed interest rate payments. These swaps are designated as cash flow hedges.

Fair Value Hedges

The Company has interest rate swap agreements to hedge the fair value of the \$450 million fixed rate 4.45% senior secured notes maturing in December 2020 (the "Notes"). The objective of these instruments is to hedge the Notes against changes in fair value due to the variability in the six-month LIBOR rate (the benchmark interest rate). Under the terms of the interest rate swap agreements, the Company will receive semi-annual interest payments at the coupon rate of 4.45% and will pay variable interest based on the six-month LIBOR rate.

The interest rate swaps were accounted for as a fair value hedge of the Notes and qualified for the shortcut method of hedge accounting, which allows for the assumption of no ineffectiveness reported in earnings. The resulting changes in the fair value of the interest rate swaps are fully offset by the changes in the fair value of the underlying debt (the hedged item) (See "Note 10—Debt").

The fair value of the Notes is stated at an amount that reflects changes in the benchmark interest rate, the six-month LIBOR rate, subsequent to the inception of the interest rate swaps through the reporting date.

Cash Flow Hedges

In August 2016, the Company entered into interest rate swap agreements to hedge the cash flows with respect to \$1.2 billion of its variable rate senior secured term loans (the "Variable Rate Loans"). In September 2017, the Company entered into interest rate swap agreements to hedge the cash flows of an additional \$300 million of its Variable Rate Loans. The objective of these instruments is to reduce variability in the forecasted interest payments of the Company's Variable Rate Loans, which are based on the LIBOR rate. Under the terms of the interest rate swap agreements, the Company will receive monthly variable interest payments based on the one-month LIBOR rate and will pay interest at a fixed rate. The interest rate swap agreements on \$1.2 billion and \$300 million of the Company's Variable Rate Loans have a maturity date of December 2021 and August 2022, respectively, and a fixed interest rate of 1.08% and 1.66%, respectively. The counterparties to these agreements are financial institutions.

LEIDOS HOLDINGS, INC.
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

The interest rate swap transactions were accounted for as cash flow hedges and qualified for hedge accounting treatment through the application of the long-haul method, which involves the comparison of cumulative changes in the fair value of the swap to the cumulative change in fair value of scheduled interest payments on the notional value (the perfectly effective hypothetical or "PEH"). The effective portion of the gain/loss on the swap is reported as a component of other comprehensive income/loss and will be reclassified into earnings on the dates the interest payments impact earnings. The amount of ineffectiveness recorded in the earnings is equal to the excess of the cumulative change in fair value of the swap over the cumulative change in the fair value of the PEH.

The fair value of the interest rate swaps was as follows:

	Balance sheet line item	September 29, 2017	December 30, 2016
		(in millions)	
Fair value interest rate swaps	Other assets	\$ 4	\$ 3
Cash flow interest rate swaps	Other assets	27	26
		\$ 31	\$ 29

The effect of the Company's cash flow hedges on other comprehensive income and earnings for the periods presented was as follows:

	Three Months Ended		Nine Months Ended	
	September 29, 2017	September 30, 2016	September 29, 2017	September 30, 2016

Effective portion reclassified from accumulated other comprehensive income (loss) to earnings	—	1	1	1
Ineffective portion recognized in earnings	(1)	—	—	—

The Company expects to reclassify gains of \$4 million from accumulated other comprehensive income (loss) into earnings during the next 12 months.

The cash flows associated with the interest rate swaps are classified as operating activities in the condensed consolidated statements of cash flows.

⁽¹⁾ The carrying amounts of the senior secured term loans and notes and unsecured notes as of September 29, 2017, and December 30, 2016, include the remaining principal outstanding of \$3,145 million and \$3,336 million, respectively, plus \$4 million and \$3 million, respectively, related to the fair value of the interest rate swaps (see "Note 9—Derivative Instruments"), less unamortized debt discounts of \$37 million and \$46 million, respectively, less deferred debt issuance costs of \$11 million and \$9 million, respectively.

In February 2017, Leidos amended the terms of its senior secured \$1.1 billion Term Loan B, due August 2023. As a result, the margin on Term Loan B was reduced by 50 basis points to 2.25% and the six month call provision was extended an additional six months. The repricing of the term loan became effective on February 16, 2017.

In August 2017, Leidos amended its senior secured term loans and revolving credit facility credit agreements. These amendments reduced the applicable margins for the revolving credit facility and Term Loans A and B each by 25 basis points. Additionally, the maturity date for the revolving credit facility, \$690 million Term Loan A and \$310 million Term Loan A were each extended by one year to August 2022, and the scheduled increase in quarterly principal payments for both of these term loans was delayed one year to March 2020. The amendments also include a collateral suspension provision that will permit the secured credit agreements to become unsecured under certain circumstances.

The interest rate on the Company's senior secured term loans is determined based on the LIBOR rate plus a margin. The margin for the Term Loan A loans ranges from 1.50% to 2.00%, depending on the Company's senior secured leverage ratio, and is computed on a quarterly basis. At September 29, 2017, the current margin on Term Loan A was 1.75% and the margin on Term Loan B was 2.00%.

In addition to the required quarterly payments on the Company's term loans, the Company prepaid \$105 million and \$130 million during the quarter and nine months ended September 29, 2017, respectively.

Principal of the Company's variable rate senior secured term loans is payable on a quarterly basis, with the majority of the principal due at maturity. Interest on the variable rate senior secured term loans is payable on a periodic basis, which must be at least quarterly. Interest on the senior fixed rate secured notes and unsecured notes is payable on a semi-annual basis with principal payments due at maturity.

Amortization of debt discount and deferred financing costs was \$3 million and \$10 million for the quarter and nine months ended September 29, 2017, respectively, and \$3 million for the quarter and nine months ended September 30, 2016.

LEIDOS HOLDINGS, INC.
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

The Company has a revolving credit facility providing up to \$750 million in secured borrowing capacity at interest rates determined based upon the LIBOR rate plus a margin that is subject to step-down provisions based on the Company's senior secured leverage ratio. The maturity date of this credit facility is August 2022. As of September 29, 2017 and December 30, 2016, there were no borrowings outstanding under the credit facility.

The senior secured term loans and notes, unsecured notes and revolving credit facility are fully and unconditionally guaranteed and contain certain customary restrictive covenants, including among other things, restrictions on the Company's ability to create liens and enter into sale and leaseback transactions under certain circumstances. The Company was in compliance with all covenants as of September 29, 2017.

Note 11—Accumulated Other Comprehensive Income (Loss)

The restricted cash is recorded within "Inventory, prepaid expenses and other current assets" in the Company's condensed consolidated balance sheets.

The restricted cash primarily comprises advance payments by customers on certain contracts, to pay for costs on those specified contracts.

Note 14—Income Taxes

For the quarter ended September 29, 2017, the effective tax rate was 31.9% compared to (22.7)% for the quarter ended September 30, 2016. The increase in the effective tax rate was primarily due to items that occurred during the quarter ended September 30, 2016 that did not recur during 2017. The tax deduction of the special cash dividend, related to the Transactions described in "Note 2—Acquisitions", on shares held by the Leidos retirement plan, and a benefit from the resolution of an uncertain tax position caused a substantial decrease in the rate for the quarter ended September 30, 2016.

For the nine months ended September 29, 2017, our effective tax rate was 30.1% compared to 12.7% for the nine months ended September 30, 2016. The increase was primarily due to the tax deduction of the special cash dividend, related to the Transactions described in "Note 2—Acquisitions", on shares held by the Leidos retirement plan that occurred during the nine months ended September 30, 2016.

Note 15–Business Segments

During the quarter ended March 31, 2017, the Company completed its business reorganization, which resulted in identification of three reportable segments. Additionally, the Company separately presents the costs associated with corporate functions as Corporate. The Company's operations and the new reportable segments are aligned around the nature of work and customers it serves. The Company commenced operating and reporting under the new organizational structure effective the beginning of fiscal 2017.

At September 29, 2017, the Company's reportable segments and Corporate were:

- **Defense Solutions** – delivers cutting edge technology and services to the DoD, military services, the U.S. Intelligence Community, DHS, agencies of U.S. allies abroad and other federal and civilian customers. The Company's Defense Solutions business is focused on cybersecurity, data analytics, IT modernization and software development, as well as technology to support intelligence, surveillance and reconnaissance services.
- **Civil** – provides services and solutions to civil agencies of the U.S. Government and commercial customers. The Company's Civil business is focused on software development, operations and sustainment, enterprise IT modernization, systems engineering and cyber services.
- **Health** – provides services and solutions to the Defense Health Agency, Veterans Administration, HHS, other civil health agencies of the U.S. Government and commercial healthcare providers. The Company's Health business is focused on enterprise IT modernization, software development, data analytics, electronic health record implementation, mission critical operations and sustainment, life sciences and public health.
- **Corporate** – includes the operations of various corporate activities and certain expense items that are not reimbursed by the Company's U.S. Government customers.

The segment information for the periods presented, of which the prior period has been recast to reflect the Company's current reportable segment structure, was as follows:

	Three Months Ended		Nine Months Ended	
	September 29, 2017	September 30, 2016	September 29, 2017	September 30, 2016

Health	464	300	1,361	674
Total revenues	\$ 2,503	\$ 1,868	\$ 7,654	\$ 4,468
Operating income (loss):

Corporate	(42)	(58)	(118)	(101)
Total operating income	\$ 151	\$ 101	\$ 458	\$ 265

The financial performance measures used to evaluate segment performance are revenues and operating income. As a result, "Other (expense) income, net," "Interest income," "Interest expense" and "Income tax (expense) benefit," as reported in the condensed consolidated financial statements are not allocated to the Company's segments. Under U.S. Government Cost Accounting Standards, indirect costs including depreciation expense are collected in numerous indirect cost pools, which are then collectively allocated out to the Company's reportable segments based on a representative causal or beneficial relationship of the costs in the pool to the costs in the base.

Asset information by segment is not a key measure of performance used by the Company's chief operating decision maker, currently the Chairman and Chief Executive Officer.

Note 16–Contingencies***Legal Proceedings****MSA Venture*

On November 10, 2015, Mission Support Alliance, LLC ("MSA"), a joint venture with Jacobs Engineering Group, Inc. and Centerra Group, LLC, received a final decision of the Department of Energy ("DoE") contracting officer for the Mission Support Contract concluding that certain payments to MSA by DoE for the performance of IT services by Lockheed Martin Services, Inc. ("LMSI") under a subcontract to MSA constituted alleged affiliate fees in violation of the Federal Acquisition Regulation (the "FAR"). Lockheed Martin Integrated Technology LLC (now known as Leidos Integrated Technology LLC) is a member entity of MSA. At the same time, the contracting officer advised MSA that he would not approve certain provisional fee payments to MSA pending resolution of the matters set forth in his decision. Subsequent to the contracting officer's final decision, MSA, LMSI, and Lockheed Martin Corporation received notice from the U.S. Attorney's Office for the Eastern District of Washington that the U.S. Government had initiated a False Claims Act investigation into the facts surrounding this dispute, and each of MSA, LMSI and Lockheed Martin Corporation have produced information in response to Civil Investigative Demands from the U.S. Attorney's Office. In addition, the U.S. Attorney's office has advised that a parallel criminal investigation is open, although no subjects or targets of the investigation have been identified.

Since this issue first was raised by the DoE, MSA has asserted that the IT services performed by LMSI under a fixed price/fixed unit rate subcontract approved by the DoE meet the definition of a "commercial item" under the FAR and any profits earned on that subcontract are permissible. MSA filed an appeal of the contracting officer's decision with the Civilian Board of Contract Appeals and that appeal is pending, but has been stayed pending resolution of the False Claims Act investigation. Subsequent to the filing of MSA's appeal, the contracting officer demanded that MSA reimburse the DoE in the amount of \$64 million, which was his estimate of the profits earned during the period from 2010 to 2014 by LMSI. The DoE has deferred that demand, pending resolution of the appeal, but to date the demand has not been rescinded. MSA and the other members of MSA have indicated they believe if MSA incurs a liability in this matter, then Leidos Integrated Technology, LLC is responsible to MSA for the loss. Under the terms of the Separation Agreement, Lockheed Martin has agreed to indemnify the Company for 100% of any damages in excess of \$38 million up to \$64 million, and 50% of any damages in excess of \$64 million, with respect to claims asserted against MSA related to this matter. At September 29, 2017, the Company has a liability of \$39 million and an indemnification asset of \$1 million recorded in the condensed consolidated balance sheets.

Securities Litigation

Between February and April 2012, alleged stockholders filed three putative securities class actions against the Company and several former executives relating to the Company's contract to develop and implement an automated time and attendance and workforce management system for certain agencies of the City of New York ("CityTime"). One case was withdrawn and two cases were consolidated in the U.S. District Court for the Southern District of New York in *In Re: SAIC, Inc. Securities Litigation*. The consolidated securities complaint asserted claims under Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 based on allegations that the Company and individual defendants made misleading statements or omissions about the Company's revenues, operating income and internal controls in connection with disclosures relating to the CityTime project. The plaintiffs sought to recover from the Company and the individual defendants an unspecified amount of damages class members allegedly incurred by buying Leidos' stock at an inflated price. The District Court dismissed the plaintiffs' claims with prejudice and without leave to replead. The plaintiffs then appealed to the United States Court of Appeals for the Second Circuit, which issued an opinion affirming in part, and vacating in part, the District Court's ruling. The Company filed a petition for a writ of certiorari in the U.S. Supreme Court, which was granted on March 27, 2017. The District Court granted the Company's request to stay all proceedings, including discovery, pending the outcome at the Supreme Court. In September 2017, the parties engaged in mediation resulting in an agreement to settle all remaining claims for an immaterial amount to be paid by the Company's insurer. The terms of the proposed settlement remain subject to court approval, which is expected to occur in the first half of 2018.

Greek Government Contract

In 2003, the Company entered into a firm-fixed-price contract with the Hellenic Republic of Greece to provide a Command, Control, Communications, Coordination and Integration System. The Greek government disputed the contract balance owed to the Company and has not paid the Company's final invoice. In 2013, the Company received an arbitral award by the International Chamber of Commerce for \$46 million, which has not been satisfied. In January 2017, the U.S. District Court granted an order to enforce the arbitration award and entered judgment in the Company's favor, for which the award was subsequently increased to \$63 million. The Greek government sought to annul the award through separate litigation in the Greek courts, however, on July 27, 2017, the Athens Court of Appeals issued a final decision rejecting the government's position. Based on the complex nature of this contractual situation and the difficulties encountered to date, significant uncertainties exist and the Company is unable to reliably estimate the ultimate outcome.

Other

The Company is also involved in various claims and lawsuits arising in the normal conduct of its business, none of which, in the opinion of the Company's management, based upon current information, will likely have a material adverse effect on the Company's condensed consolidated financial position, results of operations, or cash flows.

Other Contingencies

VirnetX, Inc.

In fiscal 2007, the Company transferred several patents to VirnetX Inc., a subsidiary of VirnetX Holding Corp. In consideration of this transfer, the Company received certain license rights and the right to receive a percentage of the consideration received in patent infringement or enforcement claims against third parties. In November 2012, a jury found that Apple Inc. infringed two of the patents that the Company previously transferred to VirnetX and awarded \$368 million to VirnetX, but the United States Court of Appeals for the Federal Circuit vacated this award. Although VirnetX petitioned the appeals court for an en banc review, this request was denied and the case was remanded to the Federal District Court for further proceedings, including a new jury trial which began on January 25, 2016.

On February 3, 2016, the jury in the United States Court for the Eastern District of Texas, Tyler Division, awarded VirnetX \$626 million in a verdict against Apple for willful infringement of four VirnetX patents. However, on July 29, 2016, the court issued a new order in the pending litigation against Apple, Case No. 6:10-cv-417 ("Apple I") and Case No. 6:12-cv-855 ("Apple II"), vacating its previous order consolidating the two cases and ordering the parties to retry them as separate cases. On September 30, 2016, a jury in the United States Court for the Eastern District of Texas, Tyler Division, in the Apple I case, awarded VirnetX \$302 million in a verdict against Apple for infringing the VirnetX patents at issue in the Apple I case.

On September 29, 2017, the court entered a final judgment in the case, and in an opinion and order, unsealed by the court on October 13, 2017, the court found that Apple willfully infringed the VirnetX patents at issue in the Apple I case and awarded enhanced damages, bringing the total award against Apple to over \$343 million in pre-interest damages. The court also awarded costs, certain attorneys' fees, and certain interest, and directed VirnetX and Apple to meet and confer regarding those amounts, resulting in a filing by VirnetX asking the court to grant VirnetX an additional sum of over \$96 million. This additional amount would bring the total award to VirnetX in the Apple I case to over \$439 million. A jury trial in the Apple II case is expected to be scheduled by the court shortly after the conclusion of the Apple I case. Under its agreements with VirnetX, Leidos would receive 25% of the proceeds obtained by VirnetX after reduction for attorneys' fees and costs. However, Apple may appeal the verdict and no assurances can be given when or if the Company will receive any proceeds in connection with this jury award. In addition, if the Company receives any proceeds, the Company is required to pay a royalty to the customer who paid for the development of the technology.

The Company does not have any assets or liabilities recorded in connection with this matter as of September 29, 2017.

Government Investigations and Reviews

The Company is routinely subject to investigations and reviews relating to compliance with various laws and regulations with respect to its role as a contractor to federal, state and local government customers and in connection with performing services in countries outside of the United States. Adverse findings could have a material effect on the Company's business, financial position, results of operations and cash flows due to its reliance on government contracts.

During the quarter ended September 29, 2017, pursuant to the resolution of certain government accounting matters, including audits by the Defense Contract Audit Agency, the Company recorded a net \$11 million reduction to its accrued liabilities.

Indirect cost audits by the Defense Contract Audit Agency remain open for fiscal 2012 and subsequent years for Leidos, Inc., and fiscal 2011 and subsequent years for Leidos Innovations. Although the Company has recorded contract revenues based upon an estimate of costs that the Company believes will be approved upon final audit or review, the Company cannot predict the outcome of any ongoing or future audits or reviews and adjustments, and if future adjustments exceed the Company's estimates, its profitability may be adversely affected.

As of September 29, 2017, the Company believes it has adequately reserved for potential adjustments from audits or reviews of contract costs.

Note 17—Commitments

The Company has outstanding letters of credit of \$92 million as of September 29, 2017, principally related to guarantees on contracts. The Company also has outstanding surety bonds in the amount of \$155 million, principally related to performance and subcontractor payment bonds on the Company's contracts. The outstanding letters of credit and surety bonds have various terms with the majority of the letters of credit and bonds expiring over the next four fiscal years.

Additionally, the Company has outstanding performance guarantees and cross-indemnity agreements in connection with certain aspects of its business. As of September 29, 2017, the Company is not aware of any existing event of default that would require it to satisfy any of these guarantees.

Overview

We are a FORTUNE 500® science and technology company that provides technology and engineering services and solutions in the defense, intelligence, civil and health markets. We bring domain-specific capability and cross-market innovations to customers in each of these markets by leveraging seven core capabilities: command, control, computing, communications and intelligence surveillance and reconnaissance ("C4ISR"); cybersecurity; systems engineering; large-scale agile software development; data analytics; enterprise IT modernization; and operations and sustainment. Our domestic customers include the U.S. Department of Defense ("DoD"), the U.S. Intelligence Community, the U.S. Department of Homeland Security ("DHS"), the Federal Aviation Administration ("FAA"), the Department of Health and Human Services ("HHS"), U.S. Government civil agencies and state and local government agencies. Our international customers include foreign governments and their agencies, primarily located in the United Kingdom ("U.K."), the Middle East and Australia.

During the quarter ended March 31, 2017, we completed our business reorganization, which resulted in identification of three reportable segments (Defense Solutions, Civil, Health). Additionally, we separately present the costs associated with corporate functions as Corporate. We commenced operating and reporting under the new organizational structure effective the beginning of fiscal 2017. As a result of this change, prior year segment results and disclosures have been recast to reflect the new reportable segments (see "Note 15—Business Segments").

Business Environment and Trends*U.S. Government Markets*

In fiscal 2016, we generated approximately 81% of our total revenues from contracts with the U.S. Government. Accordingly, our business performance is affected by the overall level of U.S. Government spending, especially on national security, homeland security and intelligence, and the alignment of our service and product offerings and capabilities with current and future budget priorities of the U.S. Government.

In May 2017, Congress approved an Omnibus Appropriation bill for the 2017 government fiscal year ("GFY 2017"), providing discretionary funding for the federal government for the remainder of the fiscal year ending September 30, 2017.

For GFY 2018, Congress has not enacted any of the 12 appropriations bills and thus no full fiscal year appropriation has been enacted. Since October 1, 2017, the government has been operating under a continuing resolution ("CR") which will expire on December 8, 2017. Several appropriations bills, especially in the House of Representatives, have been approved through the committee process and are ready for Congressional action. If no action is taken prior to expiration of the current CR, another short-term CR will be needed to continue government operations.

International Markets

Sales to customers in international markets represented 9% of total revenues for fiscal 2016. Our acquisition of the IS&GS Business has increased the relative contribution from international business to our consolidated revenues, particularly in the United Kingdom and Australia, and has therefore increased our exposure to international markets and the associated international regulatory and geopolitical risks.

Lockheed Martin Transaction

On August 16, 2016, a wholly-owned subsidiary of Leidos Holdings, Inc. merged with the Information Systems & Global Solutions business (the "IS&GS Business") of Lockheed Martin Corporation in a Reverse Morris Trust transaction (the "Transactions"). The acquired IS&GS Business was renamed Leidos Innovations Corporation (see "Note 2—Acquisitions").

We incurred acquisition and integration costs of \$21 million and \$56 million during the three and nine months ended September 29, 2017, respectively, and \$44 million and \$68 million during the three and nine months ended September 30, 2016, respectively, and expect to incur additional integration costs in connection with the Transactions through fiscal 2018.

We incurred restructuring expenses of \$6 million and \$25 million during the three and nine months ended September 29, 2017, respectively, and \$5 million during the three and nine months ended September 30, 2016, related to the acquired IS&GS Business. Restructuring expenses include costs associated with optimization of our real estate portfolio and severance costs associated with reducing headcount. We anticipate this restructuring program to last through fiscal 2020, and expect to incur a total of approximately \$90 million in connection with these restructuring activities.

Key Performance Measures

The primary financial performance measures we use to manage our business and monitor results of operations are revenue, operating income, cash flows from operations and diluted EPS. Bookings and backlog are also useful measures for management and investors to evaluate our performance and potential future revenues.

The increase in revenues for the three and nine months ended September 29, 2017 as compared to the three and nine months ended September 30, 2016, was primarily attributable to the acquired IS&GS Business of \$220 million and \$1,213 million, respectively, and growth in certain airborne programs, partially offset by a contract write-up during the third quarter of fiscal 2016 that did not recur in fiscal 2017 and completion of certain contracts.

The decrease in operating income for the three months ended September 29, 2017 as compared to the three months ended September 30, 2016, was primarily due to a write-up on a contract during the third quarter of fiscal 2016 that did not recur in fiscal 2017, partially offset by operating income from the acquired IS&GS Business of \$15 million.

The decrease in operating income for the nine months ended September 29, 2017 as compared to the nine months ended September 30, 2016, was primarily due a write-up on a contract during the third quarter of fiscal 2016 that did not recur in fiscal 2017, and completion of certain contracts, partially offset by operating income from the acquired IS&GS Business of \$31 million.

The increase in revenues for the nine months ended September 29, 2017 as compared to the nine months ended September 30, 2016, was primarily attributable to the acquired IS&GS Business of \$1,497 million, partially offset by fiscal 2016 revenues from the divestiture of the heavy construction business of \$103 million, reduced scope and completion of certain contracts, and the adverse impact of foreign currency of \$17 million.

The adverse impact of foreign currency was primarily due to the movement of the exchange rate between the U.S. dollar and the British pound.

The increase in operating income for the three months ended September 29, 2017 as compared to the three months ended September 30, 2016, was primarily due to profit write-ups on certain contracts.

⁽¹⁾ The non-GAAP measure of constant currency revenues is used to assess the performance of revenue activity without the effect of foreign currency exchange rate fluctuations. We calculate revenues on a constant currency basis by translating current period revenue using the comparable period's foreign currency exchange rates. This calculation is performed for all subsidiaries where the functional currency is not the U.S. dollar.

LEIDOS HOLDINGS, INC.

The increase in operating income for the nine months ended September 29, 2017 as compared to the nine months ended September 30, 2016, was primarily due to operating income from the acquired IS&GS Business of \$73 million and higher margins on certain product sales.

The increases in operating income for the three and nine months ended September 29, 2017 as compared to the three and nine months ended September 30, 2016, was primarily due to operating income from the acquired IS&GS Business of \$39 million and \$129 million, respectively.

(dollars in millions)								
Operating loss	\$ (42)	\$ (58)	\$ 16	(27.6)%	\$ (118)	\$ (101)	\$ (17)	16.8%

The decrease in operating loss for the three months ended September 29, 2017 as compared to the three months ended September 30, 2016, was primarily driven by a decrease of \$23 million of acquisition and integration costs related to the acquired IS&GS Business.

The increase in operating loss for the nine months ended September 29, 2017 as compared to the nine months ended September 30, 2016, was primarily driven by an increase of \$19 million of restructuring expenses due to severance costs and lease termination expenses, partially offset by a decrease of \$12 million of acquisition and integration costs related to the acquired IS&GS Business.

Non-Operating Expense, net

Non-operating expense, net for the three and nine months ended September 29, 2017, increased \$9 million and \$47 million, as compared to the three and nine months ended September 30, 2016, respectively, primarily due to interest expense associated with our term loans secured in connection with the Transactions. The increase in non-operating expense for the nine months ended September 29, 2017, was partially offset by foreign currency exchange gains, mostly due to the movement of the exchange rate between the U.S. dollar and the British pound.

Provision for Income Taxes

For the three months ended September 29, 2017, our effective tax rate was 31.9% compared to (22.7)% for the three months ended September 30, 2016. The increase in the effective tax rate was primarily due to items that occurred during the three months ended September 30, 2016 that did not recur during 2017. The tax deduction of the special cash dividend, related to the Transactions described in "Note 2—Acquisitions", on shares held by the Leidos retirement plan, and a benefit from the resolution of an uncertain tax position caused a substantial decrease in our rate for the three months ended September 30, 2016.

For the nine months ended September 29, 2017, our effective tax rate was 30.1% compared to 12.7% for the nine months ended September 30, 2016. The increase was primarily due to the tax deduction of the special cash dividend, related to the Transactions described in "Note 2—Acquisitions", on shares held by the Leidos retirement plan that occurred during the nine months ended September 30, 2016.

Non-controlling Interest

Net loss attributable to non-controlling interest of \$3 million and \$1 million for the three and nine months ended September 29, 2017, and net income attributable to non-controlling interest of \$1 million for the three and nine months ended September 30, 2016, relates to our interest in Mission Support Alliance, LLC, a joint venture with Jacobs Engineering Group, Inc. and Centerra Group, LLC, acquired as part of the Transactions.

Bookings and Backlog

We received net bookings worth an estimated \$3.1 billion and \$7.4 billion during the three and nine months ended September 29, 2017, respectively, compared to \$2.9 billion and \$5.1 billion for the three and nine months ended September 30, 2016, respectively.

Backlog estimates are subject to change and may be affected by factors including modifications of contracts and foreign currency movements. The estimated value of our total backlog was as follows:

	September 29, 2017	December 30, 2016
(in millions)		
Defense Solutions:		
Funded backlog	\$ 2,266	\$ 3,171
Negotiated unfunded backlog	4,998	4,936

Funded backlog	\$ 5,583	\$ 5,975
Negotiated unfunded backlog	12,111	11,761
Total backlog	\$ 17,694	\$ 17,736

Total backlog at September 29, 2017 included \$163 million of benefit due to the impact of foreign currency movement between the U.S. dollar and the British pound.

Liquidity and Capital Resources*Overview*

As of September 29, 2017, we had \$287 million in cash and cash equivalents. In addition, we have a secured revolving credit facility which can provide up to \$750 million in additional borrowing, if required. During the nine months ended September 29, 2017, there were no borrowings outstanding under the credit facility and we were in compliance with related financial covenants.

At September 29, 2017 and December 30, 2016, we had outstanding debt of \$3.1 billion and \$3.3 billion, respectively. In addition to the required quarterly payments on our term loans, we prepaid \$105 million and \$130 million during the quarter and nine months ended September 29, 2017, respectively. The notes outstanding as of September 29, 2017 contain financial covenants and customary restrictive covenants. We were in compliance with all covenants as of September 29, 2017.

We paid dividends of \$48 million and \$150 million during the three and nine months ended September 29, 2017, respectively, and \$48 million and \$94 million during the three and nine months ended September 30, 2016, respectively, excluding the special dividend paid as a result of the Transactions (see "Note 2—Acquisitions").

For the next 12 months, we anticipate that we will be able to meet our liquidity needs, including servicing our debt, through cash generated from operations, available cash balances and, if needed, borrowings from our revolving credit facility.

Off-Balance Sheet Arrangements

We have outstanding performance guarantees and cross-indemnity agreements in connection with certain aspects of our business. We also have letters of credit outstanding principally related to guarantees on contracts and surety bonds outstanding principally related to performance and payment bonds as described in "Note 17—Commitments" of the notes to the condensed consolidated financial statements contained within this Quarterly Report on Form 10-Q. These arrangements have not had, and management does not believe it is likely that they will in the future have, a material effect on our liquidity, capital resources, operations or financial condition.

Commitments and Contingencies

We are subject to a number of reviews, investigations, claims, lawsuits, other uncertainties and future obligations related to our business. For a discussion of these items, see "Note 16–Contingencies" and "Note 17–Commitments" of the notes to the condensed consolidated financial statements contained within this Quarterly Report on Form 10-Q.

For a discussion of these items, see "Note 1–Basis of Presentation and Summary of Significant Accounting Policies" of the notes to the condensed consolidated financial statements contained within this Quarterly Report on Form 10-Q.

Item 3. Quantitative and Qualitative Disclosures About Market Risk.

In September 2017, the Company entered into interest rate swap agreements to hedge the cash flows of \$300 million of the Company's variable rate senior secured term loans (see "Note 9–Derivative Instruments"). The objective of these instruments is to reduce variability in the forecasted interest payments of the Company's variable rate senior secured term loans.

For further discussion of our market risk associated with interest rate risk and foreign currency risk as of December 30, 2016, see "Quantitative and Qualitative Disclosures about Market Risk" in Part II of our Annual Report on Form 10-K for the year ended December 30, 2016.

Item 4. Controls and Procedures.**Evaluation of Disclosure Controls and Procedures**

Our management, with the participation of our principal executive officer (our Chairman and Chief Executive Officer) and principal financial officer (our Executive Vice President and Chief Financial Officer), has evaluated the effectiveness of Leidos' disclosure controls and procedures (as defined in Rules 13a-15(e) or 15d-15(e) under the Securities Exchange Act of 1934) as of September 29, 2017. Based upon that evaluation, our principal executive officer and principal financial officer have concluded that our disclosure controls and procedures are effective to ensure that information required to be disclosed by us in the reports that we file or submit under the Securities Exchange Act of 1934 is recorded, processed, summarized and reported within the time periods specified in the rules and forms of the U.S. Securities and Exchange Commission. These disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by us in the reports that we file or submit under the Securities Exchange Act of 1934 is accumulated and communicated to our management, including our principal executive officer and our principal financial officer, as appropriate to allow timely decisions regarding required disclosure.

Changes in Internal Control Over Financial Reporting

As part of our ongoing integration of the IS&GS Business, we have integrated certain controls and related procedures with respect to the acquired operations. Other than incorporating these IS&GS Business controls, there have been no other changes in Leidos' internal control over financial reporting that occurred in the quarterly period covered by this report that materially affected, or are reasonably likely to materially affect, Leidos' internal control over financial reporting.

SECTION 1. Restatement of the Existing Credit Agreement. Effective as of the Restatement Effective Date, the Existing Credit Agreement is hereby amended and restated to read

in its entirety as set forth in Annex A attached hereto (as so amended and restated, the “Restated Credit Agreement”).

SECTION 2. Transactions on the Restatement Effective Date. o Effect on the Revolving Credit Lenders and Existing Revolving Credit Loans. § Subject to the conditions set forth herein and the terms hereof, on the Restatement Effective Date, (A) each New Revolving Credit Lender shall become, and each Continuing Revolving Credit Lender shall continue to be, a “Revolving Credit Lender” and a “Lender” under the Restated Credit Agreement and (B) each New Revolving Credit Lender shall have, and each Continuing Revolving Credit Lender shall continue to have, all the rights and obligations of a “Revolving Credit Lender” and a “Lender” holding a Revolving Credit Commitment (and, if applicable, a Revolving Credit Loan and participations in Letters of Credit) under the Restated Credit Agreement. For the avoidance of doubt, for the purposes of this Agreement, there are no Departing Revolving Credit Lenders, Decreasing Revolving Credit Lenders or New Revolving Credit Lenders.

(i) On the Restatement Effective Date, each (x) Departing Revolving Credit Lender and (y) Continuing Revolving Credit Lender with respect to which the aggregate principal amount of Existing Revolving Credit Commitments held by it immediately prior to the Restatement Effective Date is greater than the amount set forth opposite its name on Schedule I-B hereof (such Continuing Revolving Credit Lender, a “Decreasing Revolving Credit Lender” and the difference in such amounts, such Decreasing Revolving Credit Lender’s “Revolving Credit Decrease Amount”) shall be deemed to have assigned and delegated its Existing Revolving Credit Commitments (and Existing Revolving Credit Loans and participations in Letters of Credit in respect thereof) (in the case of a Departing Revolving Credit Lender) or its Revolving Credit Decrease Amount of its Existing Revolving Credit Commitments (and Existing Revolving Credit Loans and participations in Letters of Credit in respect thereof) (in the case of a Decreasing Revolving Credit Lender), together with all of its interests, rights (other than its existing rights to payments pursuant to Section 2.11 or 2.14 of the Existing Credit Agreement) and obligations under the Loan Documents in respect thereof, at a purchase price equal to the par principal amount of the Existing Revolving Credit Loans (if any) and funded participations in Letters of Credit (if any) so assigned and delegated (the “Revolving Credit Purchase Price”), and each New Revolving Credit Lender shall be deemed to have assumed and accepted the proportionate part of the Existing Revolving Credit Commitments (and Existing Revolving Credit Loans and participations in Letters of Credit in respect thereof) of the Departing Revolving Credit Lenders and the Revolving Credit Decrease Amounts of the Existing Revolving Credit Commitments (and Existing Revolving Credit Loans and participations in Letters of Credit in respect thereof) of the Decreasing Revolving Credit Lenders to such extent as shall be necessary in order that, after giving effect to all such assignments and delegations, (I) each Continuing Revolving Credit Lender and New Revolving Credit Lender shall hold Existing Revolving Credit Commitments in an aggregate principal amount that is equal to the commitment amount set forth opposite its name on Schedule I-B hereto (and the Existing Revolving Credit Loans and participations in Letters of Credit in respect thereof) and (II) each Departing Revolving Credit Lender shall hold no Existing Revolving Credit Commitments, Existing Revolving Credit Loans or participations in Letters of Credit (it being understood that the aggregate amount of all such Existing Revolving Credit Commitments so assigned and delegated is \$0.00). Each New Revolving Credit Lender shall be deemed to have assumed a percentage of the Existing Revolving Credit

Commitments (and Existing Revolving Credit Loans and participations in Letters of Credit in respect thereof) of each Departing Revolving Credit Lender and a percentage of the Revolving Credit Decrease Amount of the Existing Revolving Credit Commitments (and the Existing Revolving Credit Loans and participations in Letters of Credit in respect thereof) of each Decreasing Revolving Credit Lender that is equal to (A) the aggregate principal amount of the Existing Revolving Credit Commitments (and the Existing Revolving Credit Loans and participations in Letters of Credit in respect thereof) of all the Departing Revolving Credit Lenders and the aggregate principal amount of the Revolving Credit Decrease Amounts of the Existing Revolving Credit Commitments (and the Existing Revolving Credit Loans and participations in Letters of Credit in respect thereof) of all Decreasing Revolving Credit Lenders that will be assumed by such New Revolving Credit Lender divided by (B) the sum of (a) the aggregate principal amount of the Existing Revolving Credit Commitments (and the Existing Revolving Credit Loans and participations in Letters of Credit in respect thereof) of all Departing Revolving Credit Lenders and (b) the aggregate principal amount of the Revolving Credit Decrease Amounts of all the Existing Revolving Credit Commitments (and the Existing Revolving Credit Loans and participations in Letters of Credit in respect thereof) of all Decreasing Revolving Credit Lenders. Upon payment to a Departing Revolving Credit Lender of (I) the Revolving Credit Purchase Price with respect to its Existing Revolving Credit Loans and funded participations in Letters of Credit (if any) from the Administrative Agent (on behalf of the New Revolving Credit Lenders) and (II) accrued and unpaid interest and fees in respect of its Existing Revolving Credit Commitments (and any Revolving Credit Loans and participations in Letters of Credit in respect thereof) through but excluding the Restatement Effective Date and all other amounts payable to it as of the Restatement Effective Date under the Loan Documents in respect of its Existing Revolving Credit Commitments (and any Existing Revolving Credit Loans and participations in Letters of Credit in respect thereof) and other interests assigned by it under this Section 2(a)(ii) (including any amounts due under Section 9.04(f) of the Existing Credit Agreement that are payable as of the Restatement Effective Date) from the Borrower (and without the requirement of any further action on the part of such Departing Revolving Credit Lender), such Departing Revolving Credit Lender shall cease to be a party to the Existing Credit Agreement with respect to the Existing Revolving Credit Commitments (and any Existing Revolving Credit Loans and participations in Letters of Credit in respect thereof) (and its interests, rights and obligations in respect of each of the foregoing) deemed assigned by it under this Section 2(a)(ii). Upon payment to a Decreasing Revolving Credit Lender of (I) the Revolving Credit Purchase Price with respect to its Revolving Credit Decrease Amount of the Existing Revolving Credit Loans and funded participations in Letters of Credit (if any) in respect of the Revolving Credit Commitments deemed assigned by it under this Section 2(a)(ii) from the Administrative Agent (on behalf of the New Revolving Credit Lenders) and (II) accrued and unpaid interest and fees in respect of its Revolving Credit Decrease Amount of its Existing Revolving Credit Commitments (and any Existing Revolving Credit Loans and participations in Letters of Credit in respect thereof) through but excluding the Restatement Effective Date and all other amounts payable to it as of the Restatement Effective Date under the Loan Documents in respect of its Revolving Credit Decrease Amount of its Existing Revolving Credit Commitments (and any Existing Revolving Credit Loans and participations in Letters of Credit in respect thereof) and other interests assigned by it under this Section 2(a)(ii) (including any amounts due under Section 9.04(f) of the Existing Credit Agreement that are payable as of the Restatement Effective Date) from the Borrower (and without the requirement of any further action on the part of such Decreasing Revolving Credit Lender), such

Decreasing Revolving Credit Lender shall cease to be a party to the Existing Credit Agreement with respect to its Revolving Credit Decrease Amount of its Existing Revolving Credit Commitments (and any Existing Revolving Credit Loans and participations in Letters of Credit in respect thereof) (and its interests, rights and obligations in respect of each of the foregoing) deemed assigned by it under this Section 2(a)(ii). Each New Revolving Credit Lender shall make the payment for the assumption deemed made by it pursuant to this Section 2(a)(ii) by wire transfer on the Restatement Effective Date of immediately available funds to the Administrative Agent in an amount equal to the Revolving Credit Purchase Price applicable to the Existing Revolving Credit Loans and funded participations in Letters of Credit assumed by it pursuant to this Section 2(a)(ii), and the Administrative Agent will promptly distribute, by remitting in like funds, such amounts received by it to the Departing Revolving Credit Lenders and Decreasing Revolving Credit Lenders in accordance with their interests therein.

(b) Effect on the Existing Term Loan Lenders and Existing Term Loans. § Subject to the conditions set forth herein and the terms hereof, on the Restatement Effective Date, (A) each New Term Loan Lender shall become, and each Continuing Term Loan Lender shall continue to be, a “Term Lender” and a “Lender” under the Restated Credit Agreement and (B) each New Term Loan Lender shall have, and each Continuing Term Loan Lender shall continue to have, all the rights and obligations of a “Term Lender” and a “Lender” holding a Term Loan under the Restated Credit Agreement.

(i) On the Restatement Effective Date, each (x) Departing Term Loan Lender and (y) Continuing Term Loan Lender with respect to which the aggregate principal amount of Existing Term Loans held by it immediately prior to the Restatement Effective Date is greater than the amount set forth opposite its name on Schedule II-B hereof (such Continuing Term Loan Lender, a “Decreasing Term Loan Lender” and the difference in such amounts, such Decreasing Term Loan Lender’s “Term Loan Decrease Amount”) shall be deemed to have assigned and delegated its Existing Term Loans (in the case of a Departing Term Loan Lender) or its Term Loan Decrease Amount of its Existing Term Loans (in the case of a Decreasing Term Loan Lender), together with all of its interests, rights (other than its existing rights to payments pursuant to Section 2.11 or 2.14 of the Existing Credit Agreement) and obligations under the Loan Documents in respect thereof, at a purchase price equal to the par principal amount of such Loans (the “Term Loan Purchase Price”), and each New Term Loan Lender shall be deemed to have assumed and accepted the proportionate part of the Existing Term Loans of the Departing Term Loan Lenders and the Term Loan Decrease Amounts of the Existing Term Loans of the Decreasing Term Loan Lenders to such extent as shall be necessary in order that, after giving effect to all such assignments and delegations, each Continuing Term Loan Lender and New Term Loan Lender shall hold Existing Term Loans in an aggregate principal amount that is equal to the amount set forth opposite its name on Schedule II-B hereto and each Departing Term Loan Lender shall hold no Existing Term Loans (it being understood that the aggregate amount of all such Existing Term Loans so assigned and delegated is \$10,537,247.67). Each New Term Loan Lender shall be deemed to have assumed a percentage of the Existing Term Loans of each Departing Term Loan Lender and a percentage of the Term Loan Decrease Amount of the Existing Term Loans of each Decreasing Term Loan Lender that is equal to (A) the aggregate principal amount of the Existing Term Loans of all the Departing Term Loan Lenders and the aggregate principal amount of the Term Loan Decrease Amounts of the

Existing Term Loans of all Decreasing Term Loan Lenders that will be assumed by such New Term Loan Lender divided by (B) the sum of (a) the aggregate principal amount of the Existing Term Loans of all Departing Term Loan Lenders and (b) the aggregate principal amount of the Term Loan Decrease Amounts of the Existing Term Loans of all Decreasing Term Loan Lenders. Upon payment to a Departing Term Loan Lender of (I) the Term Loan Purchase Price with respect to its Existing Term Loans from the Administrative Agent (on behalf of the New Term Loan Lenders) and (II) accrued and unpaid interest and fees (if any) in respect of its Existing Term Loans through but excluding the Restatement Effective Date and all other amounts payable to it as of the Restatement Effective Date under the Loan Documents in respect of its Existing Term Loans and other interests assigned by it under this Section 2(b)(ii) (including any amounts due under Section 9.04(f) of the Existing Credit Agreement that are payable as of the Restatement Effective Date) from the Borrower (and without the requirement of any further action on the part of such Departing Term Loan Lender), such Departing Term Loan Lender shall cease to be a party to the Existing Credit Agreement with respect to the Existing Term Loans (and its interests, rights and obligations in respect thereof) deemed assigned by it under this Section 2(b)(ii). Upon payment to a Decreasing Term Loan Lender of (I) the Term Loan Purchase Price with respect to its Term Loan Decrease Amount of its Existing Term Loans from the Administrative Agent (on behalf of the New Term Loan Lenders) and (II) accrued and unpaid interest and fees (if any) in respect of its Term Loan Decrease Amount of its Existing Term Loans through but excluding the Restatement Effective Date and all other amounts payable to it as of the Restatement Effective Date under the Loan Documents in respect of its Term Loan Decrease Amount of its Existing Term Loans and other interests assigned by it under this Section 2(b)(ii) (including any amounts due under Section 9.04(f) of the Existing Credit Agreement that are payable as of the Restatement Effective Date) from the Borrower (and without the requirement of any further action on the part of such Decreasing Term Loan Lender), such Decreasing Term Loan Lender shall cease to be a party to the Existing Credit Agreement with respect to its Term Loan Decrease Amount of its Existing Term Loans (and its interests, rights and obligations in respect thereof) deemed assigned by it under this Section 2(b)(ii). Each New Term Loan Lender shall make the payment for the assumption deemed made by it pursuant to this Section 2(b)(ii) by wire transfer on the Restatement Effective Date of immediately available funds to the Administrative Agent in an amount equal to the Term Loan Purchase Price applicable to the Existing Term Loans assumed by it pursuant to this Section 2(b)(ii), and the Administrative Agent will promptly distribute, by remitting in like funds, such amounts received by it to the Departing Term Loan Lenders and Decreasing Term Loan Lenders in accordance with their interests therein.

Nothing expressed or implied in this Agreement, the Restated Credit Agreement or any other document contemplated hereby or thereby shall be construed as a release or other discharge of any Loan Party under any Loan Document from any of its obligations and liabilities thereunder.

SECTION 7. Acknowledgement. Each party hereto hereby acknowledges and agrees that this Agreement constitutes a written instrument of assignment and delegation as required by Section 2.18(d) of the Existing Credit Agreement.

If the Agent has not received such financial statements and the accompanying Compliance Certificate setting forth such calculation when due pursuant to Section 5.08(a) or (b), as applicable, the Applicable Margin shall be

determined as if Pricing Level III of the applicable table above shall have applied until the first Business Day after the date of delivery of such financial statements and the accompanying Compliance Certificate setting forth such calculation to Agent. In the event that any financial statement or Compliance Certificate delivered pursuant to Section 5.08(a) or (b), as applicable, is shown to be inaccurate, and such inaccuracy, if corrected, would have led to the application of a higher Applicable Margin for any period (a "Margin Applicable Period") than the Applicable Margin actually applied for such Margin Applicable Period, then (i) the Borrower shall promptly upon becoming aware of any such inaccuracy deliver to the Agent a corrected Compliance Certificate for such Margin Applicable Period and (ii) the Borrower shall promptly pay to the Agent the accrued additional amounts owing as a result of such increased Applicable Margin for such Margin Applicable Period.

Each change in the Applicable Margin based on the Corporate Ratings shall apply during the period commencing on the effective date of such change and ending on the date immediately preceding the effective date of the next such change. If the rating system of Moody's or S&P shall change, or if either such rating agency shall cease to be in the business of rating corporate debt obligations, the Borrower and the Lenders shall negotiate in good faith to amend the definition of "Applicable Margin" to reflect such changed rating system or the unavailability of ratings from such rating agency and, pending the effectiveness of any such amendment, the Applicable Margin shall be determined by reference to the Corporate Rating most recently in effect prior to such change or cessation.

Pre-First Amendment Applicable Percentage

If the Agent has not received such financial statements and the accompanying Compliance Certificate setting forth such calculation when due pursuant to Section 5.08(a) or (b), as applicable, the Applicable Percentage shall be determined as if Pricing Level II (or, for any day after the First Amendment Restatement Date, other than during a Lien Suspension Period, Pricing Level III) of the applicable table above shall have applied until the first Business Day after the date of delivery of such financial statements and the accompanying Compliance Certificate setting forth such calculation to Agent. At any time upon the occurrence and during the continuance of any Event of Default, the Applicable Percentage shall be set at Pricing Level II (or, for any day after the First Amendment Restatement Date, other than during a Lien Suspension Period, Pricing Level III) of the applicable table above. In the event that any financial statement or Compliance Certificate delivered pursuant to Section 5.08(a) or (b), as applicable, is shown to be inaccurate, and such inaccuracy, if corrected, would have led to the application of a higher Applicable Percentage for any period (a "Percentage Applicable Period") than the Applicable Percentage actually applied for such Percentage Applicable Period,

then (i) the Borrower shall promptly upon becoming aware of any such inaccuracy deliver to the Agent a corrected Compliance Certificate for such Percentage Applicable Period and (ii) the Borrower shall promptly pay to the Agent the accrued additional amounts owing as a result of such increased Applicable Percentage for such Percentage Applicable Period.

Each change in the Applicable Percentage based on the Corporate Ratings shall apply during the period commencing on the effective date of such change and ending on the date immediately preceding the effective date of the next such change. If the rating system of Moody's or S&P shall change, or if either such rating agency shall cease to be in the business of rating corporate debt obligations, the Borrower and the Lenders shall negotiate in good faith to amend the definition of "Applicable Percentage" to reflect such changed rating system or the unavailability of ratings from such rating agency and, pending the effectiveness of any such amendment, the Applicable Percentage shall be determined by reference to the Corporate Rating most recently in effect prior to such change or cessation.

Notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to any election under Statement of Financial Accounting Standards 133 and 159 (or any other Financial Accounting Standard having a similar result or effect) to value any Indebtedness or other liabilities of Holdings or any Subsidiary at “fair value”, as defined therein.

SECTION 1.04. Terms Generally. The definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words “include,” “includes” and “including” shall be deemed to be followed by the phrase “without limitation.” The word “will” shall be construed to have the same meaning and effect as the word “shall.” Unless the context requires otherwise (a) any definition of or reference to any agreement, instrument or other document herein shall be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth herein), (b) any reference herein to any Person shall be construed to include such Person’s successors and assigns, (c) the words “herein,” “hereof” and “hereunder,” and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof, (d) all references herein to Articles, Sections, Exhibits and Schedules shall be construed to refer to Articles and Sections of, and Exhibits and Schedules to, this Agreement, (e) any reference to any law or regulation herein shall, unless otherwise specified, refer to such law or regulation as amended, modified or supplemented from time to time, and (f) the words “asset” and “property” shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, securities, accounts and contract rights. For purposes of determining compliance at any time with Sections 6.01, 6.06, 6.08, 6.09, 6.10(b), 6.12 and 6.14, in the event that any Indebtedness, Lien, Restricted Payment, Restricted Debt Payment, Investment, Disposition or Affiliate transaction, as applicable, meets the criteria of more than one of the categories of transactions or items permitted pursuant to any clause of such Sections 6.01, 6.06, 6.08, 6.09, 6.10(b), 6.12 and 6.14 or the definition of Permitted Lien, the Borrower, in its sole discretion, may, from time to time, classify or reclassify such transaction or item (or portion thereof) and will only be required to include the amount and type of such transaction (or portion thereof) in any one category, in each case to the

extent compliant therewith at the time of such classification or reclassification. It is understood and agreed that any Indebtedness, Lien, Restricted Payment, Restricted Debt Payment, Investment, Disposition or Affiliate transaction need not be permitted solely by reference to one category of permitted Indebtedness, Lien, Restricted Payment, Restricted Debt Payment, Investment, Disposition or Affiliate transaction under Sections 6.01, 6.06, 6.08, 6.09, 6.10(b), 6.12 and 6.14 or the definition of Permitted Lien, respectively, but may instead be permitted in part under any combination of categories available under the applicable covenant (or definition) (it being understood that compliance with each such section is separately required).

SECTION 1.05. Certain Additional Currencies. The Borrower may from time to time request that Letters of Credit be issued in a currency other than Dollars; provided that (a) such requested currency is a lawful currency that is readily available and freely transferable and convertible into Dollars and (b) such request shall be subject to the prior approval in writing of the Agent and the applicable Issuing Bank.

SECTION 1.06. Effectuation of Transactions. Notwithstanding anything to the contrary contained in this Agreement or in any other Loan Document, to the extent that any Lender extends the maturity date of, or replaces, renews or refinances, any of its then-existing Loans with Incremental Loans, Specified Refinancing Term Loans, Specified Refinancing Revolving Loans, Extended Term Loans, advances of revolving credit under Extended Revolving Credit Commitments or loans incurred under a new credit facility, in each case, to the extent such extension, replacement, renewal or refinancing is effected by means of a “cashless roll” by such Lender, such extension, replacement, renewal or refinancing shall be deemed to comply with any requirement hereunder or any other Loan Document that such payment be made “in immediately available funds”, “in Cash”, “in Dollars” or any other similar requirement.

SECTION 1.07. Pro Forma Calculations. (a) Notwithstanding anything to the contrary herein, the Leverage Ratio and the Senior Secured Leverage Ratio shall be calculated in the manner prescribed by this Section 1.07; provided that when calculating any such ratio for the purpose of (i) the definition of Applicable Margin or Applicable Percentage, (ii) any mandatory prepayment under Section 2.10(b)(iii) or (iii) actual compliance with the Financial Covenant, the events set forth in clauses (b), (c) and (d) below that occurred subsequent to the end of the applicable Test Period shall not be given *pro forma* effect.

(a) For purposes of calculating the Leverage Ratio and the Senior Secured Leverage Ratio, all Specified Transactions (and the incurrence or repayment of any Indebtedness by Holdings or any of the Restricted Subsidiaries and the granting or terminating of any Liens in connection therewith) that have been consummated (i) during the applicable period of four consecutive fiscal quarters for which such financial ratio is being determined (the “Test Period”) or (ii) subsequent to such Test Period and prior to or substantially simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a *pro forma* basis assuming that all such Specified Transactions (and any increase or decrease in EBITDA and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Test Period.

(b) If *pro forma* effect is to be given to a Specified Transaction, the *pro forma* calculations shall be made in good faith based upon reasonable assumptions (and certified in writing) by a Financial Officer of Holdings and include only those adjustments that are (A) directly attributable to the Specified Transactions with respect to which such adjustments are to be made, (B) factually supportable and reasonably identifiable (in the good faith determination of a Financial Officer of Holdings) (and, for the avoidance of doubt, the adjustments referred to above (and subject to the requirements specified therein) may include adjustments that reflect cost savings, operating expense reductions, and synergies as described in clause (l) of the definition of “EBITDA”). For the avoidance of doubt, all *pro forma* adjustments shall be

consistent with, and subject to, the caps and limits set forth in the applicable definitions herein. To the extent compliance with the Financial Covenant is being tested prior to the first test date under the Financial Covenant, in order to determine permissibility of any action by Holdings or the Restricted Subsidiaries, such compliance shall be tested against the applicable ratio for such first test date.

(c) In the event that Holdings or any of the Restricted Subsidiaries incurs (including by assumption or guarantees) or repays (including by redemption, repayment, retirement or extinguishment) any Indebtedness included directly or indirectly in the calculation of the Leverage Ratio or the Senior Secured Leverage Ratio (other than Indebtedness incurred or repaid under any revolving credit facility (including the Revolving Credit Facility) in the Ordinary Course of Business for working capital purposes) subsequent to the end of the applicable Test Period and prior to or substantially simultaneously with the event for which the calculation of any such ratio is made, then the Leverage Ratio and/or the Senior Secured Leverage Ratio shall be calculated giving *pro forma* effect to such incurrence or repayment of Indebtedness, to the extent required, as if the same had occurred on the last day of the applicable Test Period.

(d) Notwithstanding anything to the contrary herein, to the extent that the terms of this Agreement require (i) compliance with any financial ratio or test (including any Leverage Ratio test, any Senior Secured Leverage Ratio test or the amount of Total Assets or the amount of EBITDA) or (ii) the absence of a Default or Event of Default (or any type of Default or Event of Default) as a condition to the making of any Limited Condition Acquisition or incurrence of Indebtedness in connection therewith, the determination of whether the relevant condition is satisfied may be made, at the election of the Borrower, at the time of (or on the basis of the financial statements for the most recently ended Test Period at the time of) either (x) the execution of the definitive agreement with respect to such Limited Condition Acquisition or (y) the consummation of the Limited Condition Acquisition and related incurrence of Indebtedness, in each case, after giving effect to the relevant Limited Condition Acquisition and related incurrence of Indebtedness, on a *pro forma* basis; provided that notwithstanding the foregoing, the absence of an Event of Default under Section 7.01(a) or (e) shall be a condition to the consummation of any such Limited Condition Acquisition and incurrence of Indebtedness. If the Borrower has made such an election to test at the time of the execution of the definitive agreement with respect to such Limited Condition Acquisition, then, in connection with any subsequent calculation of any ratio or test on or following the relevant determination date, and prior to the earlier of (x) the date on which such Limited Condition Acquisition is consummated or (y) the date that the definitive agreement for such Limited Condition Acquisition is terminated or expires without consummation of such Limited Condition Acquisition, any such ratio or test shall be calculated on (A) a *pro forma* basis assuming such Limited Condition Acquisition or any transactions in connection therewith (including any incurrence of Indebtedness, Liens and the use of proceeds thereof) has been consummated, and also on (B) a standalone basis without giving effect to such Limited Condition Acquisition and any such transactions in connection therewith. In addition, if the proceeds of an Incremental Commitment are to be used to finance a Limited Condition Acquisition, then at the option of the Borrower and subject to the agreement of the lenders providing such financing, the commitments in respect thereof may be subject to customary "SunGard" conditionality.

(e) Notwithstanding anything to the contrary herein, with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that does not require compliance with a financial ratio (any such amounts, the "Fixed Amounts") substantially concurrently with any such amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that requires compliance with a financial ratio (including Section 6.15 hereof, any Senior Secured Leverage Ratio test or any Leverage Ratio test) (any such amounts, the "Ratio-Based Amounts"), it is understood and agreed that the Fixed Amounts shall be disregarded in the calculation of the financial ratio or test applicable to any substantially concurrent utilization of the Ratio-Based Amounts;

provided that the foregoing shall not apply to Restricted Payments. Notwithstanding anything to the contrary herein, with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that requires compliance with a financial ratio or test, at all times prior to the first delivery of financial statements pursuant to Section 5.08(a) or (b), compliance shall be determined based on the *pro forma* consolidated financial statements of Holdings delivered pursuant to Section 3.01(j) hereof.

SECTION 1.08. Classification of Loans and Borrowings. For purposes of this Agreement, Loans may be classified and referred to by Class (e.g., a “Revolving Credit Loan”) or by Type (e.g., a “Eurocurrency Rate Loan”) or by Class and Type (e.g., a “Eurocurrency Rate Revolving Credit Loan”). Borrowings also may be classified and referred to by Class (e.g., a “Revolving Credit Borrowing”) or by Type (e.g., a “Eurocurrency Rate Borrowing”) or by Class and Type (e.g., a “Eurocurrency Rate Revolving Credit Borrowing”).

ARTICLE II

AMOUNTS AND TERMS OF THE ADVANCES AND LETTERS OF CREDIT

SECTION 2.01. The Loans and Letters of Credit. (a) The Term Loans. Subject to the terms and conditions set forth herein, each Term Lender severally (and not jointly) agrees to make a single loan to the Borrower on the Closing Date in Dollars in an amount not to exceed such Lender’s Term Commitment. Amounts borrowed in respect of the Term Loans and repaid or prepaid may not be reborrowed. The initial Term Borrowing shall consist of Term Loans made simultaneously by the Term Lenders in accordance with their respective initial Term Commitments.

(a) The Revolving Credit Loans. Each Revolving Credit Lender severally (and not jointly) agrees, on the terms and conditions hereinafter set forth, to make Revolving Credit Loans in Dollars to the Borrower from time to time on any Business Day during the period from the Closing Date until the Revolving Credit Facility Maturity Date in an amount not to exceed such Revolving Credit Lender’s Unused Revolving Credit Commitment; provided that in no event shall (x) the aggregate principal amount of Revolving Credit Loans made on the Closing Date (including any such advances used to finance the Transactions) exceed \$200,000,000 and (y) the aggregate principal amount of Revolving Credit Loans made on the Closing Date that are used to finance the Transactions exceed \$50,000,000. Each Revolving Credit Borrowing shall be in an amount not less than the Revolving Credit Borrowing Minimum or the Revolving Credit Borrowing Multiple in excess thereof and shall consist of Revolving Credit Loans of the same Type made on the same day by the Revolving Credit Lenders ratably according to their respective Revolving Credit Commitments. Within the limits of each Lender’s Revolving Credit Commitment, the Borrower may borrow under this Section 2.01(b), prepay pursuant to Section 2.10 and reborrow under this Section 2.01(b).

(b) Letters of Credit. (i) Each Issuing Bank agrees, on the terms and conditions hereinafter set forth, in reliance upon the agreements of the Revolving Credit Lenders set forth in this Agreement, to issue Letters of Credit (which shall not, unless otherwise agreed by the applicable Issuing Bank, be trade or commercial letters of credit) (each, a “Letter of Credit”) denominated in Dollars (or, subject to Section 1.05, any other currency) for the account of Holdings, the Borrower and the other Restricted Subsidiaries from time to time on any Business Day during the period from the Closing Date until 5 Business Days before the Revolving Credit Facility Maturity Date in an aggregate Stated Amount (i) for all Letters of Credit issued by each Issuing Bank not to exceed at any time the lesser of (x) the Letter of Credit Facility at such time and (y) such Issuing Bank’s Letter of Credit Commitment at such time, (ii) for each such Letter of Credit not to exceed an amount equal to the Unused Revolving Credit Commitments of the Lenders at such time and (iii) for all Letters of Credit issued by all Issuing Banks not to exceed at any time the Letter

of Credit Facility. Within the limits referred to above, the Borrower may from time to time request the issuance of Letters of Credit under this Section 2.01(c).

(i) No Letter of Credit shall have an expiration date (including all rights of the Borrower or the beneficiary to require renewal) later than the earlier of (x) 5 Business Days before the Revolving Credit Facility Maturity Date and (y) one year after the date of Issuance thereof (or such longer period agreed to by the applicable Issuing Bank in its sole discretion which in no event shall extend beyond the date referred to in clause (x) above), but may by its terms be renewable annually automatically or upon written notice (a “Notice of Renewal”) given to the applicable Issuing Bank and the Agent on or prior to any date for Notice of Renewal set forth in such Letter of Credit but in any event at least three Business Days prior to the date of the expiration of such Letter of Credit (or such shorter period as the Issuing Bank shall agree); provided, that the terms of each Letter of Credit that is automatically renewable annually (“Auto-Extension Letter of Credit”) shall permit the applicable Issuing Bank to prevent any such extension at least once in each 12-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the “Non-Extension Notice Date”) in each such 12-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the applicable Issuing Bank, the Borrower shall not be required to make a specific request to such Issuing Bank for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) the applicable Issuing Bank to permit the extension of such Letter of Credit at any time to an expiry date not later than five Business Days before the Revolving Credit Facility Maturity Date; provided, however, that such Issuing Bank shall not permit any such extension if (A) such Issuing Bank has reasonably determined that it would not be permitted, or would have no obligation, at such time to issue such Letter of Credit (as extended) under the terms hereof, or (B) it has received notice (which may be by telephone or in writing) on or before the day that is seven Business Days before the Non-Extension Notice Date from the Agent, any Lender or the Borrower that one or more of the applicable conditions specified in Section 3.02 is not then satisfied, and in each such case directing such Issuing Bank not to permit such extension.

(c) Each Lender having an Incremental Term Commitment, severally and not jointly, hereby agrees, subject to the terms and conditions and relying upon the representations and warranties set forth herein and in the applicable Incremental Assumption Agreement, to make Incremental Term Loans to the Borrower, in an aggregate principal amount not to exceed its Incremental Term Commitment. Amounts paid or prepaid in respect of Incremental Term Loans may not be reborrowed.

SECTION 2.02. Making the Loans. (a) Except as otherwise provided in Section 2.03(c), each Borrowing shall be made on notice, given not later than (x) noon (New York City time) on the third Business Day (in the case of the proposed Borrowing to be made on the Closing Date, 9:00 A.M. (New York City time) one Business Day (or such shorter period as is approved by the Agent)) prior to the date of the proposed Borrowing in the case of a Borrowing consisting of Eurocurrency Rate Loans or (y) noon (New York City time) on the date of the proposed Borrowing in the case of a Borrowing consisting of Base Rate Loans, by the Borrower to the Agent, which shall give to each Appropriate Lender prompt notice thereof by fax or e-mail. Each such notice of a Borrowing (a “Notice of Borrowing”) shall be by telephone, confirmed immediately in writing, or fax in substantially the form of Exhibit B hereto (or in such other form as may be acceptable to the Agent), specifying therein the requested (i) date and Facility of such Borrowing, (ii) Type of Loans comprising such Borrowing, (iii) aggregate amount of such Borrowing, and (iv) in the case of a Borrowing consisting of Eurocurrency Rate Loans, initial Interest Period. Each Appropriate Lender shall (1) before noon (New York City time) on the date of such Borrowing, in the case of a Borrowing consisting of Eurocurrency Rate Loans and (2) before 2:00 P.M. (New York City time) on the date of such Borrowing, in the case of a Borrowing consisting of Base Rate Loans, make available for the account of its Applicable

Lending Office to the Agent at the applicable Agent's Account, in same day funds, such Lender's ratable portion of such Borrowing. After the Agent's receipt of such funds and upon fulfillment of the applicable conditions set forth in Article III, the Agent will make such funds available to the Borrower at the Agent's address referred to in Section 9.02 or at the applicable Payment Office, as the case may be. Notwithstanding any other provision contained herein to the contrary, the last day of each Interest Period in effect with respect to each Revolving Credit Loan and Term Loan outstanding immediately prior to the First Amendment Restatement Date shall be deemed to be the First Amendment Restatement Date, and on the First Amendment Restatement Date, the Borrower shall pay interest on the unpaid principal amount of each Revolving Credit Loan or Term Loan that is accrued and unpaid through but excluding the First Amendment Restatement Date at the rate *per annum* applicable to such Interest Period under Section 2.07(a)(i) or 2.07(a)(ii), as applicable. Each Revolving Credit Loan or Term Loan outstanding as of the First Amendment Restatement Date will be deemed continued on the First Amendment Restatement Date as a Revolving Credit Loan or Term Loan, as applicable, with an initial Interest Period as set forth on the notice of continuation attached as Exhibit A to the First Amendment.

(a) Anything in subsection (a) above to the contrary notwithstanding, (i) the Borrower may not select Eurocurrency Rate Loans for any Borrowing if the aggregate amount of such Borrowing is less than the Borrowing Minimum or if the obligation of the Lenders to make Eurocurrency Rate Loans shall then be suspended pursuant to Section 2.08 or 2.12, and (ii) the Eurocurrency Rate Loans may not be outstanding as part of more than six separate Term Borrowings and ten separate Revolving Credit Borrowings.

(b) Each Notice of Borrowing shall be irrevocable and binding on the Borrower. In the case of any Borrowing that the related Notice of Borrowing specifies is to be comprised of Eurocurrency Rate Loans, the Borrower shall indemnify each Appropriate Lender against any loss, cost or expense incurred by such Lender as a result of any failure to fulfill on or before the date specified in such Notice of Borrowing for such Borrowing the applicable conditions set forth herein, including any loss (including loss of margin), cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender to fund the Loan to be made by such Lender as part of such Borrowing when such Loan, as a result of such failure, is not made on such date.

(c) Unless the Agent shall have received notice from an Appropriate Lender prior to the time of any Borrowing that such Lender will not make available to the Agent such Lender's ratable portion of such Borrowing, the Agent may assume that such Lender has made such portion available to the Agent on the date of such Borrowing in accordance with subsection (a) of this Section 2.02 and the Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have so made such ratable portion available to the Agent, such Lender and the Borrower severally agree to repay to the Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Agent, at (i) in the case of the Borrower, the higher of (A) the interest rate applicable at the time to the Loans comprising such Borrowing and (B) the cost of funds incurred by the Agent in respect of such amount and (ii) in the case of such Lender, the Federal Funds Rate. If such Lender shall repay to the Agent such corresponding amount, such amount so repaid shall constitute such Lender's Loan as part of such Borrowing for purposes of this Agreement.

(d) The obligations of the Lenders hereunder to make Loans and to make payments pursuant to Section 9.04(c) are several and not joint. The failure of any Appropriate Lender to make any Loan or to make any payment under Section 9.04(c) on any date required hereunder shall not relieve any other Appropriate Lender of its corresponding obligation to do so on such date and no Lender shall be responsible for the failure of any other Lender to make its Loan or to make its payment under Section 9.04(c).

SECTION 2.03. Issuance of and Drawings and Reimbursement Under Letters of Credit. (a) Request for Issuance. (i) Each Letter of Credit shall be issued upon notice, given not later than noon (New York City time) on the third Business Day prior to the date of the proposed Issuance of such Letter of Credit (or on such shorter notice as the applicable Issuing Bank may agree), by the Borrower to any Issuing Bank, and such Issuing Bank shall give the Agent, prompt notice thereof. Each such notice by the Borrower of an Issuance of a Letter of Credit (a "Notice of Issuance") shall, if required by the applicable Issuing Bank, be accompanied by a letter of credit application, appropriately completed and signed by a Responsible Officer (or designee thereof) of the Borrower and may be sent by fax, by United States mail, by overnight courier, by electronic transmission using the system provided by such Issuing Bank, by personal delivery or by any other means acceptable to such Issuing Bank, specifying therein the requested (A) date of such Issuance (which shall be a Business Day), (B) Stated Amount of such Letter of Credit, (C) expiration date of such Letter of Credit, (D) name and address of the beneficiary of such Letter of Credit and (E) form of such Letter of Credit. Each Letter of Credit shall be issued pursuant to such form of an application and agreement for issuance or amendment of a letter of credit as is used from time to time by such Issuing Bank (a "Letter of Credit Agreement"). If the requested form of such Letter of Credit is acceptable to such Issuing Bank in its reasonable discretion (it being understood and agreed that any such form shall have only explicit documentary conditions to draw and shall not include discretionary conditions), such Issuing Bank shall, unless such Issuing Bank has received written notice from any Lender or the Agent, at least one Business Day prior to the requested date of Issuance of the applicable Letter of Credit, that one or more applicable conditions contained in Section 3.02 shall not then be satisfied, then, subject to the terms and conditions hereof, on the requested date, Issue a Letter of Credit for the account of Holdings, the Borrower or the applicable Restricted Subsidiary, as applicable, in each case in accordance with such Issuing Bank's usual and customary business practices. Additionally, the Borrower shall furnish to the applicable Issuing Bank and the Agent such other documents and information pertaining to such requested Letter of Credit Issuance as such Issuing Bank or the Agent may reasonably require. In the event and to the extent that the provisions of any Letter of Credit Agreement shall conflict with this Agreement, the provisions of this Agreement shall govern. Notwithstanding anything to the contrary in this Agreement, the Issuing Banks may send a Letter of Credit or conduct any communication to or from the beneficiary of such Letter of Credit via the Society for Worldwide Interbank Financial Telecommunication message or overnight courier, or any other commercially reasonable means of communicating with a beneficiary.

(ii) The Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of non-compliance with the Borrower's instructions or other irregularity, the Borrower will immediately notify the applicable Issuing Bank. The Borrower shall be conclusively deemed to have waived any such claim against the applicable Issuing Bank and its correspondents unless such notice is given as aforesaid.

(a) Participations. By the Issuance of a Letter of Credit (including an amendment to a Letter of Credit increasing or decreasing the amount thereof) and without any further action on the part of the applicable Issuing Bank or the Revolving Credit Lenders, such Issuing Bank hereby grants to each Revolving Credit Lender, and each Revolving Credit Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Lender's Ratable Share of the Stated Amount of such Letter of Credit. The Borrower hereby agrees to each such participation. In consideration and in furtherance of the foregoing, each Revolving Credit Lender hereby absolutely and unconditionally agrees to pay in Dollars to the Agent, for the account of such Issuing Bank, such Lender's Ratable Share of each drawing (or the Ratable Share of the Equivalent in Dollars of any such drawing under a Letter of Credit denominated in a currency other than Dollars) made under a Letter of Credit funded by such Issuing Bank and not reimbursed by the Borrower on the date required under Section 2.03(c), or of any reimbursement payment thereafter required to be refunded to the Borrower for any reason, which amount will be advanced, and

deemed to be a Revolving Credit Loan to the Borrower hereunder, regardless of the satisfaction of the conditions set forth in Section 3.02. Each Revolving Credit Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Revolving Credit Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Revolving Credit Lender further acknowledges and agrees that its participation in each Letter of Credit will be automatically adjusted to reflect such Lender's Ratable Share of the Stated Amount of such Letter of Credit at each time such Lender's Revolving Credit Commitment is amended pursuant to an assignment in accordance with Section 9.07 or otherwise pursuant to this Agreement and at each time the Stated Amount of such Letter of Credit is adjusted in accordance with the terms hereof.

(b) Drawing and Reimbursement. (i) The payment by an Issuing Bank of a draft drawn under any Letter of Credit which is not reimbursed by the Borrower on the date made shall constitute for all purposes of this Agreement the making by any such Issuing Bank of a Revolving Credit Loan, which shall be a Base Rate Loan, in the amount of such draft (or the Equivalent in Dollars of any such draft for a Letter of Credit denominated in a currency other than Dollars), without regard to whether the making of such a Loan would exceed such Issuing Bank's Unused Revolving Credit Commitment. Each Issuing Bank shall give prompt notice of each drawing under any Letter of Credit issued by it to the Borrower and the Agent. The Borrower shall reimburse such Issuing Bank no later than 1:00 P.M. (New York City time) on the first Business Day following any such drawing, which reimbursement shall be through the Agent and (x) in Dollars (in the case of a drawing under a Letter of Credit denominated in Dollars) or (y) in the applicable currency (in the case of a drawing under a Letter of Credit denominated in a currency other than Dollars), unless in the case of this clause (y) such Issuing Bank (at its sole option) notifies the Borrower that it shall require reimbursement in Dollars (and the amount equal to the Equivalent in Dollars of the amount of such drawing), in which case such reimbursement shall be in Dollars. If the Borrower fails to so reimburse the applicable Issuing Bank by such time, the Agent shall promptly notify each Revolving Credit Lender of the amount of the unreimbursed drawing, and the amount of such Lender's Ratable Share in Dollars thereof (or Ratable Share of the Equivalent in Dollars of any such drawing under a Letter of Credit denominated in a currency other than Dollars). Each Revolving Credit Lender acknowledges and agrees that its obligation to make Revolving Credit Loans pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Revolving Credit Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Promptly after receipt thereof, the Agent shall transfer such funds to the applicable Issuing Bank. Each Revolving Credit Lender agrees to fund its Ratable Share in Dollars of an outstanding Revolving Credit Loan made by an Issuing Bank as aforesaid on (i) the Business Day on which demand therefor is made by such Issuing Bank; provided that notice of such demand is given not later than 1:00 P.M. (New York City time) on such Business Day, or (ii) the first Business Day next succeeding such demand if notice of such demand is given after such time. If and to the extent that any Revolving Credit Lender shall not have so made the amount of such Loan available to the applicable Issuing Bank, such Lender agrees to pay to the Agent forthwith on demand such amount (together with interest thereon for each day from the date of demand by any such Issuing Bank until the date such amount is paid to the Agent, at the higher of the Federal Funds Rate and a rate determined by such Issuing Bank in accordance with banking industry rules on interbank compensation). A certificate of an Issuing Bank submitted to any Revolving Credit Lender (through the Agent) with respect to any amounts owing under this Section 2.03(c) shall be conclusive absent manifest error. If such Lender shall pay to the Agent such amount for the account of any such Issuing Bank on any Business Day, such amount so paid in respect of principal shall constitute a Revolving Credit Loan made by such Lender on such Business Day for purposes of this Agreement, and

the outstanding principal amount of the Revolving Credit Loan made by such Issuing Bank shall be reduced by such amount on such Business Day.

(i) If any payment received by the Agent for the account of an Issuing Bank pursuant to Section 2.03(c)(i) is required to be returned because it is invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Issuing Bank in its discretion) to be repaid to a trustee, receiver or any other party in connection with any proceeding under any Debtor Relief Law or otherwise, each Revolving Credit Lender shall pay to the Agent for the account of such Issuing Bank its Ratable Share in Dollars thereof on demand of the Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate *per annum* equal to the greater of (1) the Federal Funds Rate and (2) an overnight rate determined by the Agent or such Issuing Bank, as the case may be, in accordance with banking industry rules on interbank compensation. The obligations of the Revolving Credit Lenders under this clause shall survive the payment in full of the obligations and the termination of this Agreement.

(c) Letter of Credit Reports. Each Issuing Bank shall furnish (i) to the Agent (with a copy to the Borrower), on the first Business Day of each week a written report summarizing Issuance and expiration dates of trade Letters of Credit issued by such Issuing Bank during the preceding week and drawings during such week under all trade Letters of Credit issued by such Issuing Bank, (ii) to the Agent (with a copy to the Borrower), on the first Business Day of each month a written report summarizing Issuance and expiration dates of Letters of Credit Issued by such Issuing Bank during the preceding month and drawings during such month under all Letters of Credit Issued by such Issuing Bank and (iii) to the Agent (with a copy to the Borrower), on the first Business Day of each calendar quarter a written report setting forth (A) the average daily aggregate Stated Amount and (B) the amount available to be drawn, in each case, during the preceding calendar quarter of all Letters of Credit Issued by such Issuing Bank. The Agent shall give to each Revolving Credit Lender prompt notice of each report delivered to it pursuant to this Section 2.03(d).

(d) Failure to Make Loans. The failure of any Revolving Credit Lender to make the Revolving Credit Loan to be made by it on the date specified in Section 2.03(c) shall not relieve any other Revolving Credit Lender of its obligation hereunder to make its Revolving Credit Loan on such date, but no Lender shall be responsible for the failure of any other Lender to make the Revolving Credit Loan to be made by such other Lender on such date.

(e) Applicability of ISP and UCP; Limitation of Liability. Unless otherwise expressly agreed by the Issuing Banks and the Borrower when a Letter of Credit is issued, (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the UCP shall apply to each trade Letter of Credit. Notwithstanding the foregoing, no Issuing Bank shall be responsible to the Borrower for, and no Issuing Bank's rights and remedies against the Borrower shall be impaired by, any action or inaction of such Issuing Bank required or permitted under any law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including any order of a jurisdiction where such Issuing Bank or the beneficiary is located, the practice stated in the ISP or UCP, as applicable, or in the decisions, opinions, practice statements or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade - International Financial Services Association (BAFT-IFSA), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.

(f) Letters of Credit Issued for Others. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, Holdings or a Restricted Subsidiary (other than the Borrower), the Borrower shall be obligated to reimburse the applicable Issuing

The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Holdings and the other Restricted Subsidiaries inures to the benefit of the Borrower, and that the Borrower's business derives substantial benefits from the businesses of Holdings and the other Restricted Subsidiaries.

The Borrower agrees to pay to the Agent for the account of each Revolving Credit Lender a commitment fee for the period from and including the Closing Date and until the Revolving Credit Facility Maturity Date, at a rate *per annum* equal to the Applicable Percentage (as in effect from time to time) of the aggregate daily amount of the Unused Revolving Credit Commitment of such Lender payable in arrears quarterly on the last day of each March, June, September and December, commencing September 30, 2016, and on the Revolving Credit Facility Maturity Date (in respect of the quarterly period (or portion thereof) then ending).

The Borrower shall have the right, upon at least three Business Days' notice to the Agent, to terminate in whole or permanently reduce ratably in part the unused Term Commitments (if any), Unused Revolving Credit Commitments or the Unissued Letter of Credit Commitments of the Lenders; provided that each partial reduction shall be in the aggregate amount of \$5,000,000 or an integral multiple of \$1,000,000 in excess thereof. (a) Letter of Credit Drawings. The obligations of the Borrower under any Letter of Credit Agreement and any other agreement or instrument relating to any Letter of Credit issued for the account of Holdings, the Borrower or any other Restricted Subsidiary shall be unconditional and irrevocable,

and shall be paid strictly in accordance with the terms of this Agreement, such Letter of Credit Agreement and such other agreement or instrument under all circumstances, including the following circumstances (it being understood and agreed that any such payment by the Borrower is without prejudice to, and does not constitute a waiver of, any rights the Borrower might have or might acquire as a result of the payment by the applicable Issuing Bank or any Revolving Credit Lender of any draft or the reimbursement by the Borrower thereof):

(ii) any lack of validity or enforceability of this Agreement, any Note, any Letter of Credit Agreement, any Letter of Credit or any other agreement or instrument relating thereto (all of the foregoing being, collectively, the "L/C Related Documents");

(iii) any change in the time, manner or place of payment of, or in any other term of, all or any of the obligations of Holdings, the Borrower or any other Restricted Subsidiary in respect of any L/C Related Document or any other amendment or waiver of or any consent to departure from all or any of the L/C Related Documents;

(v) any statement or any other document presented under a Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect;

(vi) payment by any Issuing Bank under a Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit;

(viii) waiver by any Issuing Bank of any requirement that exists for such Issuing Bank's protection and not the protection of Holdings, the Borrower or any other Restricted Subsidiary or any waiver by such Issuing Bank which does not in fact materially prejudice Holdings, the Borrower or any other Restricted Subsidiary;

(ix) honor of a demand for payment presented electronically even if such Letter of Credit requires that demand be in the form of a draft;

(x) any payment made by any Issuing Bank in respect of an otherwise complying item presented after the date specified as the expiration date of, or the date by which documents must be received under such Letter of Credit if presentation after such date is authorized by the UCC, the ISP or the UCP, as applicable; or

(xi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, Holdings, the Borrower or any other Restricted Subsidiary.

SECTION 2.07. Interest on Loans. (a) Scheduled Interest. Subject to Section 2.07(b), the Borrower shall pay interest on the unpaid principal amount of each Loan made to it and owing to each applicable Lender from the date of such Loan until such principal amount shall be paid in full, at the following rates *per annum*:

(iii) Eurocurrency Rate Loans. During such periods as such Loan is a Eurocurrency Rate Loan, a rate *per annum* equal at all times during each Interest Period for such Loan to the sum of (x) the Eurocurrency Rate for such Interest Period for such Loan plus (y) the Applicable Margin in effect from time to time for such Loan, payable in arrears on the last day of such Interest Period and, if such Interest Period has a duration of more than three months, on each day that occurs during such Interest Period every three months from the first day of such Interest Period and on the date such Eurocurrency Rate Loan shall be Converted or paid in full.

(b) Default Interest. Upon the occurrence and during the continuance of an Event of Default under Section 7.01(a), including as a result of the acceleration of the Loans pursuant to Section 7.01, the Borrower shall be required to pay interest (“Default Interest”) on (i) the overdue and unpaid principal amount of each Loan, payable in arrears on the dates referred to in clause (a)(i) or (a)(ii) of this Section 2.07 and on the demand of the Agent, at a rate *per annum* equal to 2% *per annum* above the rate *per annum* required to be paid on such Loan pursuant to clause (a)(i) or (a)(ii) of this Section 2.07, and (ii) to the fullest extent permitted by law, the amount of any interest, fee or any other amount payable hereunder that is not paid when due, from the date such amount was due until such amount shall be paid in full, payable in arrears on demand of the Agent, at a rate *per annum* equal to 2% *per annum* above the rate *per annum* required to be paid on Base Rate Loans pursuant to clause (a)(i) of this Section 2.07.

SECTION 2.08. Interest Rate Determination. (a) The Agent shall give prompt notice to the Borrower and the Lenders of the applicable interest rate determined by the Agent for purposes of Section 2.07(a)(i) or (ii).

(a) If, with respect to any Eurocurrency Rate Loans, the Required Revolving Credit Lenders or the Required Term Lenders, as applicable, notify the Agent that (i) they are unable to obtain matching deposits in the London interbank market at or about 11:00 A.M. (London time) on the second Business Day before the making of a Borrowing in sufficient amounts to fund their respective Loans as a part of such Borrowing during its Interest Period or (ii) the Eurocurrency Rate for any Interest Period for such Loans will not adequately reflect the cost to such Lenders of making, funding or maintaining their respective Eurocurrency Rate Loans for such Interest Period, the Agent shall forthwith so notify the Borrower and the Lenders, whereupon (A) the Borrower will, on the last day of the then existing Interest Period therefor, either (x) prepay such Eurocurrency Rate Loans or (y) Convert such Loans into Base Rate Loans and (B) the obligation of the Appropriate Lenders to make, or to Convert Loans into, Eurocurrency Rate Loans shall be suspended until the Agent shall notify the Borrower and the Lenders that the circumstances causing such suspension no longer exist.

(b) If the Borrower shall fail to select the duration of any Interest Period for any Eurocurrency Rate Loans in accordance with the provisions contained in the definition of “Interest Period” in Section 1.01, the Agent will forthwith so notify the Borrower and the Appropriate Lenders and such Loans will automatically, on the last day of the then existing Interest Period therefor, continue as Eurocurrency Rate Loans with an Interest Period of one month.

(c) [Reserved.]

(d) Upon the occurrence and during the continuance of any Event of Default under Section 7.01, (i) each Eurocurrency Rate Loan will, upon request of the Required Lenders to the Agent, on the last day of the then existing Interest Period therefor, be Converted into Base Rate Loans and (ii) the obligation of the Lenders to make, or to Convert Loans into, Eurocurrency Rate Loans shall, if so requested by the Required Lenders, be suspended.

(e) If no Screen Rate or Interpolated Screen Rate is available, then:

SECTION 2.09. Optional Conversion of Loans. The Borrower may on any Business Day, upon notice given to the Agent not later than 11:00 A.M. (New York City time) on the third Business Day prior to the date of the proposed Conversion and subject to the provisions of Sections 2.08 and 2.12, Convert all Loans of one Type comprising the same Borrowing into Loans of the other Type; provided, however, that any Conversion of Eurocurrency Rate Loans into Base Rate Loans shall be made only on the last day of an Interest Period for such Eurocurrency Rate Loans, any Conversion of Base Rate Loans into Eurocurrency Rate Loans shall be in an amount not less than the Borrowing Minimum and no Conversion of any Loans shall result in more separate Borrowings than permitted under Section 2.02(b). Each such notice of a Conversion shall, within the restrictions specified above, specify (i) the date of such Conversion, (ii) the Loans to be Converted, and (iii) if such Conversion is into Eurocurrency Rate Loans, the duration of the initial Interest Period for each such Loan. Each notice of Conversion shall be irrevocable and binding on the Borrower.

SECTION 2.10. Prepayments of Loans. (a) Optional. The Borrower may, upon notice at least three Business Days prior to the date of such prepayment, in the case of Eurocurrency Rate Loans, and not later than noon (New York City time) on the date of such prepayment, in the case of Base Rate Loans, to the Agent stating the proposed date and aggregate principal amount of the prepayment, and if such notice is given the Borrower shall (subject to the last sentence of this Section 2.10(a)), prepay the outstanding principal amount of the Loans comprising part of the same Borrowing in whole or ratably in part, together with accrued interest to the date of such prepayment on the principal amount prepaid; provided, however, that (x) each partial prepayment of Loans shall be in an aggregate principal amount of not less than the Borrowing Minimum or a Borrowing Multiple in excess thereof and (y) in the event of any such prepayment of a Eurocurrency Rate Loan, the Borrower shall be obligated to reimburse the Lenders in respect thereof pursuant to Section 9.04 (if applicable). Any prepayments pursuant to this Section 2.10(a) may be made with respect to one or more Facilities as may be determined by the Borrower and shall not be required to be made ratably across the Facilities. Any prepayment with respect to the Term Facility shall be applied to the remaining amortization payments thereunder as directed by the Borrower. Notwithstanding anything to the contrary contained in this Agreement, the Borrower may state that any notice of prepayment under this Section 2.10(a) is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Borrower (by written notice to the Agent on or prior to the specified effective date) if such condition is not satisfied.

(a) Mandatory. (i) If, on any date, the sum of (A) the aggregate principal amount of all Revolving Credit Loans plus (B) the aggregate Stated Amount of all Letters of Credit then outstanding exceeds the aggregate Revolving Credit Commitments of the Revolving Credit Lenders on such date, the Borrower shall, as soon as practicable and in any event within two Business Days after receipt of notice thereof from the Agent, prepay the outstanding principal amount of any Revolving Credit Loans owing by the Borrower in an aggregate amount sufficient to reduce such sum to an amount not to exceed 100% of the aggregate Revolving Credit Commitments of the Revolving Credit Lenders on such date; provided that if the Borrower has Cash Collateralized Letters of Credit in accordance with Section 2.20(a), the Stated Amount of the outstanding Letters of Credit shall be deemed to have been reduced by the amount of such Cash Collateral. The Agent shall give prompt notice of any prepayment required under this Section 2.10(b)(i) to the Borrower and the Revolving Credit Lenders, and shall provide prompt notice to the Borrower of any such notice of required prepayment received by it from any Revolving Credit Lender.

(i) Each prepayment of Loans made pursuant to this Section 2.10(b) shall be made together with any accrued and unpaid interest to the date of such prepayment on the principal amounts prepaid and, in the case of any prepayment of a Eurocurrency Rate Loan on a date other than the last day of an Interest Period or at its maturity, any additional amounts which the Borrower shall be obligated to reimburse to the Lenders in respect thereof pursuant to Section 9.04.

(ii) No later than three Business Days after the date on which the financial statements with respect to each fiscal year are required to be delivered pursuant to Section 5.08(b) (commencing with the fiscal year of Holdings ending on or about December 31, 2017), the Borrower shall (subject to Section 2.10(b)(ix) below) prepay outstanding Term Loans and Spinco Loans in accordance with Section 2.10(b)(vi) in an aggregate principal amount equal to the excess, if any, of (A) the Excess Cash Flow Percentage of Excess Cash Flow for such fiscal year then ended minus (B) any optional prepayments of Term Loans and any optional prepayments of the Revolving Credit Loans (but solely to the extent accompanied by a corresponding permanent reduction of the Revolving Credit Commitments) pursuant to Section 2.10(a) and Spinco Loans pursuant to Section 2.10(a) (or any comparable successor provision) of the Spinco Credit Agreement, in each case made during such fiscal year, or in the immediately following fiscal year but before the making of any prepayment required in respect of such fiscal year pursuant to this Section 2.10(b)(iii), but in each case only to the extent that (i) such prepayments do not occur in connection with a refinancing of all or any portion of such Term Loans, Revolving Credit Loans or Spinco Loans and (ii) such prepayment was not previously applied to reduce the amount of any prepayment required by this Section 2.10(b)(iii) in respect of a prior fiscal year.

(iii) In the event that Holdings or any of the Restricted Subsidiaries shall receive Net Cash Proceeds from the issuance or incurrence of (A) any Indebtedness for borrowed money of Holdings or any of the Restricted Subsidiaries (other than any cash proceeds from the issuance of Indebtedness for borrowed money permitted under each of this Agreement and the Spinco Credit Agreement), the Borrower shall, substantially simultaneously with (and in any event not later than the third Business Day next following) the receipt of such Net Cash Proceeds by Holdings or any such Restricted Subsidiary, apply an amount equal to 100% of such Net Cash Proceeds to prepay outstanding Term Loans and Spinco Loans in accordance with Section 2.10(b)(vi) or (B) any Refinancing Notes, any Specified Refinancing Term Loans, any Specified Refinancing Revolving Loans or any Refinancing Junior Loans, the Borrower shall prepay an aggregate principal amount of the Class of Term Loans and/or Revolving Credit Loans refinanced in such issuance or incurrence by an amount equal to 100% of such Net Cash Proceeds immediately upon receipt thereof by the Borrower or such Restricted Subsidiary.

(iv) Not later than the third Business Day following the receipt of Net Cash Proceeds in respect of any Asset Sale, which proceeds are in excess of \$7,500,000 in a single transaction or series of related transactions, the Borrower shall (subject to Section 2.10(b)(ix) below) apply 100% of the Net Cash Proceeds received with respect thereto (the "Subject Proceeds") to prepay outstanding Term Loans and Spinco Loans in accordance with Section 2.10(b)(vi) (collectively, the "Subject Loans"), and if, at the time that any such prepayment would be required hereunder, the Borrower or any of the Restricted Subsidiaries is required (pursuant to the terms of the documentation governing such other Indebtedness) to repay or repurchase any other Indebtedness (or offer to repay or repurchase such Indebtedness) that is secured pursuant to an intercreditor agreement on a *pari passu* basis with the Loan Document Obligations with the Subject Proceeds (such Indebtedness required to be so repaid or repurchased (or offered to be repaid or repurchased), the "Other Applicable Indebtedness"), then the relevant Person may apply the Subject Proceeds on a *pro rata* basis to the prepayment of the Subject Loans and to the repurchase or repayment of the Other Applicable Indebtedness (determined on the basis of the aggregate outstanding principal amount of the Subject Loans and the Other Applicable Indebtedness (or accreted amount if such Other Applicable Indebtedness is issued

with original issue discount) at such time; it being understood that (1) subject to the foregoing, the portion of the Subject Proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of the Subject Proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of the Subject Proceeds shall be allocated to the Subject Loans in accordance with the terms hereof, and the amount of the prepayment of the Subject Loans that would have otherwise been required pursuant to this Section 2.10(b)(v) shall be reduced accordingly and (2) to the extent the holders of the Other Applicable Indebtedness decline to have such Indebtedness prepaid or repurchased, the declined amount shall promptly (and in any event within three Business Days after the date of such rejection) be applied to repay the Subject Loans in accordance with the terms hereof. Notwithstanding the foregoing, any prepayments otherwise required to be made pursuant to the above provisions of this clause (v) shall not be required to be made in respect of the first \$100,000,000 of Net Cash Proceeds received by the Borrower in respect of Asset Sales after the Closing Date; provided that this sentence shall not apply with respect to any Net Cash Proceeds received by the Borrower in respect an Asset Sale if all or any portion thereof are applied to repay or repurchase any Spinco Loans and/or any Other Applicable Indebtedness.

(v) Mandatory prepayments of outstanding Term Loans under this Section 2.10(b) (other than Section 2.10(b)(iv)(B)) shall be (A) allocated as among the Term Loans and Spinco Loans, *pro rata*, based upon the then outstanding principal amounts of the Term Loans and Spinco Loans, and (B) in the case of Term Loans, shall be applied *pro rata* to the remaining scheduled installments of principal due in respect of the Term Loans under Section 2.06(c).

(vi) The Borrower shall deliver to the Agent, at the time of each prepayment required under Sections 2.10(b)(iii), (iv) and (v) above, (i) a certificate signed by a Financial Officer of Holdings setting forth in reasonable detail the calculation of the amount of such prepayment (the "Prepayment Amount") and (ii) at least three Business Days' prior written notice of such prepayment. Each notice of prepayment shall specify the prepayment date (the "Prepayment Date"), the Type of each Loan being prepaid and the principal amount of each Loan (or portion thereof) to be prepaid. The Agent shall promptly advise the Appropriate Lenders of any notice given (and the contents thereof) pursuant to this Section 2.10(b).

(vii) With respect to any prepayment of Term Loans pursuant to Section 2.10(b)(iii) or (v) the Borrower may elect, at its option, to allow the Term Lenders to decline to accept the applicable prepayment. In addition to the notice requirements in Section 2.10(b)(vii), each such notice of any event giving rise to a prepayment under Section 2.10(b)(iii) or (v) shall also specify whether or not the Borrower has elected to give the Term Lenders the option to decline such prepayment. If the Borrower has elected to allow the Term Lenders to decline to accept such prepayment, any Appropriate Lender may decline to accept all (but not less than all) of its share of any such prepayment (any such Lender, a "Declining Lender") by providing written notice to the Agent no later than one Business Day after the date of such Appropriate Lender's receipt of notice from the Agent regarding such prepayment. If any Appropriate Lender does not give a notice to the Agent on or prior to such date informing the Agent that it declines to accept the applicable prepayment, then such Lender will be deemed to have accepted such prepayment. On any Prepayment Date, an amount equal to the Prepayment Amount minus the portion thereof allocable to Declining Lenders, in each case for such Prepayment Date, shall be paid to the Agent by the Borrower and applied by the Agent in accordance with Section 2.10(b)(vi) (other than Term Loans owing to Declining Lenders). Any amounts that would otherwise have been applied to repay Term Loans owing to Declining Lenders shall be retained by the Borrower (such amounts, "Declined Leidos Amounts" and together with any Declined Spinco Amounts (as defined in the Spinco Credit Agreement), "Declined Amounts").

(viii) Notwithstanding any other provisions of this Section 2.10(b), to the extent that any or all of the Net Cash Proceeds of any Asset Sale by a Foreign Subsidiary (a "Foreign Disposition") gives

rise to a prepayment event pursuant to Section 2.10(b)(v), or Excess Cash Flow giving rise to a prepayment event pursuant to Section 2.10(b)(iii) (solely to the extent related to Excess Cash Flow generated by Foreign Subsidiaries), are or is prohibited, restricted or delayed by applicable local law from being repatriated to the United States, (A) the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to prepay Term Loans at the times provided in this Section 2.10(b) but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (and Holdings and the Borrower hereby agree to use commercially reasonable efforts to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable local law, such repatriation will be immediately effected and such repatriated Net Cash Proceeds or Excess Cash Flow will be promptly (and in any event not later than two Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to this Section 2.10(b) to the extent provided herein and (B) to the extent that Holdings and the Borrower have determined in good faith (and after use of commercially reasonable efforts to mitigate any such material adverse tax cost consequences) that repatriation of any or all of the Net Cash Proceeds of any Foreign Disposition, or Excess Cash Flow (solely to the extent related to Excess Cash Flow generated by Foreign Subsidiaries) would have a material adverse tax cost consequence with respect to such Net Cash Proceeds or Excess Cash Flow, the Net Cash Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary; provided that, in the case of this clause (B), on or before the date on which any Net Cash Proceeds or Excess Cash Flow so retained would otherwise have been required to be applied to prepayments pursuant to this Section 2.10(b), (x) the Borrowers shall apply an amount equal to such Net Cash Proceeds or Excess Cash Flow to such prepayments as if such Net Cash Proceeds or Excess Cash Flow had been received by the Borrower rather than such Foreign Subsidiary, less the amount of additional taxes that would have been payable or reserved against if such Net Cash Proceeds or Excess Cash Flow had been repatriated or (y) such Net Cash Proceeds or Excess Cash Flow are applied to the repayment of Indebtedness of a Foreign Subsidiary.

SECTION 2.11. Increased Costs. (a) If any Change in Law shall:

(ii) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the Eurocurrency Rate);

(iii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iv) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement, Loans or Eurocurrency Rate Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to reduce the amount of any sum received or receivable by such Lender or other Recipient hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or other Recipient, the Borrower will pay to such Lender or other Recipient, as the case may be, such additional amount or

amounts as will compensate such Lender or other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Adequacy. If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's Parent Company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's Parent Company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by such Lender to a level below that which such Lender or such Lender's Parent Company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's Parent Company with respect to capital adequacy or liquidity), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's Parent Company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its Parent Company as specified in paragraph (a) or (b) of this Section 2.11 and delivered to the Borrower, shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.11 shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.11 for any increased costs incurred or reductions suffered more than six months prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions, and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the six-month period referred to above shall be extended to include the period of retroactive effect thereof).

SECTION 2.12. Illegality. Notwithstanding any other provision of this Agreement, if any Lender under any Facility shall notify the Agent that the introduction of or any change in or in the interpretation of any law or regulation makes it unlawful, or any central bank or other Governmental Authority asserts that it is unlawful, for any Lender or its Eurocurrency Lending Office to perform its obligations hereunder to make Eurocurrency Rate Loans or to fund or maintain Eurocurrency Rate Loans, (a) each Eurocurrency Rate Loan will automatically, upon such demand, be Converted into a Base Rate Loan and (b) the obligation of the Appropriate Lenders to make Eurocurrency Rate Loans or to Convert Loans into Eurocurrency Rate Loans shall be suspended until the Agent shall notify the Borrower and the Appropriate Lenders that the circumstances causing such suspension no longer exist.

SECTION 2.13. Payments and Computations. (a) The Borrower shall make each payment hereunder, irrespective of any right of counterclaim or set-off, not later than 1:00 P.M. (New York City time) on the day when due in Dollars (or, in the case of reimbursement of a draft drawn under a Letter of Credit, in accordance with and in the currency required under Section 2.03(c)) to the Agent at the applicable Agent's Account in same day funds. The Agent will promptly thereafter cause to be distributed like funds relating to the payment of principal or interest, fees or commissions ratably (other than amounts payable pursuant to Section 2.04(b)(ii), 2.04(c), 2.11, 2.14 or 9.04) to the applicable Lenders for the account of their respective Applicable Lending Offices, and like funds relating to the payment of any other amount payable to any Lender to such Lender for the account of its Applicable Lending Office, in each case to be applied in accordance with the terms of this Agreement. Upon its acceptance of an Assignment and Assumption and recording of the information contained therein in the Register pursuant to Section 9.07(c), from and after the effective date specified in such Assignment and Assumption, the Agent shall make all payments hereunder

and under the Notes in respect of the interest assigned thereby to the Lender assignee thereunder, and the parties to such Assignment and Assumption shall make all appropriate adjustments in such payments for periods prior to such effective date directly between themselves.

(a) [Reserved.]

(b) All computations of interest based on Citibank's base rate shall be made by the Agent on the basis of a year of 365 or 366 days, as the case may be, and all computations of interest based on the Eurocurrency Rate, the Federal Funds Rate or One Month LIBOR and of fees and Letter of Credit fees shall be made by the Agent on the basis of a year of 360 days, in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest, fees or commissions are payable. Each determination by the Agent of an interest rate hereunder shall be conclusive and binding for all purposes, absent manifest error.

(c) Whenever any payment hereunder or under the Notes shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest, fee or commission, as the case may be; provided, however, that, if such extension would cause payment of interest on or principal of Eurocurrency Rate Loans to be made in the next following calendar month, such payment shall be made on the next preceding Business Day.

(d) Unless the Agent shall have received notice from the Borrower prior to the date on which any payment is due to any Lender hereunder that the Borrower will not make such payment in full, the Agent may assume that the Borrower has made such payment in full to the Agent on such date and the Agent may, in reliance upon such assumption, cause to be distributed to each applicable Lender on such due date an amount equal to the amount then due such Lender. If and to the extent the Borrower shall not have so made such payment in full to the Agent, each applicable Lender shall repay to the Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Agent, at the Federal Funds Rate.

SECTION 2.14. Taxes. (a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.14) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(a) Payment of Other Taxes by the Loan Parties. The Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Agent timely reimburse it for the payment of, any Other Taxes.

(b) Indemnification by the Loan Parties. The Loan Parties shall indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.14) payable

or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Agent), or by the Agent on its own behalf or on behalf of a Lender, setting forth in reasonable detail the calculation of the amount being requested, shall be conclusive absent manifest error.

(c) Indemnification by the Lenders. Each Lender shall severally indemnify the Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.07(d) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Agent to the Lender from any other source against any amount due to the Agent under this paragraph (d).

(d) Evidence of Payments. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.14, such Loan Party shall deliver to the Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Agent.

(e) Status of Recipients. (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Agent, at the time or times reasonably requested by the Borrower or the Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Agent as will enable the Borrower or the Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation by any Lender (other than such documentation set forth in Sections 2.14(f)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(i) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Agent), whichever of the following is applicable:

(i) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(ii) executed originals of IRS Form W-8ECI;

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit D-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable; or

(iv) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-2 or Exhibit D-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-4 on behalf of each such direct or indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply

with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Agent as may be necessary for the Borrower and the Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

The Agent and each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Agent in writing of its legal inability to do so.

(f) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.14 (including by the payment of additional amounts pursuant to this Section 2.14), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.14 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(g) Survival. Each party's obligations under this Section 2.14 shall survive the resignation or replacement of the Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(h) Interpretation. For purposes of this Section 2.14, the term "applicable law" includes FATCA.

SECTION 2.15. Sharing of Payments, Etc. If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or other obligations hereunder resulting in such Lender receiving payment of a proportion of the aggregate amount of its Loans and accrued interest thereon or other such obligations greater than its *pro rata* share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans and such other obligations

of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them; provided that:

(ii) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(iii) the provisions of this paragraph shall not be construed to apply to (x) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender), or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in L/C Obligations to any assignee or participant, other than to the Borrower or any Subsidiary thereof (as to which the provisions of this paragraph shall apply).

Each of Holdings and the Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against Holdings and the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of Holdings and the Borrower in the amount of such participation.

SECTION 2.16. Evidence of Debt. (a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan owing to such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder in respect of Loans. The Borrower agrees that upon notice by any Lender to the Borrower (with a copy of such notice to the Agent) to the effect that a Note is required or appropriate in order for such Lender to evidence (whether for purposes of pledge, enforcement or otherwise) the Loans owing to, or to be made by, such Lender, the Borrower shall promptly execute and deliver to such Lender a Note payable to such Lender (or its registered assigns) in a principal amount up to (x) in the case of a Term Note, the sum of the then-applicable Commitment of such Lender and the applicable Loans owing to such Lender and (y) in the case of a Revolving Credit Note, the applicable Commitment of such Lender.

(a) The Register maintained by the Agent pursuant to Section 9.07(c) shall include a control account, and a subsidiary account for each Lender, in which accounts (taken together) shall be recorded (i) the date and amount of each Borrowing made hereunder, the Type of Loans comprising such Borrowing and, if appropriate, the Interest Period applicable thereto, (ii) the terms of each Assignment and Assumption delivered to and accepted by it, (iii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iv) the amount of any sum received by the Agent from the Borrower hereunder and each Lender's share thereof.

(b) Entries made in good faith by each Lender in its account or accounts pursuant to section (a) above shall be *prima facie* evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to such Lender under this Agreement, absent manifest error; provided, however, that the failure of such Lender to make an entry, or any finding that an entry is incorrect, in such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement; and provided, further, that in the event of any conflict between the Register and the Lender's account or accounts, the Register shall govern.

SECTION 2.17. Use of Proceeds.

(a) Revolving Credit Loans. Subject to Section 5.09, the proceeds of the Revolving Credit Loans shall be available (and the Borrower agrees that it shall use such proceeds) solely for working capital and general corporate purposes of Holdings and the Restricted Subsidiaries; provided that Revolving Credit Loans made on the Closing Date in an aggregate principal amount not to exceed \$50,000,000 may be used to finance the Transactions.

(b) Subject to Section 5.09, the proceeds of the Term Loans made on the Closing Date shall be available (and the Borrower agrees that it shall use such proceeds) solely to finance the Transactions.

SECTION 2.18. Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 2.11, or requires the Borrower to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.14, then such Lender shall (at the request of the Borrower) use reasonable efforts to designate a different Applicable Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.11 or 2.14, as the case may be, in the future, and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 2.11, or if the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.14 and, in each case, such Lender has declined or is unable to designate a different Applicable Lending Office in accordance with Section 2.18(a), or if any Lender is a Defaulting Lender or a Non-Approving Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 9.07), all of its interests, rights (other than its existing rights to payments pursuant to Section 2.11 or Section 2.14) and obligations under this Agreement and the related Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that:

(i) the Borrower shall have paid to the Agent the assignment fee (if any) specified in Section 9.07;

(ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in Letters of Credit (if any), accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 9.04(f)) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(iii) in the case of any such assignment resulting from a claim for compensation under Section 2.11 or payments required to be made pursuant to Section 2.14, such assignment will result in a reduction in such compensation or payments thereafter;

(iv) such assignment does not conflict with applicable law; and

(v) in the case of any assignment resulting from a Lender becoming a Non-Approving Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent.

(c) A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

SECTION 2.19. Cash Collateral. At any time that there shall exist a Defaulting Lender under the Revolving Credit Facility, within two Business Days following the written request of the Agent or any Issuing Bank (with a copy to the Agent) the Borrower shall Cash Collateralize the Issuing Banks' Fronting Exposure with respect to such Defaulting Lender (determined after giving effect to any reallocation pursuant to Section 2.20(a) and any Cash Collateral provided by such Defaulting Lender) in an amount not less than the Minimum Collateral Amount.

(a) Grant of Security Interest. The Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to the Agent, for the benefit of the Issuing Banks, and agrees to maintain, a first priority security interest in all such Cash Collateral as security for the Defaulting Lenders' obligation to fund participations in respect of L/C Obligations, to be applied pursuant to clause (b) below. If at any time the Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Agent and the Issuing Banks as herein provided or that the total amount of such Cash Collateral is less than the Minimum Collateral Amount, the Borrower will, promptly upon demand by the Agent, pay or provide to the Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (after giving effect to any Cash Collateral provided by the Defaulting Lender).

(b) Application. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under this Section 2.19 or Section 2.20 in respect of Letters of Credit shall be applied to the satisfaction of the Defaulting Lender's obligation to fund participations in respect of L/C Obligations (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

(c) Termination of Requirement. Cash Collateral (or the appropriate portion thereof) provided to reduce any Issuing Bank's Fronting Exposure shall no longer be required to be held as Cash Collateral pursuant to this Section 2.19 following (i) the elimination of the applicable Fronting Exposure (including by the termination of Defaulting Lender status of the applicable Lender), or (ii) the determination by the Agent and each Issuing Bank that there exists excess Cash Collateral; provided that, subject to Section 2.20, the Person providing Cash Collateral and each Issuing Bank may agree that Cash Collateral shall be held to support future anticipated Fronting Exposure or other obligations.

SECTION 2.20. Defaulting Lenders.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(ii) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Required Lenders.

(iii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise) or received by the Agent from a Defaulting Lender pursuant to Section 9.05 shall be applied at such time or times as may be determined by the Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Agent hereunder; second, to the payment on a *pro rata* basis of any amounts owing by such Defaulting Lender to any Issuing Bank hereunder; third, to Cash Collateralize the Issuing Banks' Fronting Exposure with respect to such Defaulting Lender in accordance with Section 2.19; fourth, as the Borrower may request (so long as no Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Agent; fifth, if so determined by the Agent and the Borrower, to be held in a deposit account and released *pro rata* in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize the Issuing Banks' future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.19; sixth, to the payment of any amounts owing to the Lenders or the Issuing Banks as a result of any judgment of a court of competent jurisdiction obtained by any Lender or the Issuing Banks against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; seventh, so long as no Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or L/C Obligations in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 3.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Obligations owed to, all Non-Defaulting Lenders on a *pro rata* basis prior to being applied to the payment of any Loans of, or L/C Obligations owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in L/C Obligations are held by the applicable Lenders *pro rata* in accordance with the Commitments under the applicable Facility without giving effect to Section 2.20(a)(iv). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.20(a)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iv) Certain Fees. (A) No Defaulting Lender under the Revolving Credit Facility shall be entitled to receive a commitment fee pursuant to Section 2.04(a) for any period during which such Lender is a Defaulting Lender.

(A) Each Defaulting Lender under the Revolving Credit Facility shall be entitled to receive letter of credit fees for any period during which such Lender is a Defaulting Lender only to the extent allocable to its Ratable Share of the Stated Amount of Letters of Credit for which it has provided Cash Collateral pursuant to Section 2.19.

(B) With respect to any commitment fee or letter of credit fee not required to be paid to any Defaulting Lender pursuant to clause (A) or (B) above, the Borrower shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in L/C Obligations that has been

reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (y) pay to each Issuing Bank the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such Issuing Bank's Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(v) Reallocation of Participations to Reduce Fronting Exposure. All or any part of a Defaulting Lender's participation in L/C Obligations shall be reallocated among the Non-Defaulting Lenders under the Revolving Credit Facility in accordance with their respective Ratable Shares under the Revolving Credit Facility (calculated without regard to such Defaulting Lender's Revolving Credit Commitment) but only to the extent that (x) the conditions set forth in Section 3.02 are satisfied at the time of such reallocation (and, unless the Borrower shall have otherwise notified the Agent at such time, the Borrower shall be deemed to have represented and warranted that such conditions are satisfied at such time), and (y) such reallocation does not cause the aggregate Revolving Credit Exposure of any Non-Defaulting Lender under the Revolving Credit Facility to exceed such Non-Defaulting Lender's Revolving Credit Commitment. Subject to Section 9.19, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(vi) Cash Collateral. If and for so long as the reallocation described in clause (iv) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under law, Cash Collateralize the Issuing Banks' Fronting Exposure in accordance with the procedures set forth in Section 2.19.

(b) Defaulting Lender Cure. If the Borrower, the Agent and each Issuing Bank agree in writing that a Lender is no longer a Defaulting Lender, the Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders under the applicable Facility or take such other actions as the Agent may determine to be necessary to cause the Loans under the applicable Facility and funded and unfunded participations in Letters of Credit to be held *pro rata* by the Appropriate Lenders in accordance with the Commitments under the applicable Facility (without giving effect to Section 2.20(a)(iv)), whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Non-Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(c) New Letters of Credit. So long as any Revolving Credit Lender is a Defaulting Lender, no Issuing Bank shall be required to Issue or increase any Letter of Credit unless (i) it is satisfied that the related Fronting Exposure will be 100% covered by the Revolving Credit Commitments of the Non-Defaulting Lenders (including by allocating participating interests in any such newly issued or increased Letter of Credit among Non-Defaulting Lenders in a manner consistent with Section 2.20(a)(iv) (and Defaulting Lenders shall not participate therein)) or (ii) Cash Collateral will be provided by the Borrower in accordance with Section 2.19.

SECTION 2.21. Specified Refinancing Debt.

(a) The Borrower may, from time to time, add one or more new term loan facilities and new revolving credit facilities to the Agreement (“Specified Refinancing Debt”) pursuant to procedures reasonably specified by the Agent and reasonably acceptable to the Borrower, to refinance (i) all or any portion of any Class of Term Loans then outstanding under this Agreement and (ii) all or any portion of any Class of Revolving Credit Loans (and the unused Revolving Credit Commitments with respect to such Class of Revolving Credit Loans) then in effect under this Agreement, in each case pursuant to a Refinancing Amendment (it being agreed that in no event shall more than two Classes of Revolving Credit Commitments be outstanding at any time under this Agreement); provided that such Specified Refinancing Debt: (i) shall rank *pari passu* in right of payment with the other Obligations and Commitments hereunder; (ii) will not have obligors or contingent obligors that were not obligors or contingent obligors in respect of the Facilities; (iii) will be (x) unsecured or (y) other than during a Lien Suspension Period, secured by the Collateral on a *pari passu* basis with the Obligations (or on a junior lien basis pursuant to a Market Intercreditor Agreement that is reasonably satisfactory to the Agent); (iv) shall have such pricing and optional prepayment terms as may be agreed by the Borrower and the applicable Lenders thereof (and for the avoidance of doubt, clause (1)(B) of the proviso to Section 2.23(b) shall not apply); (v)(x) to the extent constituting revolving credit facilities, will not have a maturity date (or have mandatory commitment reductions or amortization) that is prior to the Revolving Credit Facility Maturity Date of the Revolving Credit Commitment being refinanced and (y) to the extent constituting Term Facilities, will have a maturity date that is not prior to the date that is the scheduled maturity date of, and will have a Weighted Average Life to Maturity that is not shorter than the Weighted Average Life to Maturity of, the Loans being refinanced; (vi) any Specified Refinancing Term Loans shall share ratably in any prepayments of Term Loans pursuant to Section 2.10(b) (or otherwise provide for more favorable prepayment treatment for the then outstanding Classes of Term Loans other than Specified Refinancing Term Loans); (vii) each Revolving Credit Borrowing (including any deemed Revolving Credit Borrowings made pursuant to Section 2.03) shall be allocated *pro rata* among the Classes of Revolving Credit Commitments (it being agreed that, notwithstanding the foregoing, the Agent may, in its reasonable discretion, take such actions as it deems advisable to allocate Letters of Credit and participations therein between any revolving credit facilities); (viii) subject to clauses (iv), (v) and (vi) above, will have terms and conditions (other than pricing and optional prepayment and optional redemption terms) that are either (x) substantially similar to, or (when taken as a whole) no more favorable to the lenders providing such Specified Refinancing Debt than, those applicable to the Loans or Commitments being refinanced (except for covenants or other provisions applicable only to periods after the Latest Maturity Date) or (y) customary for similar types of Indebtedness in light of then-prevailing market conditions; provided that a certificate of a Responsible Officer of the Borrower delivered to the Agent at least five (5) Business Days prior to the incurrence of such Specified Refinancing Debt, together with a reasonably detailed description of material terms and conditions of such Specified Refinancing Debt or drafts of the documentation related thereto, stating that the Borrower has determined in good faith that such terms and conditions satisfy the foregoing requirement in this clause (viii) shall be conclusive evidence that such terms and conditions satisfy the foregoing requirements unless the Agent notifies the Borrower within such five (5) Business Day period that it disagrees with such determination (including a reasonable description of the basis upon which it disagrees); and (ix) the Net Cash Proceeds of such Specified Refinancing Debt shall be applied, substantially concurrently with the incurrence thereof, to the *pro rata* prepayment of outstanding Loans being so refinanced, in each case pursuant to Section 2.05 and 2.10, as applicable; provided, however, that such Specified Refinancing Debt (x) may provide for any additional or different financial or other covenants or other provisions that are agreed among the Borrower and the lenders thereof and applicable only during periods after the Latest Maturity Date of any of the Loans (and Commitments) that remain outstanding after giving effect to such Specified Refinancing Debt or the date on which all non-refinanced Obligations are paid in full and (y) shall not have a principal or commitment amount (or accreted value) greater than the Loans being refinanced (plus accrued interest,

fees (including original issue discount and upfront fees), discounts, premiums or expenses payable in connection therewith).

(b) The Borrower shall make any request for Specified Refinancing Debt pursuant to a written notice to the Agent specifying in reasonable detail the proposed terms thereof. Any proposed Specified Refinancing Debt may be provided by existing Lenders (it being understood that existing Lenders have no obligation to provide such proposed Specified Refinancing Debt) or, subject to the approval of the Agent and, with respect to Revolving Credit Commitments, the Issuing Banks (in each case, which approval shall not be unreasonably withheld, conditioned or delayed), Eligible Assignees in such respective amounts as the Borrower may elect.

(c) The effectiveness of any Refinancing Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in clause (a) above and Section 3.02, and, to the extent reasonably requested by the Agent, receipt by the Agent of legal opinions, board resolutions, officers' certificates and/or reaffirmation agreements, including any supplements or amendments to the Security and Guarantee Documents providing for such Specified Refinancing Debt to be secured thereby (if permitted), consistent, where applicable, with those delivered on the Closing Date under Section 3.01 (other than changes to such legal opinions resulting from a Change in Law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Agent). The Lenders hereby authorize the Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrower as may be necessary in order to establish any Specified Refinancing Debt and to make such technical amendments as may be necessary or appropriate in the reasonable opinion of the Agent and the Borrower in connection with the establishment of such Specified Refinancing Debt, in each case on terms consistent with and/or to effect the provisions of this Section 2.21.

(d) Each Class of Specified Refinancing Debt incurred under this Section 2.21 shall be in an aggregate principal amount that is not less than \$5,000,000 and in \$1,000,000 increments in excess thereof.

The Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Specified Refinancing Debt incurred pursuant thereto (including the addition of such Specified Refinancing Debt as separate facilities hereunder and treated in a manner consistent with the Facilities being refinanced, including for purposes of prepayments and voting). Any Refinancing Amendment may, without the consent of any Person other than the Borrower, the Agent and the Lenders providing such Specified Refinancing Debt, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Agent and the Borrower, to effect the provisions of or be consistent with this Section 2.21. In addition, in the case of Specified Refinancing Debt in the form of a new revolving credit facility, if so provided in the relevant Refinancing Amendment and with the consent of each Issuing Bank, participation in Letters of Credit shall be reallocated from Lenders holding the Revolving Credit Commitments being refinanced to Lenders that will hold such Specified Refinancing Debt in accordance with the terms of such Refinancing Amendment; provided, however, that such participation interests shall, upon the effectiveness of the Revolving Credit Commitments under such Specified Refinancing Debt, be deemed to be participation interests in respect of such refinancing Revolving Credit Commitments and held by the Lenders thereunder and the terms of such participation interests (including the fees applicable thereto) shall be adjusted accordingly.

SECTION 2.22. Extension of Term Loans; Extension of Revolving Loans.

(a) Extension of Term Loans. The Borrower may, at any time and from time to time, request that all or a portion of the Term Loans of a given Class (each, an “Existing Term Loan Tranche”) be amended to extend the scheduled maturity date(s) with respect to all or a portion of any principal amount of such Term Loans (any such Term Loans which have been so amended, “Extended Term Loans”) and to provide for other terms consistent with this Section 2.22. In order to establish any Extended Term Loans, the Borrower shall provide a notice to the Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Term Loan Tranche) (each, a “Term Loan Extension Request”) setting forth the proposed terms of the Extended Term Loans to be established, which shall (x) be identical as offered to each Lender under such Existing Term Loan Tranche (including as to the proposed interest rates and fees payable) and offered *pro rata* to each Lender under such Existing Term Loan Tranche and (y) be identical in all material respects to the Term Loans under the Existing Term Loan Tranche from which such Extended Term Loans are to be amended, except that: (i) all or any of the scheduled amortization payments, if any, of all or a portion of any principal amount of the Extended Term Loans may be delayed to later dates than the scheduled amortization payments, if any, of principal of the Term Loans of such Existing Term Loan Tranche, to the extent provided in the applicable Extension Amendment; (ii)(A) the interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, funding discounts, original issue discounts and voluntary prepayment terms and premiums with respect to the Extended Term Loans may be different than those for the Term Loans of such Existing Term Loan Tranche and/or (B) additional fees and/or premiums may be payable to the Lenders providing such Extended Term Loans in addition to any of the item contemplated by the preceding clause (A), in each case, to the extent provided in the applicable Extension Amendment; (iii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date of Term Loans that is in effect on the closing date of the Extension Amendment (immediately prior to the establishment of such Extended Term Loans); and (iv) Extended Term Loans may have prepayment terms (including call protection and prepayment terms and premiums) as may be agreed by the Borrower and the Lenders thereof; provided, that (A) in no event shall the final maturity date of any Extended Term Loans of a given Term Loan Extension Series at the time of establishment thereof be earlier than the maturity date of the Existing Term Loan Tranche from which such Extended Term Loans are to be amended, (B) the Weighted Average Life to Maturity of any Extended Term Loans of a given Term Loan Extension Series at the time of establishment thereof shall be no shorter (other than by virtue of amortization or prepayment of such Indebtedness prior to the time of incurrence of such Extended Term Loans) than the remaining Weighted Average Life to Maturity of the Existing Term Loan Tranche from which such Extended Term Loans are to be amended, (C) all documentation in respect of such Extension Amendment shall be consistent with the foregoing and (D) any Extended Term Loans may participate on a *pro rata* basis or less than a *pro rata* basis (but not greater than a *pro rata* basis) in any voluntary or mandatory repayments or prepayments hereunder, in each case as specified in the respective Term Loan Extension Request. Any Extended Term Loans amended pursuant to any Term Loan Extension Request shall be designated a series (each, a “Term Loan Extension Series”) of Extended Term Loans for all purposes of this Agreement; provided that any Extended Term Loans amended from an Existing Term Loan Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Term Loan Extension Series with respect to such Existing Term Loan Tranche. Each Term Loan Extension Series of Extended Term Loans incurred under this Section 2.22 shall be in an aggregate principal amount that is not less than \$10,000,000.

(b) Extension of Revolving Credit Commitments. The Borrower may at any time and from time to time request that all or a portion of the Revolving Credit Commitments of a given Class (each, an “Existing Revolver Tranche”) be amended to extend the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of such Revolving Credit Commitments (any such Revolving Credit Commitments which have been so amended, “Extended Revolving Credit Commitments”) and to provide for other terms consistent with this Section 2.22. In order to establish any

Extended Revolving Credit Commitments, the Borrower shall provide a notice to the Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Revolver Tranche) (each, a “Revolver Extension Request”) setting forth the proposed terms of the Extended Revolving Credit Commitments to be established, which shall (x) be identical as offered to each Lender under such Existing Revolver Tranche (including as to the proposed interest rates and fees payable) and offered *pro rata* to each Lender under such Existing Revolver Tranche and (y) be identical in all material respects to the Revolving Credit Commitments under the Existing Revolver Tranche from which such Extended Revolving Credit Commitments are to be amended, except that: (i) the maturity date of the Extended Revolving Credit Commitments may be delayed to a later date than the maturity date of the Revolving Credit Commitments of such Existing Revolver Tranche, to the extent provided in the applicable Extension Amendment; (ii)(A) the interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees and funding discounts with respect to the Extended Revolving Credit Commitments may be different than those for the Revolving Credit Commitments of such Existing Revolver Tranche and/or (B) additional fees and/or premiums may be payable to the Lenders providing such Extended Revolving Credit Commitments in addition to any of the items contemplated by the preceding clause (A), in each case, to the extent provided in the applicable Extension Amendment; (ii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date of the Revolving Credit Commitments that is in effect on the effective date of the Extension Amendment (immediately prior to the establishment of such Extended Revolving Credit Commitments); and (iii) all borrowings under the applicable Revolving Credit Commitments (i.e., the Existing Revolver Tranche and the Extended Revolving Credit Commitments of the applicable Revolver Extension Series) and repayments thereunder shall be made on a *pro rata* basis (except for repayments required upon the maturity date of the non-extending Revolving Credit Commitments); provided, that (A) in no event shall the final maturity date of any Extended Revolving Credit Commitments of a given Revolver Extension Series at the time of establishment thereof be earlier than the maturity date of the Existing Revolver Tranche from which such Extended Revolving Credit Commitments are to be amended and (B) all documentation in respect of such Extension Amendment shall be consistent with the foregoing. Any Extended Revolving Credit Commitments amended pursuant to any Revolver Extension Request shall be designated a series (each, a “Revolver Extension Series”) of Extended Revolving Credit Commitments for all purposes of this Agreement; provided that any Extended Revolving Credit Commitments amended from an Existing Revolver Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Revolver Extension Series with respect to such Existing Revolver Tranche. Each Revolver Extension Series of Extended Revolving Credit Commitments incurred under this Section 2.22 shall be in an aggregate principal amount that is not less than \$5,000,000.

(c) Extension Request. The Borrower shall provide the applicable Extension Request at least five (5) Business Days (or such shorter period as the Agent may determine in its sole discretion) prior to the date on which Lenders under the Existing Term Loan Tranche or Existing Revolver Tranche, as applicable, are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Agent, in each case acting reasonably to accomplish the purposes of this Section 2.22. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Tranche amended into Extended Term Loans or any of its Revolving Credit Commitments amended into Extended Revolving Credit Commitments, as applicable, pursuant to any Extension Request. Any Lender holding a Loan under an Existing Term Loan Tranche (each, an “Extending Term Lender”) wishing to have all or a portion of its Term Loans under the Existing Term Loan Tranche subject to such Extension Request amended into Extended Term Loans and any Revolving Credit Lender (each, an “Extending Revolving Lender”) wishing to have all or a portion of its Revolving Credit Commitments under the Existing Revolver Tranche subject to such Extension Request amended into Extended Revolving Credit Commitments, as applicable, shall notify the Agent (each, an “Extension Election”) on or prior to the date specified in such Extension

Request of the amount of its Term Loans under the Existing Term Loan Tranche or Revolving Credit Commitments under the Existing Revolver Tranche, as applicable, which it has elected to request be amended into Extended Term Loans or Extended Revolving Credit Commitments, as applicable (subject to any minimum denomination requirements imposed by the Agent). In the event that the aggregate principal amount of Term Loans under the Existing Term Loan Tranche or Revolving Credit Commitments under the Existing Revolver Tranche, as applicable, in respect of which applicable Term Lenders or Revolving Lenders, as the case may be, shall have accepted the relevant Extension Request exceeds the amount of Extended Term Loans or Extended Revolving Credit Commitments, as applicable, requested to be extended pursuant to the Extension Request, Term Loans or Revolving Credit Commitments, as applicable, subject to Extension Elections shall be amended to Extended Term Loans or Extended Revolving Credit Commitments, as applicable, on a *pro rata* basis (subject to rounding by the Agent, which shall be conclusive) based on the aggregate principal amount of Term Loans or Revolving Credit Commitments, as applicable, included in each such Extension Election.

(d) Extension Amendment. Extended Term Loans and Extended Revolving Credit Commitments shall be established pursuant to an amendment (each, a “Extension Amendment”) to this Agreement among the Borrower, the Agent and each Extending Term Lender or Extending Revolving Lender, as applicable, providing an Extended Term Loan or Extended Revolving Credit Commitment, as applicable, thereunder, which shall be consistent with the provisions set forth in this Section 2.22 (but which shall not require the applicable consent of any other Lender). The effectiveness of any Extension Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth above and in Section 3.02, and, to the extent reasonably requested by the Agent, receipt by the Agent of legal opinions, board resolutions, officers’ certificates and/or reaffirmation agreements, substantially consistent, where applicable, with those delivered on the Closing Date under Section 3.01 (other than changes to such legal opinions resulting from a Change in Law, change in fact or change to counsel’s form of opinion reasonably satisfactory to the Agent). The Lenders hereby authorize the Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrower as may be necessary in order to effect any Extension Amendment and to make such technical amendments as may be necessary or appropriate in the reasonable opinion of the Agent and the Borrower in connection with the establishment of such Extension Amendment, in each case on terms consistent with and/or to effect the provisions of this Section 2.22. In addition, if so provided in the relevant Extension Amendment and with the consent of each Issuing Bank, participation in Letters of Credit expiring on or after the scheduled maturity date in respect of a Class of Revolving Credit Commitments shall be reallocated from Lenders holding such Revolving Credit Commitments to Lenders holding Extended Revolving Credit Commitments in accordance with the terms of such Extension Amendment; provided, however, that such participation interests shall, upon receipt thereof by the relevant Lenders holding refinancing Revolving Credit Commitments, be deemed to be participation interests in respect of such extended Revolving Credit Commitments and the terms of such participation interests (including the commission applicable thereto) shall be adjusted accordingly. No amendment, conversion or exchange of Loans pursuant to any Extension Amendment in accordance with this Section 2.22 shall constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

SECTION 2.23. Incremental Facilities.

(a) The Borrower may, by written notice to the Agent from time to time, request Incremental Commitments in an amount for all such Incremental Commitments not to exceed the Incremental Facility Amount at such time from one or more Incremental Lenders, which may include any existing Lender or any Eligible Assignee (each of which shall be entitled to agree or decline to participate in its sole discretion); provided that (i) any Incremental Revolving Credit Commitments (and the Incremental Revolving Credit Loans thereunder) shall be implemented as an increase to the total Revolving Credit Commitments and shall

have identical terms as the Revolving Credit Commitments (and the Revolving Credit Loans thereunder) and (ii) each Incremental Lender shall be subject to the approval of the Agent (and, in the case of an Incremental Revolving Credit Lender, each Issuing Bank) (which approvals shall not be unreasonably withheld or delayed). Such notice shall set forth (x) the amount of the Incremental Commitments being requested (which shall be in minimum increments of \$5,000,000 and a minimum amount of \$10,000,000 or such lesser amount equal to the remaining Incremental Facility Amount, as applicable), (y) the date on which such Incremental Commitments are requested to become effective and (z) in the case of Incremental Term Commitments, whether such Incremental Term Commitments are (i) commitments to make additional Term Loans or (ii) commitments to make new A Type Term Loans (as defined below) with terms different from the Term Loans (such loans, "Specified Incremental Term Loans" and such commitments "Specified Incremental Term Commitments").

(b) The Borrower and each applicable Incremental Lender shall execute and deliver to the Agent an Incremental Assumption Agreement and such other documentation as the Agent shall reasonably specify to evidence the Incremental Commitment of each Incremental Lender. Each Incremental Assumption Agreement shall specify the terms of any Incremental Term Loans to be made thereunder; provided that (1)(A)(i) the final maturity date of any Specified Incremental Term Loans shall be no earlier than the Term Loan Maturity Date and (ii) the Weighted Average Life to Maturity of any Specified Incremental Term Loans shall be no shorter than the Weighted Average Life to Maturity of the Term Loans; (B) if the initial yield on any such Specified Incremental Term Loans that is incurred on or prior to the date that is 12 months after the Closing Date (as such yield is determined by the Agent by adding (x) the margin above the Eurocurrency Rate on such Loans (which shall be increased by the amount that any interest rate "floor" applicable to such Loans on the date such Loans are made would exceed the Eurocurrency Rate for a three-month Interest Period commencing on such date) and (y) if such Loans are initially made at a discount or the Lenders making the same receive a fee directly or indirectly from Holdings or any of the Subsidiaries for doing so (but excluding the effect of any bona fide arrangement, structuring, syndication or other fees payable in connection therewith that are not shared with all lenders or holders thereof) (the amount of such discount or fee, expressed as a percentage of such Loans, being referred to herein as "OID"), the amount of such OID divided by the lesser of (x) the Weighted Average Life to Maturity of such Loans and (y) four) exceeds by more than 50 basis points (the amount of such excess above 50 basis points being referred to herein as the "Yield Differential") the sum of (x) the Applicable Margin then in effect for Eurocurrency Rate Term Loans, and (y) the amount of the OID initially paid in respect of the Term Loans, divided by four, then the Applicable Margin then in effect for Term Loans shall automatically be increased by the Yield Differential, effective upon the making of such Specified Incremental Term Loans; and (C) during a Lien Suspension Period, no Incremental Term Loans shall be secured; and (2) the other terms of any Specified Incremental Term Loans shall be reasonably satisfactory to the Agent. For purposes of this Section 2.23, "A Type Term Loans" means any term loans which (w) have scheduled amortization in excess of 1.00% *per annum*, (x) have a final maturity of five years or less, (y) other than during a Lien Suspension Period, are secured by some or all of the Collateral on an equal and ratable basis with the Obligations and Obligations (as defined in the Spinco Credit Agreement) and (z) are guaranteed by some or all of the Guarantors.

(c) Notwithstanding the foregoing, no Incremental Commitment shall become effective under this Section 2.23 unless (i) on the date of such effectiveness, (A)(1) the representations and warranties contained in Article IV are true and correct in all material respects (except for those representations and warranties that are qualified by materiality or Material Adverse Effect, which shall be true and correct in all respects) on and as of such date, as though made on and as of such date except where such representations and warranties expressly refers to an earlier date, in which case such representations and warranties shall be true and correct on and as of such earlier date and (2) no Default or Event of Default shall have occurred and be continuing (and the Agent shall have received a certificate to that effect dated such date and executed

by a Financial Officer of Holdings); and (B) Holdings and the Restricted Subsidiaries shall be in compliance with the Financial Covenant after giving *pro forma* effect to the incurrence of such Incremental Term Commitments and/or Incremental Revolving Credit Commitments (assuming a full drawing thereof), as applicable, the making of Loans to be made on the date of effectiveness thereof, any Permitted Acquisition consummated simultaneously therewith, and the *pro forma* adjustments described in Section 1.07, (ii) all fees and expenses owing to the Agent and the Lenders in respect of such Incremental Term Commitment and/or Incremental Revolving Credit Commitment shall have been paid in full, (iii) to the extent not consistent with this Agreement, the other terms and documentation in respect of the Incremental Term Loans shall be reasonably satisfactory to the Agent unless otherwise expressly permitted in this Section 2.23 and (iv) except as otherwise specified in the applicable Incremental Assumption Agreement, the Agent shall have received legal opinions, board resolutions and other closing certificates reasonably requested by the Agent and consistent with those delivered on the Closing Date.

(d) Each of the parties hereto hereby agrees that the Agent may, in consultation with the Borrower, take any and all action as may be reasonably necessary to ensure that all Incremental Loans (other than Specified Incremental Term Loans), when originally made, are included in each Borrowing of outstanding Revolving Credit Loans or Term Loans, as applicable, on a *pro rata* basis. This may be accomplished by, among other things, requiring each outstanding Eurocurrency Rate Borrowing to be Converted into a Base Rate Borrowing on the date of such Incremental Loan, or by allocating a portion of such Incremental Loan to each outstanding Eurocurrency Rate Borrowing under the relevant Facility on a *pro rata* basis. Any Conversion of Eurocurrency Rate Loans to Base Rate Loans required by the preceding sentence shall be subject to Section 9.04(f). If any Incremental Loan is to be allocated to an existing Interest Period for a Eurodollar Borrowing, then the interest rate thereon for such Interest Period and the other economic consequences thereof shall be as set forth in the applicable Incremental Assumption Agreement. In addition, to the extent any Incremental Term Loans are Term Loans, the scheduled amortization payments under Section 2.06(c), required to be made after the making of such Incremental Term Loans shall be ratably increased by the aggregate principal amount of such Incremental Term Loans. Notwithstanding the foregoing, Incremental Term Commitments to make Specified Incremental Term Loans may not be requested without the prior written consent of the Agent if, as a result of the Specified Incremental Term Loans to be made thereunder, there would be more than five classes of Term Loans and Specified Incremental Term Loans outstanding.

(e) Notwithstanding any other provision of any Loan Document, each Loan Document may be modified, supplemented, amended and/or amended and restated by the Agent and the Borrower without the action or consent of any other party, if the Agent determines it to be necessary or advisable, to provide for terms applicable to any Incremental Loans permitted by or to otherwise give effect to this Section 2.23. Without limiting the generality of the foregoing, each of the parties hereto hereby agrees that, upon the effectiveness of any Incremental Assumption Agreement, this Agreement shall be deemed amended to the extent necessary to reflect the existence and terms of the Incremental Commitments and the Incremental Loans evidenced thereby.

ARTICLE III

(b) Neither Holdings nor the Borrower will (nor will they permit any of the Restricted Subsidiaries to) enter into or permit to exist any contractual obligation (other than this Agreement or any other Loan Document) that limits the ability of any of the Restricted Subsidiaries to make Restricted Payments to the Borrower or any Guarantor or to otherwise transfer property to or invest in the Borrower or any Guarantor, except for (i) any agreement in effect on the Closing Date (other than the Spinco Loan Documents) and described on Schedule 6.10, (ii) any agreement in effect at the time any Person becomes a Restricted Subsidiary, so long as such agreement was not entered into solely in contemplation of such Person becoming a Restricted Subsidiary, (iii) any agreement representing Indebtedness of a Restricted Subsidiary which is not a Loan Party which is permitted by Section 6.09, (iv) any agreement in connection with a Disposition permitted hereunder, (v) customary provisions in partnership agreements, limited liability company governance documents, joint venture agreements or other similar agreements that restrict the transfer of assets of, or ownership interests in, the relevant partnership, limited liability company, joint venture or similar Person, (vi) customary provisions restricting assignment of any agreement entered into in the Ordinary Course of Business of Holdings and the Restricted Subsidiaries, (vii) customary provisions restricting the subletting or assignment of any lease governing a leasehold interest, (viii) customary restrictions contained in Indebtedness permitted under this Agreement to the extent no more restrictive, taken as a whole, to Holdings and the Restricted Subsidiaries in any material respect than the covenants contained in this Agreement (as reasonably determined by the Borrower), (ix) restrictions regarding licenses or sublicenses by Holdings and the Restricted Subsidiaries of IP Rights in the Ordinary Course of Business of Holdings and the Restricted Subsidiaries (in which case such restriction shall relate only to such IP Rights), (x) provisions in agreements or instruments that prohibit the payment of dividends or the making of other distributions with respect to any class of Equity Interests of a Person other than on a *pro rata* basis to the holders thereof, (xi) restrictions imposed by applicable law; (xii) the Spinco Loan Documents; (xiii) any restrictions or conditions imposed by the Acquisition Agreement or in connection with the Acquisition Transactions; and (xiv) any restrictions and conditions imposed by any amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing of any contract, instrument or obligation referred to in clauses (i) through (xiii) above; provided that such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing is, in the good faith judgment of the Borrower, no more restrictive with respect to such restrictions taken as a whole than those in existence prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

SECTION 6.11. Fundamental Changes. (d) (i) Holdings or any Restricted Subsidiary shall fail to pay any principal of or premium or interest on any Material Indebtedness (but excluding Indebtedness outstanding hereunder) of Holdings or any Restricted Subsidiary, when the same becomes due and payable (whether by scheduled maturity, required prepayment, acceleration, demand or otherwise), and such failure shall continue after the applicable grace period, if any, specified in the agreement or instrument relating to such Material Indebtedness; or any other event shall occur or condition shall exist under any agreement or instrument relating to any such Material Indebtedness and shall continue after the applicable grace period, if any, specified in such agreement or instrument, if the effect of such event or condition is to accelerate, or to permit the acceleration of, the maturity of such Material Indebtedness; or any such Material Indebtedness shall be declared to be due and payable, or required to be prepaid or redeemed (other than by a regularly scheduled required prepayment or redemption, or, with respect to any secured Material Indebtedness, resulting from a disposition, condemnation, insured loss or similar event relating to the property securing such Material Indebtedness), purchased or defeased, or an offer to prepay, redeem, purchase or defease such Material Indebtedness shall be required to be made, in each case prior to the stated maturity thereof or (ii) without limiting the foregoing clause (i), any “Event of Default” (as defined in the Spinco Credit Agreement) shall occur under any of the Spinco Loan Documents; provided, that any failure, event, condition or Event of Default described under clauses (i) or (ii) remains unremedied and is not waived by the holders of such Material Indebtedness prior to any termination of the outstanding Revolving Credit Commitments or acceleration of the outstanding Loans pursuant to this Article VII; or

(e) Holdings, the Borrower or any other Restricted Subsidiary (other than any Immaterial Subsidiary) shall generally not pay its debts as such debts become due, or shall admit in writing its inability to pay its debts generally, or shall make a general assignment for the benefit of creditors; or any proceeding shall be instituted by or against Holdings, the Borrower or any other Restricted Subsidiary (other than any Immaterial Subsidiary) seeking to adjudicate it a bankrupt or insolvent, or seeking liquidation, winding up, reorganization, arrangement, adjustment, protection, relief, or composition of it or its debts under any Debtor Relief Laws, or seeking the entry of an order for relief or the appointment of a receiver, trustee, custodian or other similar official for it or for any substantial part of its property and, in the case of any such proceeding instituted against it (but not instituted by it), either such proceeding shall remain undismissed or unstayed for a period of sixty (60) days, or any of the actions sought in such proceeding (including the entry of an order for relief against, or the appointment of a receiver, trustee, custodian or other similar official for, it or for any substantial part of its property) shall occur; or Holdings, the Borrower or any other Restricted Subsidiary (other than any Immaterial Subsidiary) shall take any corporate action to authorize any of the actions set forth above in this subsection (e); or

(f) one or more judgments or orders for the payment of money in excess of \$100,000,000 in the aggregate shall be rendered against Holdings or any Restricted Subsidiary and either (i) enforcement

proceedings shall have been commenced by any creditor upon such judgment or order or (ii) there shall be any period of sixty (60) consecutive days during which any such judgment or order remains unpaid, undischarged, unvacated, unbonded or unstayed; provided, however, that any such judgment or order shall not be an Event of Default under this Section 7.01(f) if and for so long as (i) the amount of such judgment or order is covered by a valid and binding policy of insurance between the defendant and the insurer covering payment thereof and (ii) such insurer has been notified of, and has not disputed the claim made for payment of, the amount of such judgment or order; or

(g) a Change in Control shall occur; or

(h) Holdings, the Borrower or any of their ERISA Affiliates shall incur liability in excess of \$100,000,000 in the aggregate as a result of the occurrence of any ERISA Event; or

(i) any material provision of this Agreement or any other Loan Document shall for any reason cease to be in full force and effect except as expressly permitted hereunder or thereunder, or the Borrower or any Loan Party shall so state in writing, in each case other than in connection with a release of any guarantee in accordance with the terms of this Agreement; or

(j) (i) any security interest over any material portion of the Collateral shall cease to be, or shall be asserted by the Borrower or any other Loan Party not to be, a valid, perfected security interest in the asset or property intended to be covered thereby, with the priority required by the Security and Guarantee Documents, except (A) to the extent that perfection or priority is not required pursuant to the Guarantee and Collateral Agreement or Section 5.11(e), (B) in connection with a release of such Collateral in accordance with the terms of this Agreement, including as a result of a Lien Release Event, or (C) as a result of any Collateral Agent's failure to (1) maintain possession of any stock certificates, promissory notes or other instruments delivered to it under the Security and Guarantee Documents or (2) file Uniform Commercial Code continuation statements; or (ii) other than as a result of a Lien Release Event, the Leidos/Spinco Intercreditor Agreement shall, in whole or in part, terminate, cease to be in full force and effect or cease to be legal, valid or binding obligation of or enforceable against any party thereto; or

(k) the Spinco Acquisition shall not have been consummated or is not consummated on the Closing Date immediately following the initial funding of the Facilities; or

(l) subject to the penultimate paragraph of Section 3.01 (but replacing "Equity Interests of the Borrower" with "Equity Interests of Spinco"), the conditions set forth in Sections 3.01(m), (n) and (o) as they would have applied (assuming that the Spinco Acquisition and the Spinco Merger occurred immediately prior to the Closing Date) to the Acquired Business shall not have been satisfied or are not satisfied immediately upon the effective time of the Spinco Merger,

then, and in any such event, the Agent (a) shall at the request, or may with the consent, of the Required Lenders, by notice to the Borrower, declare the obligation of each Lender to make Loans (other than Loans to be made by an Issuing Bank or a Lender pursuant to Section 2.03(c)) and of the Issuing Banks to Issue Letters of Credit to be terminated, whereupon the same shall forthwith terminate, (b) shall at the request, or may with the consent, of the Required Lenders, by notice to the Borrower, declare all the Loans, all interest thereon and all other amounts payable under this Agreement to be forthwith due and payable, whereupon all the Loans, all such interest and all such amounts shall become and be forthwith due and payable, without presentment, demand, protest or further notice of any kind, all of which are hereby expressly waived by Holdings and the Borrower; provided, however, that in the event of an actual or deemed entry of an order for relief with respect to the Borrower or any other Loan Party under any Debtor Relief Law, (i) the obligation of each Lender to make Loans (other than Loans to be made by an Issuing Bank or a Lender pursuant to

Section 2.03(c)) and of the Issuing Banks to Issue Letters of Credit shall automatically be terminated and (ii) the Loans, all such interest and all such amounts shall automatically become and be due and payable, without presentment, demand, protest or any notice of any kind, all of which are hereby expressly waived by Holdings and the Borrower, and (c) shall be entitled to exercise on behalf of itself, the Lenders, the Issuing Banks and the other Secured Parties all rights and remedies available to it, the Lenders, the Issuing Banks and the other Secured Parties under the Loan Documents and/or under applicable law.

SECTION 7.02. Actions in Respect of the Letters of Credit upon Default. If any Event of Default shall have occurred and be continuing, the Agent may with the consent, or shall at the request, of the Required Revolving Credit Lenders, irrespective of whether it is taking any of the actions described in Section 7.01 or otherwise, make demand upon the Borrower to, and forthwith upon such demand the Borrower will, (a) pay to the Agent on behalf of the Revolving Credit Lenders in same day funds at the Agent's office designated in such demand, for deposit in the L/C Cash Deposit Account, an amount equal to the aggregate Stated Amount of all Letters of Credit then outstanding (but only to the extent such Stated Amount has not already been Cash Collateralized) or (b) make such other arrangements in respect of the outstanding Letters of Credit as shall be acceptable to the Required Revolving Credit Lenders and not more disadvantageous to the Borrower than clause (a); provided, however, that in the event of an actual or deemed entry of an order for relief with respect to the Borrower under any Debtor Relief Law, an amount equal to the aggregate Stated Amount of all outstanding Letters of Credit shall be immediately due and payable to the Agent for the account of the Revolving Credit Lenders without notice to or demand upon the Borrower, which are expressly waived by Holdings and the Borrower, to be held in the L/C Cash Deposit Account. If at any time an Event of Default is continuing the Agent determines that any funds held in the L/C Cash Deposit Account are subject to any right or claim of any Person other than the Agent and the Lenders or that the total amount of such funds is less than the aggregate Stated Amount of all Letters of Credit, the Borrower will, forthwith upon demand by the Agent, pay to the Agent, as additional funds to be deposited and held in the L/C Cash Deposit Account, an amount equal to the excess of (i) such aggregate Stated Amount over (ii) the total amount of funds, if any, then held in the L/C Cash Deposit Account that the Agent determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit, to the extent funds are on deposit in the L/C Cash Deposit Account, such funds shall be applied to reimburse the Issuing Banks to the extent permitted by applicable law. After all such Letters of Credit shall have expired or been fully drawn upon and all other obligations of the Borrower hereunder and under the other Loan Documents shall have been paid in full, the balance, if any, in such L/C Cash Deposit Account shall be applied in accordance with the priority of payments set forth in Section 7.03.

SECTION 7.03. Application of Funds. After the exercise of any remedies provided for in Section 7.01 or Section 7.02 (or after an actual or deemed entry of an order for relief with respect to Holdings, the Borrower or any other Loan Party under any Debtor Relief Law), any amounts received on account of the Obligations (including, for the avoidance of doubt, any proceeds of any collection, sale, foreclosure or other realization upon any Collateral, including Collateral consisting of cash) shall, subject to the provisions of Sections 2.19 and 2.20 and subject to any contrary provisions expressly set forth in the Leidos/Spinco Intercreditor Agreement, be applied by the Agent in the following order:

(a) first, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including fees, disbursements and other charges of counsel payable under Section 9.04) payable to the Agent in its capacity as such, including any costs and expenses incurred by the Agent in its capacity as such in connection with the collection, sale, foreclosure or realization or otherwise of Collateral in connection with this Agreement or any other Loan Document or any of the Obligations, the repayment of advances made by the Agent hereunder or under any other Loan Document on behalf of any

Loan Party and any other costs or expenses incurred in connection with exercise of any right or remedy hereunder or under any other Loan Document;

(b) second, to payment in full of Unfunded Loans/Participations (the amounts so applied to be distributed between or among, as applicable, the Agent and the Issuing Banks *pro rata* in accordance with the amounts of Unfunded Loans/Participations owed to them on the date of any such distribution);

(c) third, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal, interest and Letter of Credit fees) payable to the Lenders and the Issuing Banks (including fees, disbursements and other charges of counsel payable under Section 9.04) arising under the Loan Documents, ratably among them in proportion to the respective amounts described in this clause (c) held by them;

(d) fourth, to payment of that portion of the Obligations constituting accrued and unpaid Letter of Credit fees and interest on the Loans, and interest on unreimbursed Letter of Credit drawings, ratably among the Lenders and the Issuing Banks in proportion to the respective amounts described in this clause (d) held by them;

(e) fifth, subject to Section 7.04(a), (i) to payment of that portion of the Obligations constituting unpaid principal of the Loans, unreimbursed Letter of Credit drawings and obligations of the Loan Parties then arising under Secured Hedging Obligations, Secured Cash Management Obligations, Secured Additional Letter of Credit Facility Obligations and Secured Designated Indebtedness Obligations and (ii) to Cash Collateralize Letters of Credit in the manner contemplated by Section 7.02 (ratably among the Lenders, the Issuing Banks, the Hedge Banks, the Cash Management Banks, Secured Additional Letter of Credit Facility Providers and Secured Designated Indebtedness Holders or the Designated Representative thereof for the benefit of the Secured Designated Indebtedness Holders) in proportion to the respective amounts described in this clause (e) held by them; provided upon the expiration of any Letter of Credit, the *pro rata* share of Cash Collateral attributable to such expired Letter of Credit shall be applied by the Agent in accordance with the priority of payments set forth in this Section 7.03 (for the avoidance of doubt, Obligations shall not include Secured Additional Letter of Credit Facility Obligations and Secured Designated Indebtedness Obligations during a Lien Suspension Period);

(f) sixth, to the payment of all other Obligations of the Loan Parties owing under or in respect of the Loan Documents that are then due and payable to the Agent, the Lenders, the Issuing Banks and the other holders or beneficiaries thereof, ratably based upon the respective aggregate amounts of all such Obligations then owing to all of them; and

(g) last, after all of the Obligations have been indefeasibly paid in full, to the Borrower or as otherwise required by law.

SECTION 7.04. Specified Collateral. (a) Notwithstanding any provision of the Loan Documents to the contrary, payment of that portion of the Obligations constituting Secured Designated Indebtedness Obligations pursuant to Section 7.03(e) shall only be made with the applicable ratable share (as provided in Section 7.03(e)) of proceeds from any collection, sale, foreclosure or other realization upon any Specified Collateral (and proceeds from any collection, sale, foreclosure or other realization upon any other Collateral shall not be applied to Secured Designated Indebtedness Obligations).

(a) In making the determinations and allocations required by Section 7.03(e), the Agent may conclusively rely upon information supplied by the Designated Representative as to the amounts of unpaid principal and interest and other amounts with respect to the Secured Designated Indebtedness

Obligations, and the Agent shall have no liability to any of the Secured Parties for actions taken in reliance on such information. The Agent shall have no duty to inquire as to the application by the Designated Representative of any amounts distributed to it for distribution to the Secured Designated Indebtedness Holders.

Section 7.01. Secured Additional Letter of Credit Facility Obligations upon Event of Default. If, upon the occurrence and during the continuation of an Event of Default, there are any Secured Additional Letter of Credit Facility Obligations outstanding, then, during such period, the “obligations of the Loan Parties” arising thereunder shall, solely for purposes of Section 7.03(e) and without limiting the last parenthetical thereof, be deemed to be (a) the lesser of (i) the sum of (x) the aggregate Stated Amount (applied *mutatis mutandis*) of all letters of credit then outstanding under the Designated Additional Letter of Credit Facilities plus (y) such additional amounts as the agent or the issuing bank under each Designated Additional Letter of Credit Facility shall require for purposes of cash collateralizing the applicable Secured Additional Letter of Credit Facility Obligations in accordance with the terms of the applicable Designated Additional Letter of Credit Facility and (ii) \$200,000,000, minus, (b) in each case, the amount of any cash collateral in respect of such Secured Additional Letter of Credit Facility Obligations held by any agent or issuing bank under any applicable Designated Additional Letter of Credit Facilities. After all such letters of credit (x) shall have expired or (y) shall have been fully drawn upon and no Secured Additional Letter of Credit Facility Obligations (other than contingent obligations for which no claim has been asserted) shall remain outstanding, the Borrower shall cause the balance, if any, of any amounts deposited with the agent or issuing bank under the applicable Designated Additional Letter of Credit Facilities to be paid over to the Agent hereunder and forthwith applied in accordance with the priority of payments set forth in Section 7.03.

ARTICLE VIII

THE AGENT

Section 8.01. Authorization and Authority. (a) Each of the Lenders hereby irrevocably appoints, designates and authorizes Citibank to act on its behalf as the Agent hereunder and under the other Loan Documents and authorizes the Agent to take such actions on its behalf and to exercise such powers as are delegated to the Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. Except as expressly set forth in Section 8.06, the provisions of this Article are solely for the benefit of the Agent, the Lenders and the Issuing Banks, and neither Holdings nor the Borrower shall have rights as a third-party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any Loan Document (or any other similar term) with reference to the Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(a) The Agent shall also act as the Secured Parties Collateral Agent and the Non-Notes Secured Parties Collateral Agent under the Loan Documents, and each of the Lenders (including in each such Lender’s capacity as a potential Cash Management Bank and/or Hedge Bank) and Issuing Banks hereby irrevocably appoints and authorizes the Agent to act as the agent of such Lender or Issuing Bank for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Agent, as the Secured Parties Collateral Agent and the Non-Notes Secured Parties Collateral Agent, and any co-agents, sub-agents and attorneys-in-fact appointed by the Agent pursuant to Section 8.05 for purposes of holding or enforcing any Lien on the collateral (or any portion thereof) granted under the Security and Guarantee Documents, or for exercising any rights and remedies thereunder at the

direction of the Agent, shall be entitled to the benefits of all provisions of this Article VIII and of paragraphs (a), (b) and (c) of Section 9.04 (as though such agent, co-agents, sub-agents and attorneys-in-fact were the Agent under the Loan Documents) as if set forth in full herein with respect thereto. Anything contained in any of the Loan Documents to the contrary notwithstanding, but without limiting the rights of any Lender, Issuing Bank or any of their respective Affiliates under Section 9.05, each Loan Party, the Agent and each Lender hereby agree that no Lender, in its capacity as such, shall have any right individually to realize upon any collateral subject to any Security and Guarantee Documents, it being understood and agreed that all powers, rights and remedies hereunder or thereunder may be exercised solely by the Agent, on behalf of the Lenders, in accordance with the terms hereof or thereof, as applicable.

Section 8.02. Rights as a Lender. The Person serving as the Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Agent, and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for, and generally engage in any kind of business with, any member of the Consolidated Group or other Affiliate thereof as if such Person were not the Agent hereunder and without any duty to account therefor to the Lenders.

Section 8.03. Duties of Agent; Exculpatory Provisions. (a) The Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Agent:

(ii) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(iii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that the Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; and

(iv) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Agent or any of its Affiliates in any capacity.

(b) The Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 9.01 and 7.01), or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. The Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Agent in writing by the Borrower or a Lender.

(c) The Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article III or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Agent.

Section 8.04. Reliance by Agent. The Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the Closing Date, the making of a Loan or the Issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Bank, the Agent may presume that such condition is satisfactory to such Lender unless the Agent shall have received notice to the contrary from such Lender or Issuing Bank prior to the occurrence of the Closing Date, the making of such Loan or such Issuance of such Letter of Credit. The Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 8.05. Delegation of Duties. The Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Agent. The Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the Facilities as well as activities as Agent. The Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

Section 8.06. Resignation of Agent. (a) The Agent may at any time give notice of its resignation to the Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Borrower, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "Resignation Effective Date"), then the retiring Agent may (but shall not be obligated to), on behalf of the Lenders, appoint a successor Agent meeting the qualifications set forth above. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

(a) If the Person serving as Agent is a Defaulting Lender pursuant to clause (vi) of the definition thereof, the Required Lenders may, to the extent permitted by applicable law, by notice in writing to the Borrower and such Person remove such Person as Agent and, in consultation with the Borrower,

appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days (or such earlier day as shall be agreed by the Required Lenders) (the "Removal Effective Date") then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(b) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable), (i) the retiring or removed Agent shall be discharged from its duties and obligations hereunder (except that in the case of any collateral security held by the Agent on behalf of the Lenders hereunder, the retiring or removed Agent shall continue to hold such collateral security until such time as a successor Agent is appointed) and (ii) except for any indemnity payments owed to the retiring or removed Agent, all payments, communications and determinations provided to be made by, to or through the Agent shall instead be made by or to each Lender directly, until such time, if any, as the Required Lenders appoint a successor Agent as provided for above. Upon the acceptance of a successor's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring or removed Agent (other than any rights to indemnity payments owed to the retiring or removed Agent), and the retiring or removed Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents. The annual administrative fees payable by the Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Agent's resignation or removal hereunder, the provisions of this Article and Section 9.04 shall continue in effect for the benefit of such retiring or removed Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Agent was acting as Agent.

(c) Any resignation pursuant to this Section 8.06 by a Person also acting as an Issuing Bank shall, unless such Person shall notify the Borrower and the Lenders otherwise, also act to relieve such Person and its Affiliates of any obligation to advance or issue new, or extend existing, Letters of Credit where such advance, issuance or extension is to occur on or after the effective date of such resignation. Upon the acceptance of a successor's appointment as Agent hereunder, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Issuing Bank, (ii) the retiring Issuing Bank shall be discharged from all of its duties and obligations hereunder and under the other Loan Documents and (iii) the successor Issuing Bank shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangement satisfactory to the retiring Issuing Bank to effectively assume the obligations of the retiring Issuing Bank with respect to such Letters of Credit.

Section 8.07. Non-Reliance on Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Section 8.08. No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the bookrunners, Arrangers, Co-Syndication Agents or the Documentation Agent listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Agent or a Lender or Issuing Bank hereunder.

Section 8.09. Agent May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Agent and their respective agents and counsel and all other amounts due the Lenders and the Agent under Sections 2.04 and 9.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Agent and, in the event that the Agent shall consent to the making of such payments directly to the Lenders, to pay to the Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agent and its respective agents and counsel, and any other amounts due the Agent under Sections 2.04 and 9.04.

Nothing contained herein shall be deemed to authorize the Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 8.10. Collateral and Guaranty Matters; Lien Release Event. (a) Each of the Lenders (including in each such Lender's capacity as a potential Cash Management Bank, Secured Additional Letter of Credit Facility Provider or Hedge Bank) and each Issuing Bank, irrevocably authorize the Agent, and the Designated Representative on behalf of the Secured Designated Indebtedness Holder is deemed to irrevocably authorize the Agent (x) to enter into the Security and Guarantee Documents (including the Leidos/Spinco Intercreditor Agreement) for the benefit of such Persons and (y), at its option and in its discretion:

(ii) to release any Lien on any property granted to or held by the Agent under any Loan Document (v) upon termination of the Commitments and payment in full of all Loan Document Obligations (other than contingent indemnification and expense obligations as to which no claim or demand has been asserted), and the expiration or termination of all Letters of Credit (other than Letters of Credit which have been Cash Collateralized), (w) that is sold or distributed or to be sold or distributed as part of or in connection with any sale permitted hereunder or under any other Loan Document, (x) if approved, authorized or ratified in writing by the Required Lenders (unless approval by a greater number or percentage of Lenders is expressly provided in any Loan Document), (y) to the extent required pursuant to the terms of the Leidos/Spinco Intercreditor Agreement or (z) as contemplated by Section 8.10(b);

(iii) to subordinate any Lien on any property granted to or held by the Agent under any Loan Document to the holder of any Lien on such property that is permitted by Sections 6.01(b) and (d); and

(iv) to release any Guarantor from its obligations under the Security and Guarantee Documents if such Person ceases to be a Restricted Subsidiary as a result of a transaction permitted hereunder.

Upon request by the Agent at any time, the Required Lenders will confirm in writing the Agent's authority to release its interest in particular types or items of property, or to release any Guarantor from its obligations under the Security and Guarantee Documents pursuant to this Section 8.10(a). In each case as specified in this Section 8.10(a), the Agent will, at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of collateral from the assignment and security interest granted under the Security and Guarantee Documents, or to release such Guarantor from its obligations under the Security and Guarantee Documents, in each case in accordance with the terms of the Loan Documents and this Section 8.10(a); provided that the Borrower shall have delivered to the Agent a certificate of a Responsible Officer of Holdings certifying that any such transaction has been consummated in compliance with this Agreement and the other Loan Documents (including, in the case of a release upon a Lien Release Event, that the requirements contemplated by the definition of "Lien Release Event" have been satisfied).

(b) Upon the occurrence of a Lien Release Event, at the Borrower's option, all pledges, liens and security interests on the Collateral created by the Guarantee and Collateral Agreement and any other Security and Guarantee Document shall be released, and all rights to the Collateral shall revert to the applicable Loan Parties; provided that no such Lien release and reversion of rights shall be effective to the extent that any Lien securing Secured Additional Letter of Credit Facility Obligations, Secured Designated Indebtedness Obligations or Incremental Equivalent Debt is not simultaneously released. During a Lien Suspension Period:

(ii) any provision set forth herein or in any other Loan Document referring to the Collateral Agent or actions required in connection with Collateral (including delivery of opinions with respect thereto) shall be disregarded, as the context requires;

(iii) any provision set forth herein or in any other Loan Document referring to the Leidos/Spinco Intercreditor Agreement or other intercreditor agreement shall be disregarded, as the context requires;

(iv) the provisions of Articles III, IV and V of the Guarantee and Collateral Agreement shall be disregarded; and

(v) Section 4.18 shall be deemed to be replaced with the text "[reserved]" for all purposes hereunder.

For the avoidance of doubt, during a Lien Suspension Period, the Obligations will continue to benefit from the guarantees of the Guarantors as set forth in the Security and Guarantee Documents.

Section 8.11. Cash Management Banks, Hedge Banks, Secured Additional Letter of Credit Facility Providers and Secured Designated Indebtedness Holders. No Cash Management Bank, Hedge Bank, Secured Additional Letter of Credit Facility Providers, Secured Designated Indebtedness Holder or Designated Representative that obtains the benefits of any guarantee or any collateral by virtue of the provisions hereof or of any Security and Guarantee Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of any collateral (including the release or impairment of any collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding

any other provision of this Article VIII to the contrary, the Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, any Secured Cash Management Obligations, Secured Hedging Obligations, Secured Additional Letter of Credit Facility Obligations or Secured Designated Indebtedness Obligations unless the Agent has received written notice of such Obligations, together with such supporting documentation as the Agent may request, from the applicable Cash Management Bank, Hedge Bank, Secured Additional Letter of Credit Facility Providers and Secured Designated Indebtedness Holder or Designated Representative thereof, as applicable.

ARTICLE IX

MISCELLANEOUS

Section 9.01. Amendments, Etc. (a) Without limiting Section 8.10 and except as otherwise provided below in this Section 9.01, no amendment or waiver of any provision of any Loan Document or the Notes, or consent to any departure by any Loan Party therefrom, shall in any event be effective unless the same shall be in writing and signed by the Required Lenders, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that (i) no amendment, waiver or consent shall, unless in writing and signed by all the Lenders, do any of the following: (u) change or waive any of the requirements contemplated by the definition of "Lien Release Event", (w) waive any of the conditions specified in Section 3.01, (x) change the percentage of the Commitments or of the aggregate unpaid principal amount of the Loans, or the number of Lenders, that shall be required for the Lenders or any of them to take any action hereunder, (y) release all or substantially all of the value of the Collateral or of the guarantees of the Guarantors (in each case except as otherwise permitted by the Loan Documents), or (z) amend this Section 9.01 as it relates to amendments, waivers or consents requiring the consent of all Lenders; (ii) no amendment, waiver or consent shall, unless in writing and signed by each Lender directly affected thereby (but not, for the avoidance of doubt, the consent of the Required Lenders, except in the case of clause (u) below in connection with Commitment increases that are not expressly permitted hereunder without the approval of the Required Lenders), do any of the following: (u) increase the Commitments of such Lender or non-*pro rata* reductions in the Commitments of such Lender (it being understood that a waiver of any condition precedent in Section 3.02 or the waiver of any Default, Event of Default or mandatory prepayment shall not be an increase of a Commitment of any Lender), (v) reduce the principal of, or interest on, the Loans (other than interest accruing pursuant to Section 2.07(b)) or a waiver thereof) or any fees or other amounts payable to such Lender, (w) postpone any date fixed for any payment of principal of, or interest on, the Loans (other than interest accruing pursuant to Section 2.07(b)) or a waiver thereof) or any fees or other amounts payable to such Lender hereunder, (x) change Section 9.07 in a manner that would impose additional restrictions on such Lender's ability to assign or otherwise transfer its rights and obligations hereunder, (y) change Section 2.15 or Section 7.03 in a manner that would alter the *pro rata* sharing of payments or proceeds, as applicable, required thereby or (z) amend this Section 9.01 as it relates to amendments, waivers or consents requiring the consent of such Lender; (iii) no amendment, waiver or consent shall, unless in writing and signed by the Required Revolving Credit Lenders, waive any of the conditions specified in Section 3.02; and (iv) no amendment, waiver or consent shall change the provisions of any Loan Document in a manner that by its terms adversely affects Lenders holding Loans of one Class in respect of the rights to payments or security interest in Collateral, in each case, in a manner different than such amendment, waiver or consent affects the rights of any other Class in respect of rights to payments or security interests in Collateral without, in addition to the Lenders required above to take such action, the prior written consent of Lenders holding a majority in interest of the outstanding Loans and unused Commitments of each Class so adversely affected; and provided, further, that (i) no amendment, waiver or consent shall, unless in writing and signed by the Agent in addition to the Lenders required above to take such action, affect the rights or duties of the Agent under this Agreement or any other Loan Document and

(ii) no amendment, waiver or consent shall, unless in writing and signed by the Issuing Banks in addition to the Lenders required above to take such action, adversely affect the rights or obligations of the Issuing Banks in their capacities as such under this Agreement.

(a) Notwithstanding anything to the contrary contained in this Section 9.01, (i) the Borrower, the Agent and each Lender agreeing pursuant to the terms thereof to (A) make any Incremental Loans in accordance with the provisions of Section 2.23 and may enter into an Incremental Assumption Agreement without the consent of any other Person and (B) extend the maturity date applicable to any Term Loans or Revolving Credit Commitments in accordance with the provisions of Section 2.22 and may enter into an Extension Amendment without the consent of any other Person; provided that after execution and delivery thereof (and except as expressly provided otherwise therein), such Incremental Assumption Agreement or Extension Amendment, as applicable, may thereafter only be modified in accordance with the requirements of Section 9.01(a).

(b) Notwithstanding anything to the contrary contained in this Section 9.01, (x) the Security and Guarantee Documents and related documents executed in connection with this Agreement may be in a form reasonably determined by the Agent and may be amended, modified, supplemented and waived by the Agent and the Borrower without the need to obtain the consent of any other Person if such amendment, modification, supplement or waiver is delivered in order (i) to comply with local law (including any foreign law or regulatory requirement) or advice of local counsel, (ii) to cure any ambiguity, inconsistency, obvious error or mistake or any error, mistake or omission of a technical or immaterial nature jointly identified by the Agent and the Borrower or (iii) to cause such Security and Guarantee Document or other document to be consistent with this Agreement and the other Loan Documents (including, for the avoidance of doubt, terminating, entering into or amending such Security and Guarantee Documents to give effect to a Lien Release Event or a Lien Reversion Event) and (y) if the Agent and the Borrower shall have jointly identified an ambiguity, inconsistency, obvious error or mistake or any error, mistake or omission of a technical or immaterial nature, in each case, in any provision of the Loan Documents (other than the Security and Guarantee Documents), then the Agent and the Borrower shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other Person if the same is not objected to in writing by the Required Lenders within five Business Days following receipt of notice thereof.

(c) Notwithstanding anything to the contrary contained in this Section 9.01, any amendment, modification or waiver of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by the Borrower and the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section 9.01 if such Class of Lenders were the only Class of Lenders hereunder at the time.

(d) Notwithstanding anything to the contrary contained in this Section 9.01, the Borrower, the Agent and each Lender agreeing pursuant to the terms thereof to provide any Specified Refinancing Debt in accordance with the provisions of Section 2.21 may enter into a Refinancing Amendment without the consent of any other Person; provided that after execution and delivery thereof (and except as expressly provided otherwise therein), such Refinancing Amendment may thereafter only be modified in accordance with the requirements of Section 9.01(a).

(e) Notwithstanding anything herein to the contrary, no Lender consent is required to effect any amendment or supplement to Leidos/Spinco Intercreditor Agreement or any other intercreditor

agreement referred to in Section 9.18 (i) that is for the purpose of, in connection with the incurrence by any Loan Party of any Indebtedness of such Loan Party that is permitted to be secured by the Collateral pursuant to Section 6.01 of this Agreement, (x) adding the holders thereof (or a representative with respect thereto) as parties thereto, as expressly contemplated by the terms of any such intercreditor agreement or other arrangement permitted under this Agreement, as applicable, and/or (y) causing such Indebtedness to be secured by a valid, perfected Lien (with such priority as may be designated by such Loan Party, to the extent such priority is permitted by the Loan Documents) (it being understood that any such amendment or supplement may make such other changes to the applicable intercreditor agreement or other arrangement as, in the good faith determination of the Agent, are required to effectuate the foregoing and provided that such other changes are not adverse, in any material respect, to the interests of the Lenders) or (ii) that is expressly contemplated by any such intercreditor agreement or other intercreditor agreement permitted under this Agreement; provided, further, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Agent hereunder or under any other Loan Document without the prior written consent of the Agent.

Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in paragraph (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile as follows:

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices delivered through electronic communications, to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) Electronic Communications. Notices and other communications to the Lenders and the Issuing Banks hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Agent; provided that the foregoing shall not apply to notices to any Lender or Issuing Bank pursuant to Article II if such Lender or Issuing Bank, as applicable, has notified the Agent that it is incapable of receiving notices under such Article by electronic communication. The Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

Unless the Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return email or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(c) Change of Address, Etc. Any party hereto may change its address or facsimile number for notices and other communications hereunder by notice to the other parties hereto.

(d) Platform.

(ii) Each of Holdings and the Borrower agrees that the Agent may, but shall not be obligated to, make the Communications (as defined below) available to the Issuing Banks and the

other Lenders by posting the Communications on Debt Domain, Intralinks, Syndtrak or a substantially similar electronic transmission system (the “Platform”).

(iii) The Platform is provided “as is” and “as available.” The Agent Parties (as defined below) do not warrant the adequacy of the Platform and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or the Platform. In no event shall the Agent or any of its Related Parties (collectively, the “Agent Parties”) have any liability to Holdings, the Borrower, any Lender or any other Person or entity for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of Holdings’, the Borrower’s or the Agent’s transmission of Communications through the Platform, except to the extent of damages caused by the gross negligence, bad faith or willful misconduct of any Agent Party hereunder, as determined by a final, non-appealable judgment of a court of competent jurisdiction. “Communications” means, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of Holdings, the Borrower or any other Restricted Subsidiary pursuant to any Loan Document or the transactions contemplated therein which is distributed to the Agent, any Lender or any Issuing Bank by means of electronic transmission systems pursuant to this Section 9.02, including through the Platform.

Section 9.03. No Waiver; Remedies. No failure on the part of any Lender or the Agent to exercise, and no delay in exercising, any right hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

Section 9.04. Costs and Expenses. (a) Costs and Expenses. Holdings and the Borrower shall pay upon written demand therefor (i) all reasonable and documented out-of-pocket costs and expenses incurred by the Agent and its Affiliates (including the reasonable fees, disbursements and other charges of one primary counsel (and one local counsel in each material jurisdiction, as necessary) for the Agent and its Affiliates), in connection with the syndication of the Facilities, the Transactions, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents, or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable and documented out-of-pocket expenses incurred by any Issuing Bank in connection with the Issuance of any Letter of Credit or any demand for payment thereunder, and (iii) all reasonable and documented out-of-pocket costs and expenses incurred by the Agent, any Lender or any Issuing Bank (including the reasonable fees, disbursements and other charges of one primary counsel for such Persons, one additional counsel to each group of similarly situated Persons as required due to actual or reasonably perceived conflicts of interest and local counsel for such Persons in each material jurisdiction, as necessary), in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Loan Documents, including its rights under this Section 9.04, or (B) in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(a) Indemnification by Holdings and the Borrower. Holdings and the Borrower shall indemnify the Agent (and any sub-agent thereof), the Co-Syndication Agents, the Documentation Agent, each Arranger, each Lender and each Issuing Bank, and each Related Party of any of the foregoing Persons

(each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims (including shareholder actions), damages, liabilities and reasonable and documented related expenses (including the reasonable and documented out-of-pocket fees, disbursements and other charges of one primary counsel for such Persons, one additional counsel to each group of similarly situated Persons as required due to actual or reasonably perceived conflicts of interest and local counsel for such Persons in each material jurisdiction, as necessary), incurred by any Indemnitee or asserted or awarded against any Indemnitee by any Person (including the Borrower or any other Loan Party) arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (ii) the Transactions, (iii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by any Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iv) any liability for the presence or release of Hazardous Materials on or from any property owned or operated by a member of the Consolidated Group, or any violation of, obligation or liability under any Environmental Law by or of any member of the Consolidated Group, or (v) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by Holdings or any of the Subsidiaries (including Spinco and its subsidiaries) or any Affiliate, securityholder or creditor of the foregoing or an Indemnitee, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the bad faith, gross negligence or willful misconduct of such Indemnitee (or a Related Party of such Indemnitee), (y) result from a claim brought by the Borrower against an Indemnitee for material breach of such Indemnitee’s obligations hereunder or under any other Loan Document, if the Borrower has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction or (z) result from a proceeding that is not the result of an act or omission by Holdings, the Subsidiaries (including Spinco and its subsidiaries) or any of their Affiliates and that is brought by an Indemnitee against any other Indemnitee (other than claims against any Arranger, Agent, Co-Syndication Agent, Documentation Agent or any other agent in its capacity or in fulfilling its role as an Arranger or agent hereunder or any similar role with respect to the Spinco Facilities). This Section 9.04(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(b) Reimbursement by Lenders. To the extent that Holdings or the Borrower for any reason fails to indefeasibly pay any amount required under paragraph (a) or (b) of this Section 9.04 to be paid by it to the Agent (or any sub-agent thereof), any Issuing Bank or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Agent (or any such sub-agent), such Issuing Bank or such Related Party, as the case may be, such Lender’s *pro rata* share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought based on each Lender’s share of the aggregate principal amount of the Loans and the Stated Amount of all outstanding Letters of Credit at such time) of such unpaid amount (including any such unpaid amount in respect of a claim asserted by such Lender); provided that with respect to such unpaid amounts owed to any Issuing Bank solely in its capacity as such, only the Revolving Credit Lenders shall be required to pay such unpaid amounts, such payment to be made severally among them based on such Lenders’ Ratable Share of the Revolving Credit Facility (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought); provided, further, that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, incurred by or asserted against the Agent (or any such sub-agent) or such Issuing Bank in its capacity as such, or against any Related Party of any of the foregoing acting for the Agent

(or any such sub-agent) or such Issuing Bank in connection with such capacity. The obligations of the Lenders under this paragraph (c) are subject to the provisions of Section 2.02(e).

(c) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable law, no party hereto shall assert, and each party hereto hereby waives, any claim against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, the Transactions, any Loan or Letter of Credit, or the use of the proceeds thereof; provided that nothing contained in this paragraph shall limit the indemnity and reimbursement obligations of Holdings and the Borrower for such damages awarded to third parties to the extent set forth in paragraphs (a) and (b) above. No Indemnitee referred to in paragraph (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems (including the Platform) in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby, except to the extent of damages caused by the gross negligence, bad faith or willful misconduct of any Indemnitee hereunder, as determined by a final, non-appealable judgment of a court of competent jurisdiction.

(d) Payments. All amounts due under this Section 9.04 shall be payable not later than five Business Days after demand therefor.

(e) Breakage. If any payment of principal of, or Conversion of, any Eurocurrency Rate Loan is made by the Borrower to or for the account of a Lender (i) other than on the last day of the Interest Period for such Loan, as a result of a prepayment or payment or Conversion pursuant to Section 2.08, 2.10 or 2.12, acceleration of the maturity pursuant to Section 7.01 or for any other reason, or by an Eligible Assignee to a Lender other than on the last day of the Interest Period for such Loan upon an assignment of rights and obligations under this Agreement pursuant to Section 9.07 as a result of a demand by the Borrower pursuant to Section 2.18 or (ii) as a result of a prepayment or payment or Conversion pursuant to Section 2.08, 2.10 or 2.12, the Borrower shall, upon demand by such Lender (with a copy of such demand to the Agent), pay to the Agent for the account of such Lender any amounts required to compensate such Lender for any additional losses, costs or expenses that it may reasonably incur as a result of such payment or Conversion, including any loss (including loss of anticipated profits), cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by any Lender to fund or maintain such Loan.

(f) Without prejudice to the survival of any other agreement of Holdings or the Borrower hereunder, the agreements and obligations of Holdings and the Borrower contained in Sections 2.11, 2.14 and 9.04 shall survive the payment in full of principal, interest and all other amounts payable hereunder and under the other Loan Documents.

Section 9.05. Right of Set-Off. If an Event of Default shall have occurred and be continuing, each Lender, each Issuing Bank, and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held, and other obligations (in whatever currency) at any time owing, by such Lender, such Issuing Bank or any such Affiliate, to or for the credit or the account of Holdings or the Borrower against any and all of the obligations of Holdings or the Borrower now or hereafter existing under this Agreement or any other Loan Document to such Lender or such Issuing Bank or their respective Affiliates, irrespective of whether or not

such Lender, Issuing Bank or Affiliate shall have made any demand under this Agreement or any other Loan Document and although such obligations of Holdings or the Borrower may be contingent or unmatured or are owed to a branch, office or Affiliate of such Lender or such Issuing Bank different from the branch, office or Affiliate holding such deposit or obligated on such indebtedness; provided that in the event that any Defaulting Lender shall exercise any such right of set-off, (x) all amounts so set off shall be paid over immediately to the Agent for further application in accordance with the provisions of Section 2.20 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Agent, the Issuing Banks, and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Agent a statement describing in reasonable detail the Loans owing to such Defaulting Lender as to which it exercised such right of set-off. The rights of each Lender, each Issuing Bank and their respective Affiliates under this Section 9.05 are in addition to other rights and remedies (including other rights of set-off) that such Lender, such Issuing Bank or their respective Affiliates may have. Each Lender and Issuing Bank agrees to notify the Borrower and the Agent promptly after any such set-off and application; provided that the failure to give such notice shall not affect the validity of such set-off and application.

Section 9.06. Binding Effect. This Agreement shall become effective on and as of the Closing Date and thereafter shall be binding upon and inure to the benefit of Holdings, the Borrower, the Agent, the Issuing Banks and each Lender and their respective successors and assigns, except that neither the Borrower nor any other Loan Party shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Agent and the Lenders (and any other attempted assignment or transfer by any party hereto shall be null and void).

Section 9.07. Assignments and Participations. (a) Successors and Assigns Generally. No Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of paragraph (b) of this Section 9.07, (ii) by way of participation in accordance with the provisions of paragraph (d) of this Section 9.07, or (iii) by way of pledge or assignment of a security interest subject to the restrictions of paragraph (e) of this Section 9.07 (and any other attempted assignment or transfer by any Lender shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in paragraph (d) of this Section 9.07 and, to the extent expressly contemplated hereby, the Related Parties of each of the Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(a) Assignments by Lenders. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans (in each case with respect to any Facility) at the time owing to it); provided that (in each case with respect to any Facility) any such assignment shall be subject to the following conditions:

(ii) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and/or the Loans at the time owing to it (in each case with respect to any Facility) or contemporaneous assignments to related Approved Funds that equal at least the amount specified in paragraph (b)(i)(B) of this Section 9.07 in the aggregate or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in paragraph (b)(i)(A) of this Section 9.07, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding

thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Agent or, if “Trade Date” is specified in the Assignment and Assumption, as of the Trade Date) shall not be less than \$2,500,000, in the case of any assignment in respect the Revolving Credit Facility, or \$1,000,000, in the case of any assignment in respect of any other Facilities, unless each of the Agent and, so long as no Event of Default has occurred and is continuing, the Borrower, otherwise consents (each such consent not to be unreasonably withheld or delayed).

(iii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender’s rights and obligations under this Agreement with respect to the Loan or the Commitment assigned, except that this clause (ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-*pro rata* basis.

(iv) Required Consents. No consent shall be required for any assignment except to the extent required by paragraph (b)(i)(B) of this Section 9.07 and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (x) an Event of Default has occurred and is continuing at the time of such assignment or (y) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; provided that if consent of the Borrower is required, the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Agent within ten Business Days after having received written notice thereof;

(B) the consent of the Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments in respect of (i) the Revolving Credit Facility and (ii) any Term Loans if such assignment is to a Person who is not a Lender, an Affiliate of a Lender or an Approved Fund; and

(C) the consent of each Issuing Bank (such consent not to be unreasonably withheld or delayed) shall be required for any assignment in respect of the Revolving Credit Facility.

(v) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500; provided that the Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it is not a Lender, shall deliver to the Agent an Administrative Questionnaire.

(vi) No Assignment to Certain Persons. No such assignment shall be made to (A) Holdings or any Affiliate of Holdings, (B) any Defaulting Lender, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (B) or (C) a natural Person.

(vii) Certain Additional Payments. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall

make such additional payments to the Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Agent, the applicable *pro rata* share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Agent, each Issuing Bank and each other Lender hereunder (and interest accrued thereon), and (y) acquire (and fund as appropriate) its full *pro rata* share of all Loans and participations in Letters of Credit in accordance with its Ratable Share. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Agent pursuant to paragraph (c) of this Section 9.07, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 2.11, 2.14 and 9.04 and remain liable under Section 9.04(e) with respect to facts and circumstances occurring prior to the effective date of such assignment; provided that, except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (d) of this Section 9.07.

(b) Register. The Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at one of its offices in the United States a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(c) Participations. Any Lender may, at any time, without the consent of, or notice to, the Borrower, any Issuing Bank or the Agent, sell participations to any Person (other than a natural Person or Holdings, the Borrower or any of Holdings' or the Borrower's Affiliates or subsidiaries) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) the Borrower, the Agent, the Issuing Banks and Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clause (i) or (ii) of the first proviso to Section 9.01(a) that affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.11, 9.04(f) and 2.14 (subject to the requirements and limitations therein, including the requirements under Section 2.14(f) (it being understood and agreed that the documentation required under Section 2.14(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.07; provided that such Participant (A) agrees to be subject to the provisions of Section 2.18 as if it were an assignee under paragraph (b) of this Section 9.07; and (B) shall not be entitled to receive any greater payment under Sections 2.11 or 2.14, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.18 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.05 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.15 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Agent (in its capacity as Agent) shall have no responsibility for maintaining a Participant Register.

(d) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

Section 9.08. Confidentiality. Each of the Agent, the Lenders and the Issuing Banks agree to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its Related Parties (it being understood and agreed that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential); (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners); (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process; provided that such Person shall, to the extent permitted by law, use its commercially reasonable efforts to promptly inform the Borrower of such disclosure and to ensure that such Information is accorded confidential treatment; (d) to any other party hereto; (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action

or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder; (f) to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights and obligations under this Agreement, or (ii) any actual or prospective party (or its Related Parties) to any swap, derivative or other transaction under which payments are to be made by reference to Holdings and its obligations, the Borrower and its obligations, Spinco and its obligations, this Agreement or payments hereunder, in each case who agree to comply with the provisions of this Section 9.08 (or provisions substantially similar to this Section 9.08); (g) on a confidential basis to (i) any rating agency in connection with rating Holdings, the Borrower or the Subsidiaries or the Facilities or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the Facilities; (h) with the consent of the Borrower; (i) in syndication or other marketing materials relating to the Facilities; or (j) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section 9.08, or (y) becomes available to the Agent, any Lender, any Issuing Bank or any of their respective Affiliates on a nonconfidential basis from a source other than Holdings or the Borrower.

For purposes of this Section 9.08, “Information” means all information received from Holdings or any of the Restricted Subsidiaries relating to Holdings or any of the Restricted Subsidiaries or any of their respective businesses, other than any such information that is available to the Agent, any Lender or any Issuing Bank on a nonconfidential basis prior to disclosure by Holdings or any of the Restricted Subsidiaries. Any Person required to maintain the confidentiality of Information as provided in this Section 9.08 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Section 9.09. Governing Law. This Agreement and the other Loan Documents and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement or any other Loan Document (except, as to any other Loan Document, as expressly set forth therein) and the transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the law of the State of New York.

Section 9.10. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by fax or email shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 9.11. Judgment. (a) If for the purposes of obtaining judgment in any court it is necessary to convert a sum due hereunder in Dollars into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Agent could purchase Dollars with such other currency at Citibank’s principal office in London at 11:00 A.M. (London time) on the Business Day preceding that on which final judgment is given.

(a) The obligation of the Borrower in respect of any sum due from it in any currency (the “Primary Currency”) to any Lender or the Agent hereunder shall, notwithstanding any judgment in any other currency, be discharged only to the extent that on the Business Day following receipt by such Lender or the Agent (as the case may be), of any sum adjudged to be so due in such other currency, such Lender or the Agent (as the case may be) may in accordance with normal banking procedures purchase the applicable Primary Currency with such other currency; if the amount of the applicable Primary Currency so purchased is less than such sum due to such Lender or the Agent (as the case may be) in the applicable Primary Currency,

the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify such Lender or the Agent (as the case may be) against such loss, and if the amount of the applicable Primary Currency so purchased exceeds such sum due to any Lender or the Agent (as the case may be) in the applicable Primary Currency, such Lender or the Agent (as the case may be) agrees to remit to the Borrower such excess.

Section 9.12. Jurisdiction, Etc. (a) Jurisdiction. Each of Holdings and the Borrower irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Agent, any Lender, any Issuing Bank, or any Related Party of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in New York County, and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the jurisdiction of such courts and agrees that all claims in respect of any such action, litigation or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by applicable law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Agent, any Lender or any Issuing Bank may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against Holdings, the Borrower, any other Loan Party or their respective properties in the courts of any jurisdiction.

(a) Waiver of Venue. Each of Holdings and the Borrower irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (a) of this Section 9.12. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(b) Service of Process. Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 9.02. Nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable law.

Section 9.13. No Liability of the Issuing Banks. The Borrower assumes all risks of the acts or omissions of any beneficiary or transferee of any Letter of Credit with respect to its use of such Letter of Credit. Neither an Issuing Bank nor any of its Related Parties shall be liable or responsible for: (a) the use that may be made of any Letter of Credit or any acts or omissions of any beneficiary or transferee in connection therewith; (b) the failure to obtain any document (other than any sight draft, certificates and documents expressly required by the applicable Letter of Credit); (c) validity, sufficiency or genuineness of documents, or of any endorsement thereon, even if such documents should prove to be in any or all respects invalid, insufficient, fraudulent or forged; (d) payment by such Issuing Bank against presentation of documents that do not comply with the terms of a Letter of Credit, including failure of any documents to bear any reference or adequate reference to the Letter of Credit; or (e) any other circumstances whatsoever in making or failing to make payment under any Letter of Credit, except that the Borrower shall have a claim against such Issuing Bank, and such Issuing Bank shall be liable to the Borrower, to the extent of any direct, but not special, indirect consequential or punitive, damages suffered by the Borrower that the Borrower proves (as determined by a court of competent jurisdiction by final and nonappealable judgment) were caused by such Issuing Bank's bad faith, willful misconduct or gross negligence when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. In furtherance and

not in limitation of the foregoing, such Issuing Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary; provided that nothing herein shall be deemed to excuse such Issuing Bank if it acts with bad faith, gross negligence or willful misconduct (as determined by a court of competent jurisdiction by final and nonappealable judgment) in accepting such documents.

Section 9.14. Patriot Act Notice. Each Lender and the Agent (for itself and not on behalf of any Lender) hereby notifies Holdings and the Borrower that, pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies each of Holdings and the Borrower and the other Loan Parties, which information includes the name and address of each of Holdings and the Borrower and the other Loan Parties and other information that will allow such Lender or the Agent, as applicable, to identify Holdings and the Borrower and the other Loan Parties in accordance with the Patriot Act. The Borrower shall provide such information and take such actions as are reasonably requested by the Agent or any Lenders in order to assist the Agent and the Lenders in maintaining compliance with the Patriot Act.

Section 9.15. Other Relationships; No Fiduciary Duty. No relationship created hereunder or under any other Loan Document shall in any way affect the ability of the Agent and each Lender to enter into or maintain business relationships with Holdings, the Borrower or any Affiliate thereof beyond the relationships specifically contemplated by this Agreement and the other Loan Documents. Each of Holdings and the Borrower agrees that in connection with all aspects of the transactions contemplated hereby and any communications in connection therewith, Holdings, the Borrower, their respective subsidiaries and their respective Affiliates, on the one hand, and the Agent, the Lenders and their respective Affiliates, on the other hand, will have a business relationship that does not create, by implication or otherwise, any advisory, equitable or fiduciary duties on the part of the Agent, any Lender or any of their respective Affiliates, and no such duties will be deemed to have arisen in connection with any such transactions or communications. Each of Holdings and the Borrower also hereby agrees that none of the Agent, any Lender or any of their respective Affiliates have advised and are advising Holdings, the Borrower or any of their respective subsidiaries or Affiliates as to any legal, accounting, regulatory or tax matters, and that each of Holdings and the Borrower is consulting its own advisors concerning such matters to the extent it deems appropriate.

Section 9.16. **WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.16.**

Section 9.17. Interest Rate Limitation. Notwithstanding anything to the contrary in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable law (the "Maximum Rate"). If the Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be

applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Loan Document Obligations hereunder.

Section 9.18. Intercreditor Agreement. Each of the Lenders and the other Secured Parties (a) acknowledges that it has received a copy of the Leidos/Spinco Intercreditor Agreement, (b) consents to the terms of the Leidos/Spinco Intercreditor Agreement, (c) authorizes and instructs the Agent to enter into the Leidos/Spinco Intercreditor Agreement or other intercreditor agreements (and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements in connection with the incurrence by any Loan Party of any Indebtedness of such Loan Party that is permitted to be secured by the Collateral pursuant to Section 6.01 of this Agreement, in order to permit such Indebtedness to be secured by a valid, perfected Lien (with such priority as may be designated by such Loan Party, to the extent such priority is permitted by the Loan Documents)) as collateral agent and on behalf of such Person, and by its acceptance of the benefits of the Security and Guarantee Documents, hereby acknowledges that the Leidos/Spinco Intercreditor Agreement and any such other intercreditor agreement is or will be, as applicable, binding upon it and (d) agrees that it will be bound by and will take no actions contrary to the provisions of the Leidos/Spinco Intercreditor Agreement or such other intercreditor agreements (and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements in connection with the incurrence by any Loan Party of any Indebtedness of such Loan Party that is permitted to be secured by the Collateral pursuant to Section 6.01 of this Agreement, in order to permit such Indebtedness to be secured by a valid, perfected Lien (with such priority as may be designated by such Loan Party, to the extent such priority is permitted by the Loan Documents)), and to subject the Liens on the Collateral securing the Obligations to the provisions thereof subject, in each case, to the provisions of Section 8.10(b) hereof.

Section 9.19. Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among the parties hereto or to any other Loan Document, each party hereto acknowledges that any liability of any EEA Financial Institution (as defined below) arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write Down and Conversion Powers (as defined below) of an EEA Resolution Authority (as defined below) and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action (as defined below) on any such liability, including, if applicable:

(ii) a reduction in full or in part or cancellation of any such liability;

(iii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will

be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iv) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

The following terms shall for purposes of this Section 9.19 have the meanings set forth below:

NOW, THEREFORE, the parties hereto agree as follows:

SECTION 1. Restatement of the Existing Credit Agreement. Effective as of the Restatement Effective Date, the Existing Credit Agreement is hereby amended and restated to read in its entirety as set forth in Annex A attached hereto (as so amended and restated, the “Restated Credit Agreement”).

SECTION 2. Transactions on the Restatement Effective Date.

o Effect on the A3 Term Loan Lenders and Existing A3 Term Loans. § Subject to the conditions set forth herein and the terms hereof, on the Restatement Effective Date, (A) each New A3 Term Loan Lender shall become, and each Continuing A3 Term Loan Lender shall continue to be, an “A3 Term Loan Lender” and a “Lender” under the Restated Credit Agreement and (B) each New A3 Term Loan Lender shall have, and each Continuing A3 Term Loan Lender shall continue to have, all the rights and obligations of an “A3 Term Loan Lender” and a “Lender” holding an A3 Term Loan under the Restated Credit Agreement.

Upon payment to a Decreasing A3 Term Loan Lender of (I) the A3 Purchase Price with respect to its A3 Decrease Amount of its Existing A3 Term Loans from the Administrative Agent (on behalf of the New A3 Term Loan Lenders) and (II) accrued and unpaid interest and fees (if any) in respect of its A3 Decrease Amount of its Existing A3 Term Loans through but excluding the Restatement Effective Date and all other amounts payable to it as of the Restatement Effective Date under the Loan Documents in respect of its A3 Decrease Amount of its Existing A3 Term Loans and other interests assigned by it under this Section 2(a)(ii) (including any amounts due under Section 9.04(f) of the Existing Credit Agreement that are payable as of the Restatement Effective Date) from the Borrower (and without the requirement of any further action on the part of such Decreasing A3 Term Loan Lender), such Decreasing A3 Term Loan Lender shall cease to be a party to the Existing Credit Agreement with respect to its A3 Decrease Amount of its Existing A3 Term Loans (and its interests, rights and obligations in respect thereof) deemed assigned by it under this Section 2(a)(ii). Each New A3 Term Loan Lender shall make the payment for the assumption deemed made by it pursuant to this Section 2(a)(ii) by wire transfer on the Restatement Effective Date of immediately available funds to the Administrative Agent in an amount equal to the A3 Purchase Price applicable to the Existing A3 Term Loans assumed by it pursuant to this Section 2(a)(ii), and the Administrative Agent will promptly distribute, by remitting in like funds, such amounts received by it to the Departing A3 Term Loan Lenders and Decreasing A3 Term Loan Lenders in accordance with their interests therein.

(b) Effect on the A5 Term Loan Lenders and Existing A5 Term Loans. § Subject to the conditions set forth herein and the terms hereof, on the Restatement Effective Date, (A) each New A5 Term Loan Lender shall become, and each Continuing A5 Term Loan Lender shall continue to be, an “A5 Term Loan Lender” and a “Lender” under the Restated Credit Agreement and (B) each New A5 Term Loan Lender shall have, and each Continuing A5 Term Loan Lender shall

continue to have, all the rights and obligations of an “A5 Term Loan Lender” and a “Lender” holding an A5 Term Loan under the Restated Credit Agreement.

(i) On the Restatement Effective Date, each (x) Departing A5 Term Loan Lender and (y) Continuing A5 Term Loan Lender with respect to which the aggregate principal amount of Existing A5 Term Loans held by it immediately prior to the Restatement Effective Date is greater than the amount set forth opposite its name on Schedule II-B hereof (such Continuing A5 Term Loan Lender, a “Decreasing A5 Term Loan Lender” and the difference in such amounts, such Decreasing A5 Term Loan Lender’s “A5 Decrease Amount”) shall be deemed to have assigned and delegated its Existing A5 Term Loans (in the case of a Departing A5 Term Loan Lender) or its A5 Decrease Amount of its Existing A5 Term Loans (in the case of a Decreasing A5 Term Loan Lender), together with all of its interests, rights (other than its existing rights to payments pursuant to Section 2.11 or 2.14 of the Existing Credit Agreement) and obligations under the Loan Documents in respect thereof, at a purchase price equal to the par principal amount of such Loans (the “A5 Purchase Price”), and each New A5 Term Loan Lender shall be deemed to have assumed and accepted the proportionate part of the Existing A5 Term Loans of the Departing A5 Term Loan Lenders and the A5 Decrease Amounts of the Decreasing A5 Term Loan Lenders to such extent as shall be necessary in order that, after giving effect to all such assignments and delegations, each Continuing A5 Term Loan Lender and New A5 Term Loan Lender shall hold Existing A5 Term Loans in an aggregate principal amount that is equal to the amount set forth opposite its name on Schedule II-B hereto and each Departing A5 Term Loan Lender shall hold no Existing A5 Term Loans (it being understood that the aggregate amount of all such Existing A5 Term Loans so assigned and delegated is \$4,731,289.79). Each New A5 Term Loan Lender shall be deemed to have assumed a percentage of the Existing A5 Term Loans of each Departing A5 Term Loan Lender and a percentage of the A5 Decrease Amount of the Existing A5 Term Loans of each Decreasing A5 Term Loan Lender that is equal to (A) the aggregate principal amount of the Existing A5 Term Loans of all the Departing A5 Term Loan Lenders and the aggregate principal amount of the A5 Decrease Amounts of the Existing A5 Term Loans of all Decreasing A5 Term Loan Lenders that will be assumed by such New A5 Term Loan Lender divided by (B) the sum of (a) the aggregate principal amount of the Existing A5 Term Loans of all Departing A5 Term Loan Lenders and (b) the aggregate principal amount of the A5 Decrease Amounts of the Existing A5 Term Loans of all Decreasing A5 Term Loan Lenders. Upon payment to a Departing A5 Term Loan Lender of (I) the A5 Purchase Price with respect to its Existing A5 Term Loans from the Administrative Agent (on behalf of the New A5 Term Loan Lenders) and (II) accrued and unpaid interest and fees (if any) in respect of its Existing A5 Term Loans through but excluding the Restatement Effective Date and all other amounts payable to it as of the Restatement Effective Date under the Loan Documents in respect of its Existing A5 Term Loans and other interests assigned by it under this Section 2(b)(ii) (including any amounts due under Section 9.04(f) of the Existing Credit Agreement that are payable as of the Restatement Effective Date) from the Borrower (and without the requirement of any further action on the part of such Departing A5 Term Loan Lender), such Departing A5 Term Loan Lender shall cease to be a party to the Existing Credit Agreement with respect to the Existing A5 Term Loans (and its interests, rights and obligations in respect thereof) deemed assigned by it under this Section 2(b)(ii). Upon payment to a Decreasing A5 Term Loan Lender of (I) the A5 Purchase Price with respect to its A5 Decrease Amount of its Existing A5 Term Loans from the Administrative Agent (on behalf of the New A5 Term Loan Lenders) and (II) accrued and unpaid interest and fees (if any)

in respect of its A5 Decrease Amount of its Existing A5 Term Loans through but excluding the Restatement Effective Date and all other amounts payable to it as of the Restatement Effective Date under the Loan Documents in respect of its A5 Decrease Amount of its Existing A5 Term Loans and other interests assigned by it under this Section 2(b)(ii) (including any amounts due under Section 9.04(f) of the Existing Credit Agreement that are payable as of the Restatement Effective Date) from the Borrower (and without the requirement of any further action on the part of such Decreasing A5 Term Loan Lender), such Decreasing A5 Term Loan Lender shall cease to be a party to the Existing Credit Agreement with respect to its A5 Decrease Amount of its Existing A5 Term Loans (and its interests, rights and obligations in respect thereof) deemed assigned by it under this Section 2(b)(ii). Each New A5 Term Loan Lender shall make the payment for the assumption deemed made by it pursuant to this Section 2(b)(ii) by wire transfer on the Restatement Effective Date of immediately available funds to the Administrative Agent in an amount equal to the A5 Purchase Price applicable to the Existing A5 Term Loans assumed by it pursuant to this Section 2(b)(ii), and the Administrative Agent will promptly distribute, by remitting in like funds, such amounts received by it to the Departing A5 Term Loan Lenders and Decreasing A5 Term Loan Lenders in accordance with their interests therein.

(c) Effect on the B Term Loan Lenders and Existing B Term Loans. § Subject to the terms and conditions set forth herein, on the Restatement Effective Date, (A) the New B Term Loan Lender shall become, and each Continuing B Term Loan Lender shall continue to be, a “B Term Loan Lender” and a “Lender” under the Restated Credit Agreement and (B) the New B Term Loan Lender shall have, and each Continuing B Term Loan Lender shall continue to have, all the rights and obligations of a “B Term Loan Lender” and a “Lender” holding a B Term Loan under the Restated Credit Agreement.

(i) On the Restatement Effective Date, pursuant to Section 2.18(b) of the Restated Credit Agreement, each Departing B Term Loan Lender shall be deemed to have assigned and delegated its Existing B Term Loans, together with all of its interests, rights (other than its existing rights to payments pursuant to Section 2.11 or 2.14 of the Existing Credit Agreement) and obligations under the Loan Documents in respect thereof, to the New B Term Loan Lender at a purchase price equal to the par principal amount of such Loans (the “TLB Purchase Price”), and the New B Term Loan Lender shall be deemed to have assumed and accepted the aggregate principal amount of such Existing B Term Loans deemed assigned by such Departing B Term Loan Lenders; it being understood and agreed that the aggregate principal amount of all such Existing B Term Loans so assigned and delegated is \$18,158,750.24. Upon payment to a Departing B Term Loan Lender of (I) the TLB Purchase Price with respect to its Existing B Term Loans from the New B Term Loan Lender and (II) accrued and unpaid interest and fees (if any) in respect of its Existing B Term Loans through but excluding the Restatement Effective Date and all other amounts payable to it as of the Restatement Effective Date under the Loan Documents in respect of its Existing B Term Loans and other interests assigned by it under this Section 2(c)(ii) (including any amounts due under Section 9.04(f) of the Existing Credit Agreement that are payable as of the Restatement Effective Date) from the Borrower (and without the requirement of any further action on the part of such Departing B Term Loan Lender), such Departing B Term Loan Lender shall cease to be a party to the Existing Credit Agreement with respect to the Existing B Term Loans (and its interests, rights and obligations in respect thereof) deemed assigned by it under this Section 2(c)(ii).

(d) The Borrower shall be deemed to have given notice to the Administrative Agent, each Departing A3 Term Loan Lender, each Departing A5 Term Loan Lender and each Departing B Term Loan Lender as required by Section 2.18(b) of the Existing Credit Agreement.

(e) Each New A3 Term Loan Lender, each New A5 Term Loan Lender and the New B Term Loan Lender, by delivering its signature page to this Agreement and assuming Existing A3 Term Loans, Existing A5 Term Loans or Existing B Term Loans, as applicable, hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, (i) the amendment of the Existing Credit Agreement provided for herein and (ii) each Loan Document and each other document required to be approved by any Agent, the Required Lenders or any other Lenders, as applicable, on the Restatement Effective Date (and after giving effect to the restatement of the Existing Credit Agreement provided for in this Agreement).

(f) The Administrative Agent, by delivering its signature page to this Agreement, consents to this Agreement and confirms that each New A3 Term Loan Lender, each New A5 Term Loan Lender and the New B Term Loan Lender is acceptable to it.

(g) Notwithstanding anything to the contrary, each New A3 Term Loan Lender, each New A5 Term Loan Lender, each Continuing A3 Term Loan Lender and each Continuing A5 Term Loan Lender consents to the allocations set forth on Schedules I-B and II-B.

(h) For purposes of clarity, (i) all Existing A3 Term Loans shall continue to be outstanding as A3 Term Loans under the Restated Credit Agreement on and after the Restatement Effective Date, (ii) all Existing A5 Term Loans shall continue to be outstanding as A5 Term Loans under the Restated Credit Agreement on and after the Restatement Effective Date and (iii) all Existing B Term Loans shall continue to be outstanding as B Term Loans under the Restated Credit Agreement on and after the Restatement Effective Date, in each case, subject to the terms of the Restated Credit Agreement.

SECTION 3. Consent Fees. The Borrower agrees to pay to the Administrative Agent for the account of each Continuing A5 Term Loan Lender that executes and delivers a copy of this Agreement to the Administrative Agent (or its counsel) on or prior to the Amendment Signing Date and Time, a consent fee (the "Consent Fees") in an amount equal to 0.075% of the aggregate principal amount of the outstanding Existing A5 Term Loans of such Continuing A5 Term Loan Lender as of immediately prior to the Amendment Signing Date and Time. The Consent Fees shall be payable in immediately available funds on, and subject to the occurrence of, the Restatement Effective Date, shall not be subject to setoff or counterclaim and shall be in addition to any other fees or amounts otherwise payable pursuant to this Agreement or any of the other Loan Documents.

SECTION 4. Conditions to Effectiveness of Agreement. (c) The Administrative Agent shall have received (x) certified copies of the certificate or articles of incorporation (or comparable organizational document), including all amendments thereto, of the Borrower and Holdings as in effect on the Restatement Effective Date, certified as of a recent date by the Secretary of State (or comparable entity) of the jurisdiction of its organization (or, where applicable, a certificate of a secretary or assistant secretary of such Person certifying (1) that the applicable certificate or articles of incorporation (or comparable organizational document) delivered on the First Amendment Effective Date were true and correct as of the First Amendment Effective Date and (2) as of the Restatement Effective Date there have been no amendments or modifications to such documents since the First Amendment Effective Date and that such documents remain in full force and effect) and (y) a certificate as to the good standing of the Borrower and Holdings as of a recent date, from the Secretary of State (or comparable entity) of the jurisdiction of its organization.

(e) The representations and warranties made or deemed to be made in this Agreement shall be true and correct in all material respects.

(f) The Administrative Agent shall have received a certificate from each of the Borrower and Holdings, in each case dated the Restatement Effective Date, and signed by an officer of the Borrower or Holdings, as applicable, certifying to the matters set forth in clause (e) of this Section 4.

(g) The Borrower shall have paid all fees and other amounts due and payable on or prior to the Restatement Effective Date pursuant to this Agreement (including the Consent Fees) or as separately agreed by the Borrower and any of the Arrangers or Lenders and all invoiced expenses of the Administrative Agent and the Arrangers relating hereto (including those of counsel to the Administrative Agent and the Arrangers).

(h) The Borrower shall have paid to the Administrative Agent in immediately available funds an aggregate amount equal to the aggregate payments required to be made by the Borrower to the assignors pursuant to Sections 2(a)(ii), 2(b)(ii), and 2(c)(ii) hereof. The New A3 Term Loan Lenders and the New A5 Term Loan Lenders shall have paid to the Administrative Agent immediately available funds in an aggregate amount equal to the aggregate payments required to be made by such parties to the Departing A3 Term Loan Lenders, Decreasing A3 Term Loan Lenders, Departing A5 Term Loan Lenders and Decreasing A5 Term Loan Lenders, as applicable, pursuant to Sections 2(a)(ii) and 2(b)(ii) hereof.

(j) The Administrative Agent shall have received evidence that the Concurrent Leidos Amendment has become effective or will become effective substantially simultaneously with the effectiveness of this Agreement, on terms reasonably satisfactory to the Administrative Agent.

(k) The Administrative Agent shall have received the Reaffirmation Agreement attached as Exhibit B to this Agreement, executed by each Loan Party other than Holdings and the Borrower.

The Administrative Agent shall notify the Borrower, the Existing A3 Term Loan Lenders, each New A3 Term Loan Lender, the Existing A5 Term Loan Lenders, each New A5 Term Loan Lender, the Existing B Term Loan Lenders and the New B Term Loan Lender of the Restatement Effective Date, and such notice shall be conclusive and binding absent manifest error.

For purposes of determining compliance with the conditions specified above, each Lender party to this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with each document or other matter required hereunder to be consented to or approved by or acceptable or satisfactory to such Person unless the Administrative Agent shall have received written notice from such Person prior to the Restatement Effective Date specifying its objection thereto.

SECTION 5. Representations and Warranties. Each of Holdings and the Borrower hereby represents and warrants to the Administrative Agent and each Lender on the Restatement Effective Date that:

(a) This Agreement has been duly authorized, executed and delivered by each of Holdings and the Borrower and constitutes a legal, valid and binding obligation of each of Holdings and the Borrower, enforceable against each of Holdings and the Borrower in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

(b) The representations and warranties of each Loan Party set forth in the Loan Documents are true and correct (i) in the case of the representations and warranties qualified or modified as to materiality in the text thereof, in all respects and (ii) otherwise, in all material respects, in each case on and as of the Restatement Effective Date, except in the case of any such representation and warranty that expressly relates to an earlier date, in which case such representation and warranty shall be so true and correct, or true and correct in all material respects, as applicable, on and as of such earlier date, and except that (x) the representations and warranties contained in Section 4.06(a) of the Existing Credit Agreement will be deemed to refer to the most recent financial statements that have been delivered pursuant to Section 5.08 of the Existing Credit Agreement and (y) for the representations and warranties contained in Section 4.11(b) of the Existing Credit Agreement, references to "immediately after the consummation of the Transactions" will be deemed replaced with the text "immediately after giving effect to the transactions to occur on the Restatement Effective Date".

(c) No Default or Event of Default has occurred and is continuing or would result from the transactions provided for in this Agreement.

SECTION 6. Effects on Loan Documents; No Novation. o Except as expressly set forth herein, this Agreement shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Existing Credit Agreement, the Restated Credit Agreement or any other Loan Document, all of which shall continue to be in full force and effect and are hereby in all respects ratified and confirmed.

o Except as expressly set forth herein, the execution, delivery and effectiveness of this Agreement shall not operate as a waiver of any right, power or remedy of any Lender or the Administrative Agent under any of the Loan Documents, nor constitute a waiver of any provision of the Loan Documents or in any way limit, impair or otherwise affect the rights and remedies of the Administrative Agent or the Lenders under the Loan Documents. Nothing herein shall be deemed to entitle the Borrower or any other Loan Party to a consent to, or a waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Restated Credit Agreement or any other Loan Document in similar or different circumstances.

(a) On and after the Restatement Effective Date, each reference in the Restated Credit Agreement to "this Agreement", "hereunder", "hereof", "herein" or words of like import, and each reference to the "Credit Agreement", "thereunder", "thereof", "therein" or words of like

import in any other Loan Document, shall be deemed a reference to the Restated Credit Agreement. The Borrower and the other parties hereto acknowledge and agree that this Agreement shall constitute a Loan Document for all purposes of the Existing Credit Agreement, the Restated Credit Agreement and the other Loan Documents.

(b) Neither this Agreement nor the effectiveness of the Restated Credit Agreement shall extinguish the obligations for the payment of money outstanding under the Existing Credit Agreement or discharge or release the Lien or priority of any Security and Guarantee Document or any other security therefor or any guarantee thereof. Nothing herein contained shall be construed as a substitution or novation of the Obligations outstanding under the Existing Credit Agreement or the Security and Guarantee Documents or instruments guaranteeing or securing the same, which shall remain in full force and effect, except as modified hereby or by instruments executed concurrently herewith. Nothing expressed or implied in this Agreement, the Restated Credit Agreement or any other document contemplated hereby or thereby shall be construed as a release or other discharge of any Loan Party under any Loan Document from any of its obligations and liabilities thereunder.

SECTION 7. Acknowledgement. Each party hereto hereby acknowledges and agrees that this Agreement constitutes a written instrument of assignment and delegation as required by Section 2.18(d) of the Existing Credit Agreement.

SECTION 8. Waiver. The Agent hereby waives the processing and recordation fee provided for in Section 9.07(b) (iv) of the Existing Credit Agreement in connection with any assignment of (i) A3 Term Loans by Departing A3 Term Loan Lenders or Decreasing A3 Term Loan Lenders to New A3 Term Loan Lenders, (ii) A5 Term Loans by Departing A5 Term Loan Lenders or Decreasing A5 Term Loan Lenders to New A5 Term Loan Lenders or (iii) B Term Loans by Departing B Term Loan Lenders to the New B Term Loan Lender.

SECTION 9. Further Assurances. Each of the Borrower and Holdings agrees to take any further action that is reasonably requested by the Administrative Agent to effect the purposes of this Agreement and the transactions contemplated hereby.

SECTION 10. APPLICABLE LAW, JURISDICTION, WAIVER OF JURY TRIAL. THE PROVISIONS OF SECTIONS 9.09, 9.12 AND 9.16 OF THE EXISTING CREDIT AGREEMENT ARE HEREBY INCORPORATED BY REFERENCE HEREIN, MUTATIS MUTANDIS.

SECTION 11. Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or email shall be effective as delivery of an originally executed counterpart of this Agreement.

SECTION 12. Notices. All notices, requests and demands to or upon the respective parties hereto shall be given in the manner, and become effective, as set forth in Section 9.02 of the Restated Credit Agreement.

The Applicable Margin with respect to any A3 Term Loan and any A5 Term Loan, other than for any day during a Lien Suspension Period, shall be re-determined quarterly on the first Business Day following the date of delivery to the Agent of the calculation of the Senior Secured Leverage Ratio based on the financial statements and the accompanying Compliance Certificate required to be delivered pursuant to Section 5.08(a) or (b), as applicable. If the Agent has not received such financial statements and the

accompanying Compliance Certificate setting forth such calculation when due pursuant to Section 5.08(a) or (b), as applicable, the Applicable Margin (in the case of any A3 Term Loan or any A5 Term Loan) shall be determined as if Pricing Level III of the applicable table above shall have applied until the first Business Day after the date of delivery of such financial statements and the accompanying Compliance Certificate setting forth such calculation to Agent. At any time upon the occurrence and during the continuance of any Event of Default, the Applicable Margin (in the case of any A3 Term Loan or any A5 Term Loan) shall be set at Pricing Level III of the applicable table above. In the event that any financial statement or Compliance Certificate delivered pursuant to Section 5.08(a) or (b), as applicable, is shown to be inaccurate, and such inaccuracy, if corrected, would have led to the application of a higher Applicable Margin (in the case of any A3 Term Loan or any A5 Term Loan) for any period (a “Margin Applicable Period”) than the Applicable Margin actually applied for such Margin Applicable Period, then (i) the Borrower shall promptly upon becoming aware of any such inaccuracy deliver to the Agent a corrected Compliance Certificate for such Margin Applicable Period and (ii) the Borrower shall promptly pay to the Agent the accrued additional amounts owing as a result of such increased Applicable Margin for such Margin Applicable Period.

Each change in the Applicable Margin based on the Corporate Ratings shall apply during the period commencing on the effective date of such change and ending on the date immediately preceding the effective date of the next such change. If the rating system of Moody’s or S&P shall change, or if either such rating agency shall cease to be in the business of rating corporate debt obligations, the Borrower and the Lenders shall negotiate in good faith to amend the definition of “Applicable Margin” to reflect such changed rating system or the unavailability of ratings from such rating agency and, pending the effectiveness of any such amendment, the Applicable Margin shall be determined by reference to the Corporate Rating most recently in effect prior to such change or cessation.

SECTION 1.07. Pro Forma Calculations. (a) Notwithstanding anything to the contrary herein, the Leverage Ratio and the Senior Secured Leverage Ratio shall be calculated in the manner prescribed by this Section 1.07; provided that when calculating any such ratio for the purpose of (i) the definition of Applicable Margin, (ii) any mandatory prepayment under Section 2.10(b)(iii) or (iii) actual compliance with the Financial Covenant, the events set forth in clauses (b), (c) and (d) below that occurred subsequent to the end of the applicable Test Period shall not be given *pro forma* effect.

(a) For purposes of calculating the Leverage Ratio and the Senior Secured Leverage Ratio, all Specified Transactions (and the incurrence or repayment of any Indebtedness by Holdings or any of the Restricted Subsidiaries and the granting or terminating of any Liens in connection therewith) that have been consummated (i) during the applicable period of four consecutive fiscal quarters for which such financial ratio is being determined (the “Test Period”) or (ii) subsequent to such Test Period and prior to or substantially simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a *pro forma* basis assuming that all such Specified Transactions (and any increase or decrease in EBITDA and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Test Period.

(b) If *pro forma* effect is to be given to a Specified Transaction, the *pro forma* calculations shall be made in good faith based upon reasonable assumptions (and certified in writing) by a Financial Officer of Holdings and include only those adjustments that are (A) directly attributable to the Specified Transactions with respect to which such adjustments are to be made, (B) factually supportable and reasonably identifiable (in the good faith determination of a Financial Officer of Holdings) (and, for the avoidance of doubt, the adjustments referred to above (and subject to the requirements specified therein) may include adjustments that reflect cost savings, operating expense reductions, and synergies as described in clause (1) of the definition of “EBITDA”). For the avoidance of doubt, all *pro forma* adjustments shall be consistent with, and subject to, the caps and limits set forth in the applicable definitions herein. To the extent compliance with the Financial Covenant is being tested prior to the first test date under the Financial Covenant, in order to determine permissibility of any action by Holdings or the Restricted Subsidiaries, such compliance shall be tested against the applicable ratio for such first test date.

(c) In the event that Holdings or any of the Restricted Subsidiaries incurs (including by assumption or guarantees) or repays (including by redemption, repayment, retirement or extinguishment) any Indebtedness included directly or indirectly in the calculation of the Leverage Ratio or the Senior Secured Leverage Ratio (other than Indebtedness incurred or repaid under any revolving credit facility in the Ordinary Course of Business for working capital purposes) subsequent to the end of the applicable Test Period and prior to or substantially simultaneously with the event for which the calculation of any such ratio is made, then the Leverage Ratio and/or the Senior Secured Leverage Ratio shall be calculated giving *pro forma* effect to such incurrence or repayment of Indebtedness, to the extent required, as if the same had occurred on the last day of the applicable Test Period.

(d) Notwithstanding anything to the contrary herein, to the extent that the terms of this Agreement require (i) compliance with any financial ratio or test (including any Leverage Ratio test, any Senior Secured Leverage Ratio test or the amount of Total Assets or the amount of EBITDA) or (ii) the absence of a Default or Event of Default (or any type of Default or Event of Default) as a condition to the making of any Limited Condition Acquisition or incurrence of Indebtedness in connection therewith, the determination of whether the relevant condition is satisfied may be made, at the election of the Borrower, at the time of (or on the basis of the financial statements for the most recently ended Test Period at the time of) either (x) the execution of the definitive agreement with respect to such Limited Condition Acquisition or (y) the consummation of the Limited Condition Acquisition and related incurrence of Indebtedness, in each case, after giving effect to the relevant Limited Condition Acquisition and related incurrence of Indebtedness, on a *pro forma* basis; provided that notwithstanding the foregoing, the absence of an Event of Default under Section 7.01(a) or (e) shall be a condition to the consummation of any such Limited Condition Acquisition and incurrence of Indebtedness. If the Borrower has made such an election to test at the time of the execution of the definitive agreement with respect to such Limited Condition Acquisition, then, in connection with any subsequent calculation of any ratio or test on or following the relevant determination date, and prior to the earlier of (x) the date on which such Limited Condition Acquisition is consummated

or (y) the date that the definitive agreement for such Limited Condition Acquisition is terminated or expires without consummation of such Limited Condition Acquisition, any such ratio or test shall be calculated on (A) a *pro forma* basis assuming such Limited Condition Acquisition or any transactions in connection therewith (including any incurrence of Indebtedness, Liens and the use of proceeds thereof) has been consummated, and also on (B) a standalone basis without giving effect to such Limited Condition Acquisition and any such transactions in connection therewith. In addition, if the proceeds of an Incremental Term Commitment are to be used to finance a Limited Condition Acquisition, then at the option of the Borrower and subject to the agreement of the lenders providing such financing, the commitments in respect thereof may be subject to customary “SunGard” conditionality.

(e) Notwithstanding anything to the contrary herein, with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that does not require compliance with a financial ratio (any such amounts, the “Fixed Amounts”) substantially concurrently with any such amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that requires compliance with a financial ratio (including Section 6.15 hereof, any Senior Secured Leverage Ratio test or any Leverage Ratio test) (any such amounts, the “Ratio-Based Amounts”), it is understood and agreed that the Fixed Amounts shall be disregarded in the calculation of the financial ratio or test applicable to any substantially concurrent utilization of the Ratio-Based Amounts; provided that the foregoing shall not apply to Restricted Payments. Notwithstanding anything to the contrary herein, with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that requires compliance with a financial ratio or test, at all times prior to the first delivery of financial statements pursuant to Section 5.08(a) or (b), compliance shall be determined based on the *pro forma* consolidated financial statements of Holdings delivered pursuant to Section 3.01(j) hereof.

SECTION 1.08. Classification of Loans and Borrowings. For purposes of this Agreement, Loans may be classified and referred to by Class (e.g., a “B Term Loan”) or by Type (e.g., a “Eurocurrency Rate Loan”) or by Class and Type (e.g., a “Eurocurrency Rate B Term Loan”). Borrowings also may be classified and referred to by Class (e.g., a “B Term Loan Borrowing”) or by Type (e.g., a “Eurocurrency Rate Borrowing”) or by Class and Type (e.g., a “Eurocurrency Rate B Term Loan Borrowing”).

ARTICLE II

AMOUNTS AND TERMS OF THE ADVANCES

SECTION 2.01. The Loans. (a) The Term Loans. Subject to the terms and conditions set forth herein, (i) each A3 Term Loan Lender severally (and not jointly) agrees to make a single loan to the Borrower on the Closing Date in Dollars in an amount not to exceed such Lender’s A3 Term Loan Commitment, (ii) each A5 Term Loan Lender severally (and not jointly) agrees to make a single loan to the Borrower on the Closing Date in Dollars in an amount not to exceed such Lender’s A5 Term Loan Commitment and (iii) each B Term Loan Lender severally (and not jointly) agrees to make a single loan to the Borrower on the Closing Date in Dollars in an amount not to exceed such Lender’s B Term Loan Commitment. Amounts borrowed in respect of the Term Loans and repaid or prepaid may not be reborrowed. The initial A3 Term Loan Borrowing shall consist of A3 Term Loans made simultaneously by the A3 Term Loan Lenders in accordance with their respective initial A3 Term Loan Commitments. The initial A5 Term Loan Borrowing shall consist of A5 Term Loans made simultaneously by the A5 Term Loan Lenders in accordance with their respective initial A5 Term Loan Commitments. The initial B Term Loan Borrowing shall consist of B Term Loans made simultaneously by the B Term Loan Lenders in accordance with their respective initial B Term Loan Commitments.

(a) Each Lender having an Incremental Term Commitment, severally and not jointly, hereby agrees, subject to the terms and conditions and relying upon the representations and warranties set forth herein and in the applicable Incremental Assumption Agreement, to make Incremental Term Loans to the Borrower, in an aggregate principal amount not to exceed its Incremental Term Commitment. Amounts paid or prepaid in respect of Incremental Term Loans may not be reborrowed.

SECTION 2.02. Making the Loans. (a) Each Borrowing shall be made on notice, given not later than (x) noon (New York City time) on the third Business Day (in the case of the proposed Borrowing to be made on the Closing Date, 9:00 A.M. (New York City time) one Business Day (or such shorter period as is approved by the Agent)) prior to the date of the proposed Borrowing in the case of a Borrowing consisting of Eurocurrency Rate Loans or (y) noon (New York City time) on the date of the proposed Borrowing in the case of a Borrowing consisting of Base Rate Loans, by the Borrower to the Agent, which shall give to each Appropriate Lender prompt notice thereof by fax or e-mail. Each such notice of a Borrowing (a “Notice of Borrowing”) shall be by telephone, confirmed immediately in writing, or fax in substantially the form of Exhibit B hereto (or in such other form as may be acceptable to the Agent), specifying therein the requested (i) date and Facility of such Borrowing, (ii) Type of Loans comprising such Borrowing, (iii) aggregate amount of such Borrowing, and (iv) in the case of a Borrowing consisting of Eurocurrency Rate Loans, initial Interest Period. Each Appropriate Lender shall (1) before noon (New York City time) on the date of such Borrowing, in the case of a Borrowing consisting of Eurocurrency Rate Loans and (2) before 2:00 P.M. (New York City time) on the date of such Borrowing, in the case of a Borrowing consisting of Base Rate Loans, make available for the account of its Applicable Lending Office to the Agent at the applicable Agent’s Account, in same day funds, such Lender’s ratable portion of such Borrowing. After the Agent’s receipt of such funds and upon fulfillment of the applicable conditions set forth in Article III, the Agent will make such funds available to the Borrower at the Agent’s address referred to in Section 9.02 or at the applicable Payment Office, as the case may be. Notwithstanding any other provision contained herein to the contrary, the last day of each Interest Period in effect with respect to each B Term Loan outstanding immediately prior to (x) the First Amendment Effective Date shall be deemed to be the First Amendment Effective Date, and on the First Amendment Effective Date, the Borrower shall pay interest on the unpaid principal amount of each B Term Loan that is accrued and unpaid through but excluding the First Amendment Effective Date at the rate *per annum* applicable to such Interest Period under Section 2.07(a)(i) or 2.07(a)(ii), as applicable, and (y) the Second Amendment Restatement Date shall be deemed to be the Second Amendment Restatement Date, and on the Second Amendment Restatement Date, the Borrower shall pay interest on the unpaid principal amount of each B Term Loan that is accrued and unpaid through but excluding the Second Amendment Restatement Date at the rate *per annum* applicable to such Interest Period under Section 2.07(a)(i) or 2.07(a)(ii), as applicable. Each B Term Loan outstanding as of (A) the First Amendment Effective Date will be deemed continued on the First Amendment Effective Date as a B Term Loan with an initial Interest Period as set forth on the notice of continuation attached as Exhibit A to the First Amendment and (B) the Second Amendment Restatement Date will be deemed continued on the Second Amendment Restatement Date as a B Term Loan with an initial Interest Period as set forth on the notice of continuation attached as Exhibit A to the Second Amendment. Notwithstanding any other provision contained herein to the contrary, the last day of each Interest Period in effect with respect to each A3 Term Loan and A5 Term Loan outstanding immediately prior to the Second Amendment Restatement Date shall be deemed to be the Second Amendment Restatement Date, and on the Second Amendment Restatement Date, the Borrower shall pay interest on the unpaid principal amount of each A3 Term Loan and A5 Term Loan that is accrued and unpaid through but excluding the Second Amendment Restatement Date at the rate *per annum* applicable to such Interest Period under Section 2.07(a)(i) or 2.07(a)(ii), as applicable. Each A3 Term Loan or A5 Term Loan outstanding as of the Second Amendment Restatement Date will be deemed continued on the Second Amendment Restatement Date as an A3 Term Loan or A5 Term Loan, as applicable, with an initial Interest Period as set forth on the notice of continuation attached as Exhibit A to the Second Amendment.

(a) Anything in subsection (a) above to the contrary notwithstanding, (i) the Borrower may not select Eurocurrency Rate Loans for any Borrowing if the aggregate amount of such Borrowing is less than the Borrowing Minimum or if the obligation of the Lenders to make Eurocurrency Rate Loans shall then be suspended pursuant to Section 2.08 or 2.12, and (ii) the Eurocurrency Rate Loans may not be outstanding as part of more than six separate Borrowings.

(b) Each Notice of Borrowing shall be irrevocable and binding on the Borrower. In the case of any Borrowing that the related Notice of Borrowing specifies is to be comprised of Eurocurrency Rate Loans, the Borrower shall indemnify each Appropriate Lender against any loss, cost or expense incurred by such Lender as a result of any failure to fulfill on or before the date specified in such Notice of Borrowing for such Borrowing the applicable conditions set forth herein, including any loss (including loss of margin), cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender to fund the Loan to be made by such Lender as part of such Borrowing when such Loan, as a result of such failure, is not made on such date.

(c) Unless the Agent shall have received notice from an Appropriate Lender prior to the time of any Borrowing that such Lender will not make available to the Agent such Lender's ratable portion of such Borrowing, the Agent may assume that such Lender has made such portion available to the Agent on the date of such Borrowing in accordance with subsection (a) of this Section 2.02 and the Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have so made such ratable portion available to the Agent, such Lender and the Borrower severally agree to repay to the Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Agent, at (i) in the case of the Borrower, the higher of (A) the interest rate applicable at the time to the Loans comprising such Borrowing and (B) the cost of funds incurred by the Agent in respect of such amount and (ii) in the case of such Lender, the Federal Funds Rate. If such Lender shall repay to the Agent such corresponding amount, such amount so repaid shall constitute such Lender's Loan as part of such Borrowing for purposes of this Agreement.

(d) The obligations of the Lenders hereunder to make Loans and to make payments pursuant to Section 9.04(c) are several and not joint. The failure of any Appropriate Lender to make any Loan or to make any payment under Section 9.04(c) on any date required hereunder shall not relieve any other Appropriate Lender of its corresponding obligation to do so on such date and no Lender shall be responsible for the failure of any other Lender to make its Loan or to make its payment under Section 9.04(c).

SECTION 2.03. [Reserved].

SECTION 2.04. Agent Fees. The Borrower shall pay to the Agent for its own account such fees as may from time to time be agreed between the Borrower and the Agent.

SECTION 2.05. Optional Termination or Reduction of the Commitments. The Borrower shall have the right, upon at least three Business Days' notice to the Agent, to terminate in whole or permanently reduce ratably in part the unused Term Commitments (if any) of the Lenders; provided that each partial reduction shall be in the aggregate amount of \$5,000,000 or an integral multiple of \$1,000,000 in excess thereof. SECTION 2.07. Interest on Loans. (a) Scheduled Interest. Subject to Section 2.07(b), the Borrower shall pay interest on the unpaid principal amount of each Loan made to it and owing to each applicable Lender from the date of such Loan until such principal amount shall be paid in full, at the following rates *per annum*:

(i) Base Rate Loans. During such periods as such Loan is a Base Rate Loan, a rate *per annum* equal to the sum of (x) the Base Rate in effect from time to time for such Loan plus (y) the Applicable Margin in effect from time to time for such Loan, payable in arrears quarterly on the last day of each March, June, September and December during such periods and on the date such Base Rate Loan shall be Converted or paid in full.

(ii) Eurocurrency Rate Loans. (b) Default Interest. Upon the occurrence and during the continuance of an Event of Default under Section 7.01(a), including as a result of the acceleration of the Loans pursuant to Section 7.01, the Borrower shall be required to pay interest (“Default Interest”) on (i) the overdue and unpaid principal amount of each Loan, payable in arrears on the dates referred to in clause (a)(i) or (a)(ii) of this Section 2.07 and on the demand of the Agent, at a rate *per annum* equal to 2% *per annum* above the rate *per annum* required to be paid on such Loan pursuant to clause (a)(i) or (a)(ii) of this Section 2.07, and (ii) to the fullest extent permitted by law, the amount of any interest, fee or any other amount payable hereunder that is not paid when due, from the date such amount was due until such amount shall be paid in full, payable in arrears on demand of the Agent, at a rate *per annum* equal to 2% *per annum* above the rate *per annum* required to be paid on Base Rate Loans that are B Term Loans pursuant to clause (a)(i) of this Section 2.07.

SECTION 2.08. Interest Rate Determination. (a) The Agent shall give prompt notice to the Borrower and the Lenders of the applicable interest rate determined by the Agent for purposes of Section 2.07(a)(i) or (ii).

(a) If, with respect to any Eurocurrency Rate Loans, the Required A3 Term Loan Lenders, the Required A5 Term Loan Lenders or the Required B Term Loan Lenders, as applicable, notify the Agent that (i) they are unable to obtain matching deposits in the London interbank market at or about 11:00 A.M. (London time) on the second Business Day before the making of a Borrowing in sufficient amounts to fund their respective Loans as a part of such Borrowing during its Interest Period or (ii) the Eurocurrency Rate for any Interest Period for such Loans will not adequately reflect the cost to such Lenders of making, funding or maintaining their respective Eurocurrency Rate Loans for such Interest Period, the Agent shall forthwith so notify the Borrower and the Lenders, whereupon (A) the Borrower will, on the last day of the then existing Interest Period therefor, either (x) prepay such Eurocurrency Rate Loans or (y) Convert such Loans into Base Rate Loans and (B) the obligation of the Appropriate Lenders to make, or to Convert Loans into, Eurocurrency Rate Loans shall be suspended until the Agent shall notify the Borrower and the Lenders that the circumstances causing such suspension no longer exist.

(b) If the Borrower shall fail to select the duration of any Interest Period for any Eurocurrency Rate Loans in accordance with the provisions contained in the definition of "Interest Period" in Section 1.01, the Agent will forthwith so notify the Borrower and the Appropriate Lenders and such Loans will automatically, on the last day of the then existing Interest Period therefor, continue as Eurocurrency Rate Loans with an Interest Period of one month.

(c) [Reserved.]

(d) Upon the occurrence and during the continuance of any Event of Default under Section 7.01, (i) each Eurocurrency Rate Loan will, upon request of the Required Lenders to the Agent, on the last day of the then existing Interest Period therefor, be Converted into Base Rate Loans and (ii) the obligation of the Lenders to make, or to Convert Loans into, Eurocurrency Rate Loans shall, if so requested by the Required Lenders, be suspended.

(e) If no Screen Rate or Interpolated Screen Rate is available, then:

(i) the Agent shall forthwith notify the Borrower and the Lenders that the interest rate cannot be determined for such Eurocurrency Rate Loans;

(ii) each such Eurocurrency Rate Loan will automatically, on the last day of the then existing Interest Period therefor, Convert into a Base Rate Loan; and

(iii) the obligation of the Lenders to make Eurocurrency Rate Loans or to Convert Loans into Eurocurrency Rate Loans shall be suspended until the Agent shall notify the Borrower and the Lenders that the circumstances causing such suspension no longer exist.

SECTION 2.09. Optional Conversion of Loans. The Borrower may on any Business Day, upon notice given to the Agent not later than 11:00 A.M. (New York City time) on the third Business Day prior to the date of the proposed Conversion and subject to the provisions of Sections 2.08 and 2.12, Convert all Loans of one Type comprising the same Borrowing into Loans of the other Type; provided, however, that any Conversion of Eurocurrency Rate Loans into Base Rate Loans shall be made only on the last day of an Interest Period for such Eurocurrency Rate Loans, any Conversion of Base Rate Loans into Eurocurrency Rate Loans shall be in an amount not less than the Borrowing Minimum and no Conversion of any Loans shall result in more separate Borrowings than permitted under Section 2.02(b). Each such notice of a Conversion shall, within the restrictions specified above, specify (i) the date of such Conversion, (ii) the Loans to be Converted, and (iii) if such Conversion is into Eurocurrency Rate Loans, the duration of the

initial Interest Period for each such Loan. Each notice of Conversion shall be irrevocable and binding on the Borrower.

SECTION 2.10. Prepayments of Loans. (%3) Optional. (i) From and after the first anniversary of the Closing Date, the Borrower may, upon notice at least three Business Days prior to the date of such prepayment, in the case of Eurocurrency Rate Loans, and not later than noon (New York City time) on the date of such prepayment, in the case of Base Rate Loans, to the Agent stating the proposed date and aggregate principal amount of the prepayment, and if such notice is given the Borrower shall (subject to the last sentence of this Section 2.10(a)(i)), prepay the outstanding principal amount of the Loans comprising part of the same Borrowing in whole or ratably in part, together with accrued interest to the date of such prepayment on the principal amount prepaid; provided, however, that (x) each partial prepayment of Loans shall be in an aggregate principal amount of not less than the Borrowing Minimum or a Borrowing Multiple in excess thereof, (y) in the event of any such prepayment of a Eurocurrency Rate Loan, the Borrower shall be obligated to reimburse the Lenders in respect thereof pursuant to Section 9.04 (if applicable) and (z) any prepayment of B Term Loans shall also be subject to Section 2.10(a)(ii) below. Any prepayments pursuant to this Section 2.10(a) may be made with respect to one or more Facilities as may be determined by the Borrower and shall not be required to be made ratably across the Facilities. Any prepayment with respect to the Term Facility shall be applied to the remaining amortization payments thereunder as directed by the Borrower. Notwithstanding anything to the contrary contained in this Agreement, the Borrower may state that any notice of prepayment under this Section 2.10(a) is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Borrower (by written notice to the Agent on or prior to the specified effective date) if such condition is not satisfied.

(i) If a Repricing Event occurs (A) prior to the date that is six months after the Closing Date or (B) after the Second Amendment Restatement Date and prior to the date that is six months after the Second Amendment Restatement Date, the Borrower shall pay to the Agent, for the ratable account of each B Term Loan Lender (including each B Term Loan Lender that is a Non-Approving Lender (if any) in the case of a Repricing Event under clause (ii) of the definition thereof) on the date of such Repricing Event, a prepayment premium in an amount equal to 1.00% of the aggregate principal amount of B Term Loans prepaid, repaid or assigned in connection with such Repricing Event.

(b) Mandatory. (i) [Reserved].

(i) Each prepayment of Loans made pursuant to this Section 2.10(b) shall be made together with any accrued and unpaid interest to the date of such prepayment on the principal amounts prepaid and, in the case of any prepayment of a Eurocurrency Rate Loan on a date other than the last day of an Interest Period or at its maturity, any additional amounts which the Borrower shall be obligated to reimburse to the Lenders in respect thereof pursuant to Section 9.04.

(ii) No later than three Business Days after the date on which the financial statements with respect to each fiscal year are required to be delivered pursuant to Section 5.08(b) (commencing with the fiscal year of Holdings ending on or about December 31, 2017), the Borrower shall (subject to Section 2.10(b)(ix) below) prepay outstanding Term Loans and Leidos Term Loans in accordance with Section 2.10(b)(vi) in an aggregate principal amount equal to the excess, if any, of (A) the Excess Cash Flow Percentage of Excess Cash Flow for such fiscal year then ended minus (B) any optional prepayments of Term Loans pursuant to Section 2.10(a) and Leidos Loans (but in the case of any Leidos Loans that are Revolving Credit Loans (as defined in the Leidos Credit Agreement) solely to the extent accompanied by a

corresponding permanent reduction of the Revolving Credit Commitments (as defined in the Leidos Credit Agreement)) pursuant to Section 2.10(a) (or any comparable successor provision) of the Leidos Credit Agreement, in each case made during such fiscal year, or in the immediately following fiscal year but before the making of any prepayment required in respect of such fiscal year pursuant to this Section 2.10(b)(iii), but in each case only to the extent that (i) such prepayments do not occur in connection with a refinancing of all or any portion of such Term Loans or Leidos Loans and (ii) such prepayment was not previously applied to reduce the amount of any prepayment required by this Section 2.10(b)(iii) in respect of a prior fiscal year.

(iii) In the event that Holdings or any of the Restricted Subsidiaries shall receive Net Cash Proceeds from the issuance or incurrence of (A) any Indebtedness for borrowed money of Holdings or any of the Restricted Subsidiaries (other than any cash proceeds from the issuance of Indebtedness for borrowed money permitted under each of this Agreement and the Leidos Credit Agreement), the Borrower shall, substantially simultaneously with (and in any event not later than the third Business Day next following) the receipt of such Net Cash Proceeds by Holdings or any such Restricted Subsidiary, apply an amount equal to 100% of such Net Cash Proceeds to prepay outstanding Term Loans and Leidos Term Loans in accordance with Section 2.10(b)(vi) or (B) any Refinancing Notes, any Specified Refinancing Term Loans or any Refinancing Junior Loans, the Borrower shall prepay an aggregate principal amount of the Class of Term Loans refinanced in such issuance or incurrence by an amount equal to 100% of such Net Cash Proceeds immediately upon receipt thereof by the Borrower or such Restricted Subsidiary.

(iv) Not later than the third Business Day following the receipt of Net Cash Proceeds in respect of any Asset Sale, which proceeds are in excess of \$7,500,000 in a single transaction or series of related transactions, the Borrower shall (subject to Section 2.10(b)(ix) below) apply 100% of the Net Cash Proceeds received with respect thereto (the "Subject Proceeds") to prepay outstanding Term Loans and Leidos Term Loans in accordance with Section 2.10(b)(vi) (collectively, the "Subject Loans"), and if, at the time that any such prepayment would be required hereunder, the Borrower or any of the Restricted Subsidiaries is required (pursuant to the terms of the documentation governing such other Indebtedness) to repay or repurchase any other Indebtedness (or offer to repay or repurchase such Indebtedness) that is secured pursuant to an intercreditor agreement on a *pari passu* basis with the Loan Document Obligations with the Subject Proceeds (such Indebtedness required to be so repaid or repurchased (or offered to be repaid or repurchased), the "Other Applicable Indebtedness"), then the relevant Person may apply the Subject Proceeds on a *pro rata* basis to the prepayment of the Subject Loans and to the repurchase or repayment of the Other Applicable Indebtedness (determined on the basis of the aggregate outstanding principal amount of the Subject Loans and the Other Applicable Indebtedness (or accreted amount if such Other Applicable Indebtedness is issued with original issue discount) at such time; it being understood that (1) subject to the foregoing, the portion of the Subject Proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of the Subject Proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of the Subject Proceeds shall be allocated to the Subject Loans in accordance with the terms hereof, and the amount of the prepayment of the Subject Loans that would have otherwise been required pursuant to this Section 2.10(b)(v) shall be reduced accordingly and (2) to the extent the holders of the Other Applicable Indebtedness decline to have such Indebtedness prepaid or repurchased, the declined amount shall promptly (and in any event within three Business Days after the date of such rejection) be applied to prepay the Subject Loans in accordance with the terms hereof. Notwithstanding the foregoing, any prepayments otherwise required to be made pursuant to the above provisions of this clause (v) shall not be required to be made in respect of the first \$100,000,000 of Net Cash Proceeds received by the Borrower in respect of Asset Sales after the Closing Date; provided that this sentence shall not apply with respect to any Net Cash Proceeds received by the Borrower in respect an Asset Sale if all or any portion thereof are applied to prepay or repurchase any Leidos Loans and/or any Other Applicable Indebtedness.

(v) Mandatory prepayments of outstanding Term Loans under this Section 2.10(b) (other than Section 2.10(b)(iv)(B)) shall be (A) allocated as among the Term Loans and Leidos Term Loans, *pro rata*, based upon the then outstanding principal amounts of the Term Loans and Leidos Term Loans, and (B) in the case of Term Loans, shall be allocated *pro rata* among the Term Facilities based upon the then outstanding principal amounts of the Term Loans, and then the applied *pro rata* to the remaining scheduled installments of principal due in respect of the Term Loans under Section 2.06.

(vi) The Borrower shall deliver to the Agent, at the time of each prepayment required under Sections 2.10(b)(iii), (iv) and (v) above, (i) a certificate signed by a Financial Officer of Holdings setting forth in reasonable detail the calculation of the amount of such prepayment (the "Prepayment Amount") and (ii) at least three Business Days' prior written notice of such prepayment. Each notice of prepayment shall specify the prepayment date (the "Prepayment Date"), the Type of each Loan being prepaid and the principal amount of each Loan (or portion thereof) to be prepaid. The Agent shall promptly advise the Appropriate Lenders of any notice given (and the contents thereof) pursuant to this Section 2.10(b).

(vii) With respect to any prepayment of Term Loans pursuant to Section 2.10(b)(iii) or (v) the Borrower may elect, at its option, to allow the Term Lenders to decline to accept the applicable prepayment. In addition to the notice requirements in Section 2.10(b)(vii), each such notice of any event giving rise to a prepayment under Section 2.10(b)(iii) or (v) shall also specify whether or not the Borrower has elected to give the Term Lenders the option to decline such prepayment. If the Borrower has elected to allow the Term Lenders to decline to accept such prepayment, any Appropriate Lender may decline to accept all (but not less than all) of its share of any such prepayment (any such Lender, a "Declining Lender") by providing written notice to the Agent no later than one Business Day after the date of such Appropriate Lender's receipt of notice from the Agent regarding such prepayment. If any Appropriate Lender does not give a notice to the Agent on or prior to such date informing the Agent that it declines to accept the applicable prepayment, then such Lender will be deemed to have accepted such prepayment. On any Prepayment Date, an amount equal to the Prepayment Amount minus the portion thereof allocable to Declining Lenders, in each case for such Prepayment Date, shall be paid to the Agent by the Borrower and applied by the Agent in accordance with Section 2.10(b)(vi) (other than Term Loans owing to Declining Lenders). Any amounts that would otherwise have been applied to prepay Term Loans owing to Declining Lenders shall be retained by the Borrower (such amounts, "Declined Spinco Amounts" and together with any Declined Leidos Amounts (as defined in the Leidos Credit Agreement), "Declined Amounts").

(viii) Notwithstanding any other provisions of this Section 2.10(b), to the extent that any or all of the Net Cash Proceeds of any Asset Sale by a Foreign Subsidiary (a "Foreign Disposition") gives rise to a prepayment event pursuant to Section 2.10(b)(v), or Excess Cash Flow giving rise to a prepayment event pursuant to Section 2.10(b)(iii) (solely to the extent related to Excess Cash Flow generated by Foreign Subsidiaries), are or is prohibited, restricted or delayed by applicable local law from being repatriated to the United States, (A) the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to prepay Term Loans at the times provided in this Section 2.10(b) but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (and Holdings and the Borrower hereby agree to use commercially reasonable efforts to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable local law, such repatriation will be immediately effected and such repatriated Net Cash Proceeds or Excess Cash Flow will be promptly (and in any event not later than two Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to this Section 2.10(b) to the extent provided herein and (B) to the extent that Holdings and the Borrower have determined in good faith (and

after use of commercially reasonable efforts to mitigate any such material adverse tax cost consequences) that repatriation of any or all of the Net Cash Proceeds of any Foreign Disposition, or Excess Cash Flow (solely to the extent related to Excess Cash Flow generated by Foreign Subsidiaries) would have a material adverse tax cost consequence with respect to such Net Cash Proceeds or Excess Cash Flow, the Net Cash Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary; provided that, in the case of this clause (B), on or before the date on which any Net Cash Proceeds or Excess Cash Flow so retained would otherwise have been required to be applied to prepayments pursuant to this Section 2.10(b), (x) the Borrowers shall apply an amount equal to such Net Cash Proceeds or Excess Cash Flow to such prepayments as if such Net Cash Proceeds or Excess Cash Flow had been received by the Borrower rather than such Foreign Subsidiary, less the amount of additional taxes that would have been payable or reserved against if such Net Cash Proceeds or Excess Cash Flow had been repatriated or (y) such Net Cash Proceeds or Excess Cash Flow are applied to the repayment of Indebtedness of a Foreign Subsidiary.

SECTION 2.11. Increased Costs. (a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the Eurocurrency Rate);

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement, Loans or Eurocurrency Rate Loans made by such Lender or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to reduce the amount of any sum received or receivable by such Lender or other Recipient hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or other Recipient, the Borrower will pay to such Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender or other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Adequacy. If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's Parent Company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's Parent Company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by such Lender to a level below that which such Lender or such Lender's Parent Company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's Parent Company with respect to capital adequacy or liquidity), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's Parent Company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its Parent Company as specified in paragraph (a) or (b).

of this Section 2.11 and delivered to the Borrower, shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.11 shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.11 for any increased costs incurred or reductions suffered more than six months prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions, and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the six-month period referred to above shall be extended to include the period of retroactive effect thereof).

SECTION 2.12. Illegality. Notwithstanding any other provision of this Agreement, if any Lender under any Facility shall notify the Agent that the introduction of or any change in or in the interpretation of any law or regulation makes it unlawful, or any central bank or other Governmental Authority asserts that it is unlawful, for any Lender or its Eurocurrency Lending Office to perform its obligations hereunder to make Eurocurrency Rate Loans or to fund or maintain Eurocurrency Rate Loans, (a) each Eurocurrency Rate Loan will automatically, upon such demand, be Converted into a Base Rate Loan and (b) the obligation of the Appropriate Lenders to make Eurocurrency Rate Loans or to Convert Loans into Eurocurrency Rate Loans shall be suspended until the Agent shall notify the Borrower and the Appropriate Lenders that the circumstances causing such suspension no longer exist.

SECTION 2.13. Payments and Computations. (a) The Borrower shall make each payment hereunder, irrespective of any right of counterclaim or set-off, not later than 1:00 P.M. (New York City time) on the day when due in Dollars to the Agent at the applicable Agent's Account in same day funds. The Agent will promptly thereafter cause to be distributed like funds relating to the payment of principal or interest, fees or commissions ratably (other than amounts payable pursuant to Section 2.04, 2.11, 2.14 or 9.04) to the applicable Lenders for the account of their respective Applicable Lending Offices, and like funds relating to the payment of any other amount payable to any Lender to such Lender for the account of its Applicable Lending Office, in each case to be applied in accordance with the terms of this Agreement. Upon its acceptance of an Assignment and Assumption and recording of the information contained therein in the Register pursuant to Section 9.07(c), from and after the effective date specified in such Assignment and Assumption, the Agent shall make all payments hereunder and under the Notes in respect of the interest assigned thereby to the Lender assignee thereunder, and the parties to such Assignment and Assumption shall make all appropriate adjustments in such payments for periods prior to such effective date directly between themselves.

(a) [Reserved.]

(b) All computations of interest based on Citibank's base rate shall be made by the Agent on the basis of a year of 365 or 366 days, as the case may be, and all computations of interest based on the Eurocurrency Rate, the Federal Funds Rate or One Month LIBOR and of fees shall be made by the Agent on the basis of a year of 360 days, in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest, fees or commissions are payable. Each determination by the Agent of an interest rate hereunder shall be conclusive and binding for all purposes, absent manifest error.

(c) Whenever any payment hereunder or under the Notes shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such

extension of time shall in such case be included in the computation of payment of interest, fee or commission, as the case may be; provided, however, that, if such extension would cause payment of interest on or principal of Eurocurrency Rate Loans to be made in the next following calendar month, such payment shall be made on the next preceding Business Day.

(d) Unless the Agent shall have received notice from the Borrower prior to the date on which any payment is due to any Lender hereunder that the Borrower will not make such payment in full, the Agent may assume that the Borrower has made such payment in full to the Agent on such date and the Agent may, in reliance upon such assumption, cause to be distributed to each applicable Lender on such due date an amount equal to the amount then due such Lender. If and to the extent the Borrower shall not have so made such payment in full to the Agent, each applicable Lender shall repay to the Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Agent, at the Federal Funds Rate.

SECTION 2.14. Taxes. (a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.14) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(a) Payment of Other Taxes by the Loan Parties. The Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Agent timely reimburse it for the payment of, any Other Taxes.

(b) Indemnification by the Loan Parties. The Loan Parties shall indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.14) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Agent), or by the Agent on its own behalf or on behalf of a Lender, setting forth in reasonable detail the calculation of the amount being requested, shall be conclusive absent manifest error.

(c) Indemnification by the Lenders. Each Lender shall severally indemnify the Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.07(d) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental

Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Agent to the Lender from any other source against any amount due to the Agent under this paragraph (d).

(d) Evidence of Payments. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.14, such Loan Party shall deliver to the Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Agent.

(e) Status of Recipients. (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Agent, at the time or times reasonably requested by the Borrower or the Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Agent as will enable the Borrower or the Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation by any Lender (other than such documentation set forth in Sections 2.14(f)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(i) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Agent), whichever of the following is applicable:

(i) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(ii) executed originals of IRS Form W-8ECI;

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit D-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable; or

(iv) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-2 or Exhibit D-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-4 on behalf of each such direct or indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Agent as may be necessary for the Borrower and the Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

The Agent and each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Agent in writing of its legal inability to do so.

(f) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.14 (including by the payment of additional amounts pursuant to this Section 2.14), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.14 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(g) Survival. Each party's obligations under this Section 2.14 shall survive the resignation or replacement of the Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(h) Interpretation. For purposes of this Section 2.14, the term "applicable law" includes FATCA.

SECTION 2.15. Sharing of Payments, Etc. If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or other obligations hereunder resulting in such Lender receiving payment of a proportion of the aggregate amount of its Loans and accrued interest thereon or other such obligations greater than its *pro rata* share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them; provided that:

(i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this paragraph shall not be construed to apply to (x) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to the Borrower or any Subsidiary thereof (as to which the provisions of this paragraph shall apply), except for assignments to the Borrower made pursuant to Dutch auctions and open market purchases as provided in Section 9.07(b)(v).

Each of Holdings and the Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against Holdings and the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of Holdings and the Borrower in the amount of such participation.

SECTION 2.16. Evidence of Debt. (a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan owing to such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder in respect of Loans. The Borrower agrees that upon notice by any Lender to the Borrower (with a copy of such notice to the Agent) to the effect that a Note is required or appropriate in order for such Lender to evidence (whether for purposes of pledge, enforcement or otherwise) the Loans owing to, or to be made by, such Lender, the Borrower shall promptly execute and deliver to such Lender a Note payable to such Lender (or its registered assigns) in a principal amount up to the sum of the then-applicable Commitment of such Lender and the applicable Loans owing to such Lender.

(a) The Register maintained by the Agent pursuant to Section 9.07(c) shall include a control account, and a subsidiary account for each Lender, in which accounts (taken together) shall be recorded (i) the date and amount of each Borrowing made hereunder, the Type of Loans comprising such Borrowing and, if appropriate, the Interest Period applicable thereto, (ii) the terms of each Assignment and Assumption delivered to and accepted by it, (iii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iv) the amount of any sum received by the Agent from the Borrower hereunder and each Lender's share thereof.

(b) Entries made in good faith by each Lender in its account or accounts pursuant to section (a) above shall be *prima facie* evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to such Lender under this Agreement, absent manifest error; provided, however, that the failure of such Lender to make an entry, or any finding that an entry is incorrect, in such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement; and provided, further, that in the event of any conflict between the Register and the Lender's account or accounts, the Register shall govern.

SECTION 2.17. Use of Proceeds. Subject to Section 5.09, the proceeds of the Term Loans made on the Closing Date shall be available (and the Borrower agrees that it shall use such proceeds) solely to make the Spinco Special Cash Payment and to pay certain fees, costs and expenses in connection with the Transactions.

SECTION 2.18. Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 2.11, or requires the Borrower to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.14, then such Lender shall (at the request of the Borrower) use reasonable efforts to designate a different Applicable Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.11 or 2.14, as the case may be, in the future, and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 2.11, or if the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.14 and, in each case, such Lender has declined or is unable to designate a different Applicable Lending Office in accordance with Section 2.18(a), or if any Lender is a Non-Approving Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 9.07), all of its interests, rights (other than its existing rights to payments pursuant to Section 2.11 or Section 2.14) and obligations under this Agreement and the related Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that:

(i) the Borrower shall have paid to the Agent the assignment fee (if any) specified in Section 9.07;

(ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 9.04(f) and, if applicable, under Section 2.10(a)(ii)) from the assignee (and/or, with the prior consent of the Borrower and with respect to accrued interest and/or fees only, from the Borrower) (to the extent of such outstanding principal and accrued interest and fees (other than any prepayment premium)) or the Borrower (in the case of all other amounts);

(iii) in the case of any such assignment resulting from a claim for compensation under Section 2.11 or payments required to be made pursuant to Section 2.14, such assignment will result in a reduction in such compensation or payments thereafter;

(iv) such assignment does not conflict with applicable law; and

(v) in the case of any assignment resulting from a Lender becoming a Non-Approving Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent.

(c) A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

(d) Each party hereto agrees that an assignment and delegation required pursuant to clause (b) above with respect to a B Term Loan may, at the Administrative Agent's request and notwithstanding anything in Section 9.07 or elsewhere herein to the contrary, be effected pursuant to an assignment and assumption agreement (or any other written instrument), in each case, in a form acceptable to the Administrative Agent, executed by the Borrower, the Administrative Agent and the assignee, and that the Lender required to make such assignment and delegation need not be a party thereto, and in such case shall be deemed to have executed and delivered such assignment and assumption agreement.

SECTION 2.19. [Reserved].

SECTION 2.20. [Reserved].

SECTION 2.21. Specified Refinancing Debt.

(a) The Borrower may, from time to time, add one or more new term loan facilities to the Agreement (“Specified Refinancing Debt”) pursuant to procedures reasonably specified by the Agent and reasonably acceptable to the Borrower, to refinance all or any portion of any Class of Term Loans then outstanding under this Agreement pursuant to a Refinancing Amendment; provided that such Specified Refinancing Debt: (i) shall rank *pari passu* in right of payment with the other Obligations and Commitments hereunder; (ii) will not have obligors or contingent obligors that were not obligors or contingent obligors in respect of the Facilities; (iii) will be (x) unsecured or (y) other than during a Lien Suspension Period, secured by the Collateral on a *pari passu* basis with the Obligations (or on a junior lien basis pursuant to a Market Intercreditor Agreement that is reasonably satisfactory to the Agent); (iv) shall have such pricing and optional prepayment terms as may be agreed by the Borrower and the applicable Lenders thereof (and for the avoidance of doubt, clause (1)(B) of the proviso to Section 2.23(b) shall not apply); (v) will have a maturity date that is not prior to the date that is the scheduled maturity date of, and will have a Weighted Average Life to Maturity that is not shorter than the Weighted Average Life to Maturity of, the Loans being refinanced; (vi) any Specified Refinancing Term Loans shall share ratably in any prepayments of Term Loans pursuant to Section 2.10(b) (or otherwise provide for more favorable prepayment treatment for the then outstanding Classes of Term Loans other than Specified Refinancing Term Loans); (vii) [reserved]; (viii) subject to clauses (iv), (v) and (vi) above, will have terms and conditions (other than pricing and optional prepayment and optional redemption terms) that are either (x) substantially similar to, or (when taken as a whole) no more favorable to the lenders providing such Specified Refinancing Debt than, those applicable to the Loans or Commitments being refinanced (except for covenants or other provisions applicable only to periods after the Latest Maturity Date) or (y) customary for similar types of Indebtedness in light of then-prevailing market conditions; provided that a certificate of a Responsible Officer of the Borrower delivered to the Agent at least five (5) Business Days prior to the incurrence of such Specified Refinancing Debt, together with a reasonably detailed description of material terms and conditions of such Specified Refinancing Debt or drafts of the documentation related thereto, stating that the Borrower has determined in good faith that such terms and conditions satisfy the foregoing requirement in this clause (viii), shall be conclusive evidence that such terms and conditions satisfy the foregoing requirements unless the Agent notifies the Borrower within such five (5) Business Day period that it disagrees with such determination (including a reasonable description of the basis upon which it disagrees); and (ix) the Net Cash Proceeds of such Specified Refinancing Debt shall be applied, substantially concurrently with the incurrence thereof, to the *pro rata* prepayment of outstanding Loans being so refinanced, in each case pursuant to Section 2.05 and 2.10, as applicable; provided, however, that such Specified Refinancing Debt (x) may provide for any additional or different financial or other covenants or other provisions that are agreed among the Borrower and the lenders thereof and applicable only during periods after the Latest Maturity Date of any of the Loans (and Commitments) that remain outstanding after giving effect to such Specified Refinancing Debt or the date on which all non-refinanced Obligations are paid in full and (y) shall not have a principal or commitment amount (or accreted value) greater than the Loans being refinanced (plus accrued interest, fees (including original issue discount and upfront fees), discounts, premiums or expenses payable in connection therewith).

(b) The Borrower shall make any request for Specified Refinancing Debt pursuant to a written notice to the Agent specifying in reasonable detail the proposed terms thereof. Any proposed Specified Refinancing Debt may be provided by existing Lenders (it being understood that existing Lenders have no obligation to provide such proposed Specified Refinancing Debt) or, subject to the approval of the Agent (which approval shall not be unreasonably withheld, conditioned or delayed), Eligible Assignees in such respective amounts as the Borrower may elect.

(c) The effectiveness of any Refinancing Amendment shall be subject to the satisfaction on the date thereof of the following conditions precedents: (i) the conditions set forth in clause (a) above, (ii) that the representations and warranties contained in Article IV and in each other Loan Document are true and correct in all material respects (except for those representations and warranties that are qualified by materiality or Material Adverse Effect, which shall be true and correct in all respects) on and as of such date, before and after giving effect to such Refinancing Amendment and to the application of the proceeds therefrom, as though made on and as of such date except where such representations and warranties expressly refers to an earlier date, in which case such representations and warranties shall be true and correct on and as of such earlier date, (iii) no event has occurred and is continuing, or would result from such Refinancing Amendment and from the application of the proceeds therefrom, that constitutes a Default and (iv) to the extent reasonably requested by the Agent, receipt by the Agent of legal opinions, board resolutions, officers' certificates and/or reaffirmation agreements, including any supplements or amendments to the Security and Guarantee Documents providing for such Specified Refinancing Debt to be secured thereby (if permitted), consistent, where applicable, with those delivered on the Closing Date under Section 3.01 (other than changes to such legal opinions resulting from a Change in Law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Agent). The Lenders hereby authorize the Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrower as may be necessary in order to establish any Specified Refinancing Debt and to make such technical amendments as may be necessary or appropriate in the reasonable opinion of the Agent and the Borrower in connection with the establishment of such Specified Refinancing Debt, in each case on terms consistent with and/or to effect the provisions of this Section 2.21.

(d) Each Class of Specified Refinancing Debt incurred under this Section 2.21 shall be in an aggregate principal amount that is not less than \$5,000,000 and in \$1,000,000 increments in excess thereof.

The Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Specified Refinancing Debt incurred pursuant thereto (including the addition of such Specified Refinancing Debt as separate facilities hereunder and treated in a manner consistent with the Facilities being refinanced, including for purposes of prepayments and voting). Any Refinancing Amendment may, without the consent of any Person other than the Borrower, the Agent and the Lenders providing such Specified Refinancing Debt, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Agent and the Borrower, to effect the provisions of or be consistent with this Section 2.21.

SECTION 2.22. Extension of Term Loans.

(a) Extension of Term Loans. The Borrower may, at any time and from time to time, request that all or a portion of the Term Loans of a given Class (each, an "Existing Term Loan Tranche") be amended to extend the scheduled maturity date(s) with respect to all or a portion of any principal amount of such Term Loans (any such Term Loans which have been so amended, "Extended Term Loans") and to provide for other terms consistent with this Section 2.22. In order to establish any Extended Term Loans, the Borrower shall provide a notice to the Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Term Loan Tranche) (each, a "Term Loan Extension Request") setting forth the proposed terms of the Extended Term Loans to be established, which shall (x) be identical as offered to each Lender under such Existing Term Loan Tranche (including as to the proposed interest rates and fees payable) and offered *pro rata* to each Lender under such Existing Term Loan Tranche and (y) be identical

in all material respects to the Term Loans under the Existing Term Loan Tranche from which such Extended Term Loans are to be amended, except that: (i) all or any of the scheduled amortization payments, if any, of all or a portion of any principal amount of the Extended Term Loans may be delayed to later dates than the scheduled amortization payments, if any, of principal of the Term Loans of such Existing Term Loan Tranche, to the extent provided in the applicable Extension Amendment; (ii)(A) the interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, funding discounts, original issue discounts and voluntary prepayment terms and premiums with respect to the Extended Term Loans may be different than those for the Term Loans of such Existing Term Loan Tranche and/or (B) additional fees and/or premiums may be payable to the Lenders providing such Extended Term Loans in addition to any of the item contemplated by the preceding clause (A), in each case, to the extent provided in the applicable Extension Amendment; (iii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date of Term Loans that is in effect on the closing date of the Extension Amendment (immediately prior to the establishment of such Extended Term Loans); and (iv) Extended Term Loans may have prepayment terms (including call protection and prepayment terms and premiums) as may be agreed by the Borrower and the Lenders thereof; provided, that (A) in no event shall the final maturity date of any Extended Term Loans of a given Term Loan Extension Series at the time of establishment thereof be earlier than the maturity date of the Existing Term Loan Tranche from which such Extended Term Loans are to be amended, (B) the Weighted Average Life to Maturity of any Extended Term Loans of a given Term Loan Extension Series at the time of establishment thereof shall be no shorter (other than by virtue of amortization or prepayment of such Indebtedness prior to the time of incurrence of such Extended Term Loans) than the remaining Weighted Average Life to Maturity of the Existing Term Loan Tranche from which such Extended Term Loans are to be amended, (C) all documentation in respect of such Extension Amendment shall be consistent with the foregoing and (D) any Extended Term Loans may participate on a *pro rata* basis or less than a *pro rata* basis (but not greater than a *pro rata* basis) in any voluntary or mandatory repayments or prepayments hereunder, in each case as specified in the respective Term Loan Extension Request. Any Extended Term Loans amended pursuant to any Term Loan Extension Request shall be designated a series (each, a “Term Loan Extension Series”) of Extended Term Loans for all purposes of this Agreement; provided that any Extended Term Loans amended from an Existing Term Loan Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Term Loan Extension Series with respect to such Existing Term Loan Tranche. Each Term Loan Extension Series of Extended Term Loans incurred under this Section 2.22 shall be in an aggregate principal amount that is not less than \$10,000,000.

(b) [Reserved].

(c) Extension Request. The Borrower shall provide the applicable Term Loan Extension Request at least five (5) Business Days (or such shorter period as the Agent may determine in its sole discretion) prior to the date on which Lenders under the Existing Term Loan Tranche are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Agent, in each case acting reasonably to accomplish the purposes of this Section 2.22. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Tranche amended into Extended Term Loans pursuant to any Term Loan Extension Request. Any Lender holding a Loan under an Existing Term Loan Tranche (each, an “Extending Term Lender”) wishing to have all or a portion of its Term Loans under the Existing Term Loan Tranche subject to such Term Loan Extension Request amended into Extended Term Loans shall notify the Agent (each, an “Extension Election”) on or prior to the date specified in such Term Loan Extension Request of the amount of its Term Loans under the Existing Term Loan Tranche, which it has elected to request be amended into Extended Term Loans (subject to any minimum denomination requirements imposed by the Agent). In the event that the aggregate principal amount of Term Loans under the Existing Term Loan Tranche, in respect of which applicable Term Lenders shall have accepted the relevant

Term Loan Extension Request, exceeds the amount of Extended Term Loans requested to be extended pursuant to the Term Loan Extension Request, Term Loans subject to Extension Elections shall be amended to Extended Term Loans on a *pro rata* basis (subject to rounding by the Agent, which shall be conclusive) based on the aggregate principal amount of Term Loans included in each such Extension Election.

(d) Extension Amendment. Extended Term Loans shall be established pursuant to an amendment (each, a “Extension Amendment”) to this Agreement among the Borrower, the Agent and each Extending Term Lender providing an Extended Term Loan thereunder, which shall be consistent with the provisions set forth in this Section 2.22 (but which shall not require the applicable consent of any other Lender). The effectiveness of any Extension Amendment shall be subject to the satisfaction on the date thereof of the following conditions precedents: (i) the conditions set forth above, (ii) that the representations and warranties contained in Article IV and in each other Loan Document are true and correct in all material respects (except for those representations and warranties that are qualified by materiality or Material Adverse Effect, which shall be true and correct in all respects) on and as of such date, before and after giving effect to such Extension Amendment, as though made on and as of such date except where such representations and warranties expressly refers to an earlier date, in which case such representations and warranties shall be true and correct on and as of such earlier date, (iii) no event has occurred and is continuing, or would result from such Extension Amendment, that constitutes a Default and (iv) to the extent reasonably requested by the Agent, receipt by the Agent of legal opinions, board resolutions, officers’ certificates and/or reaffirmation agreements, substantially consistent, where applicable, with those delivered on the Closing Date under Section 3.01 (other than changes to such legal opinions resulting from a Change in Law, change in fact or change to counsel’s form of opinion reasonably satisfactory to the Agent). The Lenders hereby authorize the Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrower as may be necessary in order to effect any Extension Amendment and to make such technical amendments as may be necessary or appropriate in the reasonable opinion of the Agent and the Borrower in connection with the establishment of such Extension Amendment, in each case on terms consistent with and/or to effect the provisions of this Section 2.22. No amendment, conversion or exchange of Loans pursuant to any Extension Amendment in accordance with this Section 2.22 shall constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

SECTION 2.23. Incremental Facilities.

(a) Other than during a Lien Suspension Period, the Borrower may, by written notice to the Agent from time to time, request Incremental Term Commitments in an amount for all such Incremental Term Commitments not to exceed the Incremental Facility Amount at such time from one or more Incremental Term Lenders, which may include any existing Lender or any Eligible Assignee (each of which shall be entitled to agree or decline to participate in its sole discretion); provided that (i) each Incremental Term Lender shall be subject to the approval of the Agent (which approvals shall not be unreasonably withheld or delayed). Such notice shall set forth (x) the amount of the Incremental Term Commitments being requested (which shall be in minimum increments of \$5,000,000 and a minimum amount of \$10,000,000 or such lesser amount equal to the remaining Incremental Facility Amount, as applicable), (y) the date on which such Incremental Term Commitments are requested to become effective and (z) whether such Incremental Term Commitments are (i) commitments to make additional B Term Loans (which commitments shall only be permitted if such additional B Term Loans are fungible for United States Federal income tax purposes with the existing B Term Loans) or (ii) commitments to make new B Type Term Loans (as defined below) with terms different from the B Term Loans (such loans, “Specified Incremental Term Loans” and such commitments “Specified Incremental Term Commitments”).

(b) The Borrower and each applicable Incremental Term Lender shall execute and deliver to the Agent an Incremental Assumption Agreement and such other documentation as the Agent shall reasonably specify to evidence the Incremental Term Commitment of each Incremental Term Lender. Each Incremental Assumption Agreement shall specify the terms of any Incremental Term Loans to be made thereunder; provided that (1)(A)(i) the final maturity date of any Specified Incremental Term Loans shall be no earlier than the B Term Loan Maturity Date and (ii) the Weighted Average Life to Maturity of any Specified Incremental Term Loans shall be no shorter than the Weighted Average Life to Maturity of the B Term Loans; and (B) if the initial yield on any such Specified Incremental Term Loans that is incurred on or prior to the date that is 12 months after the Closing Date (as such yield is determined by the Agent by adding (x) the margin above the Eurocurrency Rate on such Loans (which shall be increased by the amount that any interest rate “floor” applicable to such Loans on the date such Loans are made would exceed the Eurocurrency Rate for a three-month Interest Period commencing on such date) and (y) if such Loans are initially made at a discount or the Lenders making the same receive a fee directly or indirectly from Holdings or any of the Subsidiaries for doing so (but excluding the effect of any bona fide arrangement, structuring, syndication or other fees payable in connection therewith that are not shared with all lenders or holders thereof) (the amount of such discount or fee, expressed as a percentage of such Loans, being referred to herein as “OID”), the amount of such OID divided by the lesser of (x) the Weighted Average Life to Maturity of such Loans and (y) four exceeds by more than 50 basis points (the amount of such excess above 50 basis points being referred to herein as the “Yield Differential”) the sum of (x) the Applicable Margin then in effect for Eurocurrency Rate B Term Loans, and (y) the amount of the OID initially paid in respect of the B Term Loans, divided by four, then the Applicable Margin then in effect for B Term Loans shall automatically be increased by the Yield Differential, effective upon the making of such Specified Incremental Term Loans and (2) the other terms of any Specified Incremental Term Loans shall be reasonably satisfactory to the Agent. For purposes of this Section 2.23, “B Type Term Loans” means any term loans which (w) have scheduled amortization not to exceed 1.00% *per annum*, (x) have a final maturity of greater than five years, (y) are secured by some or all of the Collateral on an equal and ratable basis with the Obligations and Obligations (as defined in the Leidos Credit Agreement) and (z) are guaranteed by some or all of the Guarantors.

(c) Notwithstanding the foregoing, no Incremental Term Commitment shall become effective under this Section 2.23 unless (i) on the date of such effectiveness, (A)(1) the representations and warranties contained in Article IV are true and correct in all material respects (except for those representations and warranties that are qualified by materiality or Material Adverse Effect, which shall be true and correct in all respects) on and as of such date, as though made on and as of such date except where such representations and warranties expressly refers to an earlier date, in which case such representations and warranties shall be true and correct on and as of such earlier date and (2) no Default or Event of Default shall have occurred and be continuing (and the Agent shall have received a certificate to that effect dated such date and executed by a Financial Officer of Holdings); and (B) Holdings and the Restricted Subsidiaries shall be in compliance with the Financial Covenant after giving *pro forma* effect to the incurrence of such Incremental Term Commitments, the making of Loans to be made on the date of effectiveness thereof, any Permitted Acquisition consummated simultaneously therewith, and the *pro forma* adjustments described in Section 1.07, (ii) all fees and expenses owing to the Agent and the Lenders in respect of such Incremental Term Commitment shall have been paid in full, (iii) to the extent not consistent with this Agreement, the other terms and documentation in respect of the Incremental Term Loans shall be reasonably satisfactory to the Agent unless otherwise expressly permitted in this Section 2.23, (iv) except as otherwise specified in the applicable Incremental Assumption Agreement, the Agent shall have received legal opinions, board resolutions and other closing certificates reasonably requested by the Agent and consistent with those delivered on the Closing Date and (v) no Lien Suspension Period is in effect.

(d) Each of the parties hereto hereby agrees that the Agent may, in consultation with the Borrower, take any and all action as may be reasonably necessary to ensure that all Incremental Term Loans (other than Specified Incremental Term Loans), when originally made, are included in each Borrowing of outstanding B Term Loans on a *pro rata* basis. This may be accomplished by, among other things, requiring each outstanding Eurocurrency Rate Borrowing to be Converted into a Base Rate Borrowing on the date of such Incremental Term Loan, or by allocating a portion of such Incremental Term Loan to each outstanding Eurocurrency Rate Borrowing under the relevant Facility on a *pro rata* basis. Any Conversion of Eurocurrency Rate Loans to Base Rate Loans required by the preceding sentence shall be subject to Section 9.04(f). If any Incremental Term Loan is to be allocated to an existing Interest Period for a Eurodollar Borrowing, then the interest rate thereon for such Interest Period and the other economic consequences thereof shall be as set forth in the applicable Incremental Assumption Agreement. In addition, to the extent any Incremental Term Loans are B Term Loans, the scheduled amortization payments under Section 2.06(c), required to be made after the making of such Incremental Term Loans shall be ratably increased by the aggregate principal amount of such Incremental Term Loans. Notwithstanding the foregoing, Incremental Term Commitments to make Specified Incremental Term Loans may not be requested without the prior written consent of the Agent if, as a result of the Specified Incremental Term Loans to be made thereunder, there would be more than five classes of Term Loans and Specified Incremental Term Loans outstanding.

(e) Notwithstanding any other provision of any Loan Document, each Loan Document may be modified, supplemented, amended and/or amended and restated by the Agent and the Borrower without the action or consent of any other party, if the Agent determines it to be necessary or advisable, to provide for terms applicable to any Incremental Term Loans permitted by or to otherwise give effect to this Section 2.23. Without limiting the generality of the foregoing, each of the parties hereto hereby agrees that, upon the effectiveness of any Incremental Assumption Agreement, this Agreement shall be deemed amended to the extent necessary to reflect the existence and terms of the Incremental Term Commitments and the Incremental Term Loans evidenced thereby.

ARTICLE III

greater than 10% from \$1,800,000,000 shall be deemed to be materially adverse to the Lenders and the Arrangers). (f) Disposition of property (i) between Loan Parties, (ii) between Restricted Subsidiaries (other than Loan Parties), (iii) by Restricted Subsidiaries that are not Loan Parties to any Loan

(g) Dispositions in the Ordinary Course of Business consisting of (i) the termination of leasehold or other non-fee interests in real property which, in the reasonable good faith determination of the Borrower, are not material to the conduct of the business of Holdings and the Subsidiaries and (ii) leases, subleases, licenses or sublicenses of property or other grants in real property permitted pursuant to clause (e) of the definition of Permitted Liens in the Ordinary Course of Business and which do not materially interfere with the business of Holdings and the Restricted Subsidiaries;

(j) Dispositions of non-core assets (which may include real property) acquired in connection with any Permitted Acquisition or other Investment permitted by Section 6.08 (other than Section 6.08(f)) within 365 days after the consummation of such Permitted Acquisition or other Investment in an aggregate amount for all such Dispositions not to exceed \$50,000,000;

(k) any individual Disposition or series of related Dispositions in the Ordinary Course of Business of Holdings and the Restricted Subsidiaries having a fair market value not in excess of \$7,500,000; provided that the aggregate amount of Dispositions pursuant to this clause (k) shall not exceed \$40,000,000;

(t) Dispositions in the Ordinary Course of Business consisting of (i) the abandonment of IP Rights which, in the reasonable good faith determination of the Borrower, are not material to the conduct of the business of Holdings and the Subsidiaries and (ii) licensing, sublicensing and cross-licensing arrangements involving any technology or other intellectual property or general intangibles of Holdings or the Subsidiaries;

(u) terminations of Hedge Agreements; and

(v) Dispositions of the Equity Interests of, or the assets or securities of, Unrestricted Subsidiaries.

SECTION 6.13. Designation of Subsidiaries. Neither Holdings nor the Borrower will (nor will they permit any of the Restricted Subsidiaries to) designate any Subsidiary as an Unrestricted Subsidiary or any Unrestricted Subsidiary as a Restricted Subsidiary, except that Holdings and the Borrower may designate any Subsidiary (other than the Borrower or Leidos) as an Unrestricted Subsidiary or any Unrestricted Subsidiary as a Restricted Subsidiary; provided that (a) immediately before and after such designation, no Default or Event of Default shall have occurred and be continuing or would result therefrom; (b) Holdings and the Restricted Subsidiaries shall be in compliance with the Financial Covenant, after giving *pro forma* effect to such designation and the *pro forma* adjustments described in Section 1.07; (c) no Subsidiary may be designated as an Unrestricted Subsidiary for purposes of this Agreement if it is a “Restricted Subsidiary” for the purpose of the Leidos Loan Documents or any Incremental Equivalent Debt, Refinancing Notes or any Refinancing Junior Loans, or any Permitted Refinancing of any of the foregoing, unless such Subsidiary is substantially contemporaneously also designated as an “Unrestricted Subsidiary” under the applicable Indebtedness; (d) the designation of any Subsidiary as an Unrestricted Subsidiary shall constitute an Investment by Holdings in such Subsidiary at the date of designation in an amount equal to the fair market value of Holdings’ and the Restricted Subsidiaries’ Investments therein; (e) the designation of any Unrestricted Subsidiary as a Restricted Subsidiary shall be deemed a new incurrence at the time of designation of any Investment, Indebtedness and Liens of such Subsidiary existing at such time; and (f) Holdings shall have delivered to the Agent a certificate executed by a Responsible Officer of Holdings, certifying compliance with the foregoing requirements, as applicable, and with respect to the foregoing clauses (b), (d) and (e), as applicable, containing reasonably detailed calculations thereof.

SECTION 6.14. Transactions with Affiliates. Holdings and the Borrower will not, nor will they permit any Restricted Subsidiary to, sell, lease or otherwise transfer any property or assets to, or purchase, lease or otherwise acquire any property or assets from, or otherwise engage in any other transactions

with, any of its Affiliates involving aggregate payments, for any such transaction or series of related transactions, in excess of \$10,000,000, except:

(a) transactions (i) that are at fair and reasonable prices and on fair and reasonable terms and conditions not materially less favorable to Holdings or such Restricted Subsidiary than could be obtained on an arm's-length basis from unrelated third parties or (ii) for which the Borrower has delivered to the Administrative Agent a letter from an independent financial advisor stating that such transaction is fair from a financial point of view;

(i) the existence of, and the performance of obligations of Holdings or any of the Restricted Subsidiaries under the terms of any agreement in existence or contemplated as of the Closing Date and identified on Schedule 6.14, as these agreements may be amended, restated, amended and restated, supplemented, extended, renewed or otherwise modified from time to time; provided, however, that any future amendment, restatement, amendment and restatement, supplement, extension, renewal or other modification entered into after the Closing Date will be permitted to the extent that its terms are not more disadvantageous in any material respect, taken as a whole, to the Lenders than the terms of the agreements on the Closing Date;

(j) any agreement between any Person and an Affiliate of such Person existing at the time such Person is acquired by or merged into Holdings or the Restricted Subsidiaries pursuant to the terms of this Agreement; provided that such agreement was not entered into in contemplation of such acquisition or merger, or any amendment thereto (so long as any such amendment is not disadvantageous to the Lenders in any material respect in the good faith judgment of Holdings when taken as a whole as compared to such agreement as in effect on the date of such acquisition or merger);

(k) [reserved];

(l) the entering into of any Tax sharing agreement or arrangement to the extent payments under such agreement or arrangement would otherwise be permitted under Section 6.06;

(m) any contribution to the capital of Holdings or any of the Restricted Subsidiaries otherwise permitted by Section 6.08;

(p) any other transaction with an Affiliate that is approved by a majority of disinterested members of the board of directors of Holdings in good faith.

SECTION 6.15. Financial Covenant. Solely with respect to the A3 Term Loan Facility and the A5 Term Loan Facility, so long as any Loan or any other Loan Document Obligation (other than contingent indemnification and expense obligations as to which no claim or demand has been asserted) shall remain unpaid or unsatisfied or any Lender shall have any Commitment hereunder (in each case other than B Term Loans or B Term Loan Commitments), Holdings and the Borrower will maintain (a) as of the last day of each fiscal quarter after the Closing Date (other than any such day that occurs during a Lien Suspension Period), (i) in the case of any fiscal quarter ending on or prior to February 16, 2018, a Senior Secured Leverage Ratio equal to or less than 4.75 to 1.00, (ii) in the case of any fiscal quarter ending after February 16, 2018 and on or prior to February 16, 2019, a Senior Secured Leverage Ratio equal to or less than 4.25 to 1.00 and (iii) in the case of any fiscal quarter ending after February 16, 2019, a Senior Secured Leverage Ratio equal to or less than 3.75 to 1.00 and (b) as of the last day of each fiscal quarter that occurs during a Lien Suspension Period, a Leverage Ratio equal to or less than 4.50 to 1.00.

ARTICLE VII

EVENTS OF DEFAULT

SECTION 7.01. Events of Default. If any of the following events (such events, "Events of Default") shall occur and be continuing:

(a) the Borrower shall fail to pay any principal of any Loan on the date the same becomes due and payable; or the Borrower shall fail to pay any interest on any Loan or make any other payment of interest, fees or any other amounts payable under this Agreement or any other Loan Document within five (5) days after the same becomes due and payable; or

(b) any representation or warranty or certification made or deemed made by any Loan Party in any Loan Document or by such Loan Party (or any of its officers) in connection with any Loan Document shall prove to have been incorrect in any material respect (or if qualified by materiality or Material Adverse Effect, in any respect) when made or deemed made; or

(c) (i) any Loan Party shall fail to perform or observe any term, covenant or agreement contained in Sections 5.04 (with respect to Holdings and the Borrower only), 5.09 or Article VI or (ii) any Loan Party shall fail to perform or observe any other term, covenant or agreement contained in this Agreement or in any other Loan Document on its part to be performed or observed if (solely for purposes of this clause (ii)) such failure shall remain unremedied for thirty (30) days after written notice thereof shall have been given to the Borrower by the Agent or any Lender; provided that a breach by any Loan Party of the Financial Covenant (a “Financial Covenant Event of Default”) shall not constitute an Event of Default with respect to the B Term Loan Facility unless and until the Required A Term Loan Lenders have accelerated their Term Loans (and upon any such acceleration, an Event of Default with respect to the B Term Loan Facility shall occur without any further action by any party); or

(d) (i) Holdings or any Restricted Subsidiary shall fail to pay any principal of or premium or interest on any Material Indebtedness (but excluding Indebtedness outstanding hereunder) of Holdings or any Restricted Subsidiary, when the same becomes due and payable (whether by scheduled maturity, required prepayment, acceleration, demand or otherwise), and such failure shall continue after the applicable grace period, if any, specified in the agreement or instrument relating to such Material Indebtedness; or any other event shall occur or condition shall exist under any agreement or instrument relating to any such Material Indebtedness and shall continue after the applicable grace period, if any, specified in such agreement or instrument, if the effect of such event or condition is to accelerate, or to permit the acceleration of, the maturity of such Material Indebtedness; or any such Material Indebtedness shall be declared to be due and payable, or required to be prepaid or redeemed (other than by a regularly scheduled required prepayment or redemption, or, with respect to any secured Material Indebtedness, resulting from a disposition, condemnation, insured loss or similar event relating to the property securing such Material Indebtedness), purchased or defeased, or an offer to prepay, redeem, purchase or defease such Material Indebtedness shall be required to be made, in each case prior to the stated maturity thereof or (ii) without limiting the foregoing clause (i), any “Event of Default” (as defined in the Leidos Credit Agreement) shall occur under any of the Leidos Loan Documents; provided that an “Event of Default” (as defined in the Leidos Credit Agreement) resulting from a breach of the “Financial Covenant” (as defined in the Leidos Credit Agreement) shall not constitute an Event of Default under this clause (d) with respect to the B Term Loan Facility, unless and until the Required A Term Loan Lenders have accelerated their Term Loans (and upon any such acceleration, an Event of Default with respect to the B Term Loan Facility shall occur without any further action by any party); provided, further that any failure, event, condition or Event of Default described under clauses (i) or (ii) remains unremedied and is not waived by the holders of such Material Indebtedness prior to any acceleration of any outstanding Loans pursuant to this Article VII; or

(e) Holdings, the Borrower or any other Restricted Subsidiary (other than any Immaterial Subsidiary) shall generally not pay its debts as such debts become due, or shall admit in writing its inability to pay its debts generally, or shall make a general assignment for the benefit of creditors; or any proceeding shall be instituted by or against Holdings, the Borrower or any other Restricted Subsidiary (other than any Immaterial Subsidiary) seeking to adjudicate it a bankrupt or insolvent, or seeking liquidation, winding up, reorganization, arrangement, adjustment, protection, relief, or composition of it or its debts under any Debtor Relief Laws, or seeking the entry of an order for relief or the appointment of a receiver, trustee, custodian or other similar official for it or for any substantial part of its property and, in the case of any such proceeding instituted against it (but not instituted by it), either such proceeding shall remain undismissed or unstayed for a period of sixty (60) days, or any of the actions sought in such proceeding (including the entry of an order for relief against, or the appointment of a receiver, trustee, custodian or other similar official for, it or for any substantial part of its property) shall occur; or Holdings, the Borrower or any other Restricted Subsidiary (other than any Immaterial Subsidiary) shall take any corporate action to authorize any of the actions set forth above in this subsection (e); or

(f) one or more judgments or orders for the payment of money in excess of \$100,000,000 in the aggregate shall be rendered against Holdings or any Restricted Subsidiary and either (i) enforcement proceedings shall have been commenced by any creditor upon such judgment or order or (ii) there shall be any period of sixty (60) consecutive days during which any such judgment or order remains unpaid, undischarged, unvacated, unbonded or unstayed; provided, however, that any such judgment or order shall not be an Event of Default under this Section 7.01(f) if and for so long as (i) the amount of such judgment or order is covered by a valid and binding policy of insurance between the defendant and the insurer covering payment thereof and (ii) such insurer has been notified of, and has not disputed the claim made for payment of, the amount of such judgment or order; or

(g) a Change in Control shall occur; or

(h) Holdings, the Borrower or any of their ERISA Affiliates shall incur liability in excess of \$100,000,000 in the aggregate as a result of the occurrence of any ERISA Event; or

(i) any material provision of this Agreement or any other Loan Document shall for any reason cease to be in full force and effect except as expressly permitted hereunder or thereunder, or the Borrower or any Loan Party shall so state in writing, in each case other than in connection with a release of any guarantee in accordance with the terms of this Agreement; or

(j) (i) any security interest over any material portion of the Collateral shall cease to be, or shall be asserted by the Borrower or any other Loan Party not to be, a valid, perfected security interest in the asset or property intended to be covered thereby, with the priority required by the Security and Guarantee Documents, except (A) to the extent that perfection or priority is not required pursuant to the Guarantee and Collateral Agreement or Section 5.11(e), (B) in connection with a release of such Collateral in accordance with the terms of this Agreement, including as a result of a Lien Release Event, or (C) as a result of any Collateral Agent's failure to (1) maintain possession of any stock certificates, promissory notes or other instruments delivered to it under the Security and Guarantee Documents or (2) file Uniform Commercial Code continuation statements; or (ii) other than as a result of a Lien Release Event, the Leidos/Spinco Intercreditor Agreement shall, in whole or in part, terminate, cease to be in full force and effect or cease to be legal, valid or binding obligation of or enforceable against any party thereto; or

(k) the Spinco Acquisition shall not have been consummated or is not consummated on the Closing Date immediately following the initial funding of the Facilities; or

(l) subject to the penultimate paragraph of Section 3.01 (but replacing "Equity Interests of the Borrower" with "Equity Interests of Leidos"), the conditions set forth in Sections 3.01(m), (n) and (o) as they would have applied (assuming that the Spinco Acquisition and the Spinco Merger occurred immediately prior to the Closing Date) to the Guarantors (as defined in the Leidos Credit Agreement) shall not have been satisfied or are not satisfied immediately upon the effective time of the Spinco Merger,

then, and in any such event, the Agent (a) shall at the request, or may with the consent, of the Required Lenders (or, if a Financial Covenant Event of Default occurs and is continuing, at the request of, or with the consent of, only the Required A Term Loan Lenders), by notice to the Borrower, declare the obligation of each Lender to make Loans (if any) to be terminated, whereupon the same shall forthwith terminate, (b) shall at the request, or may with the consent, of the Required Lenders (or, if a Financial Covenant Event of Default occurs and is continuing, shall at the request of, or may with the consent of, only the Required A Term Loan Lenders), by notice to the Borrower, declare all the Loans, all interest thereon and all other amounts payable under this Agreement to be forthwith due and payable, whereupon all the Loans, all such interest and all

such amounts shall become and be forthwith due and payable, without presentment, demand, protest or further notice of any kind, all of which are hereby expressly waived by Holdings and the Borrower; provided, however, that in the event of an actual or deemed entry of an order for relief with respect to the Borrower or any other Loan Party under any Debtor Relief Law, (i) the obligation of each Lender to make Loans (if any) shall automatically be terminated and (ii) the Loans, all such interest and all such amounts shall automatically become and be due and payable, without presentment, demand, protest or any notice of any kind, all of which are hereby expressly waived by Holdings and the Borrower, and (c) shall be entitled to exercise on behalf of itself, the Lenders and the other Secured Parties all rights and remedies available to it, the Lenders and the other Secured Parties under the Loan Documents and/or under applicable law.

SECTION 7.02. [Reserved].

SECTION 7.03. Application of Funds. After the exercise of any remedies provided for in Section 7.01 (or after an actual or deemed entry of an order for relief with respect to Holdings, the Borrower or any other Loan Party under any Debtor Relief Law), any amounts received on account of the Obligations (including, for the avoidance of doubt, any proceeds of any collection, sale, foreclosure or other realization upon any Collateral, including Collateral consisting of cash) shall, subject to any contrary provisions expressly set forth in the Leidos/Spinco Intercreditor Agreement, be applied by the Agent in the following order:

(a) first, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including fees, disbursements and other charges of counsel payable under Section 9.04) payable to the Agent in its capacity as such, including any costs and expenses incurred by the Agent in its capacity as such in connection with the collection, sale, foreclosure or realization or otherwise of Collateral in connection with this Agreement or any other Loan Document or any of the Obligations, the repayment of advances made by the Agent hereunder or under any other Loan Document on behalf of any Loan Party and any other costs or expenses incurred in connection with exercise of any right or remedy hereunder or under any other Loan Document;

(b) second, to payment in full of Unfunded Loans;

(c) third, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest) payable to the Lenders (including fees, disbursements and other charges of counsel payable under Section 9.04) arising under the Loan Documents, ratably among them in proportion to the respective amounts described in this clause (c) held by them;

(d) fourth, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans, ratably among the Lenders in proportion to the respective amounts described in this clause (d) held by them;

(e) fifth, subject to Section 7.04(a), to payment of that portion of the Obligations constituting unpaid principal of the Loans and obligations of the Loan Parties then arising under Secured Hedging Obligations, Secured Cash Management Obligations, Secured Additional Letter of Credit Facility Obligations and Secured Designated Indebtedness Obligations (ratably among the Lenders, the Hedge Banks, the Cash Management Banks, Secured Additional Letter of Credit Facility Providers and Secured Designated Indebtedness Holders or the Designated Representative thereof for the benefit of the Secured Designated Indebtedness Holders) in proportion to the respective amounts described in this clause (e) held by them (for the avoidance of doubt, Obligations shall not include (x) Secured Hedging Obligations, Secured Cash Management Obligations, Secured Additional Letter of Credit Facility Obligations and Secured Designated

Indebtedness Obligations so long as such obligations are secured and/or guaranteed (other than Secured Designated Indebtedness Obligations, which shall not be guaranteed) pursuant to the Leidos Security and Guarantee Documents and (y) Secured Additional Letter of Credit Facility Obligations and Secured Designated Indebtedness Obligations during a Lien Suspension Period);

(f) sixth, to the payment of all other Obligations of the Loan Parties owing under or in respect of the Loan Documents that are then due and payable to the Agent, the Lenders and the other holders or beneficiaries thereof, ratably based upon the respective aggregate amounts of all such Obligations then owing to all of them; and

(g) last, after all of the Obligations have been indefeasibly paid in full, to the Borrower or as otherwise required by law.

SECTION 7.04. Specified Collateral. (a) Notwithstanding any provision of the Loan Documents to the contrary, payment of that portion of the Obligations constituting Secured Designated Indebtedness Obligations pursuant to Section 7.03(e) (if applicable) shall only be made with the applicable ratable share (as provided in Section 7.03(e)) of proceeds from any collection, sale, foreclosure or other realization upon any Specified Collateral (and proceeds from any collection, sale, foreclosure or other realization upon any other Collateral shall not be applied to Secured Designated Indebtedness Obligations).

(a) In making the determinations and allocations required by Section 7.03(e), the Agent may conclusively rely upon information supplied by the Designated Representative as to the amounts of unpaid principal and interest and other amounts with respect to the Secured Designated Indebtedness Obligations, and the Agent shall have no liability to any of the Secured Parties for actions taken in reliance on such information. The Agent shall have no duty to inquire as to the application by the Designated Representative of any amounts distributed to it for distribution to the Secured Designated Indebtedness Holders.

SECTION 7.05. Secured Additional Letter of Credit Facility Obligations upon Event of Default. If, upon the occurrence and during the continuation of an Event of Default, there are any Secured Additional Letter of Credit Facility Obligations outstanding, then, during such period, the "obligations of the Loan Parties" arising thereunder shall, solely for purposes of Section 7.03(e) and without limiting clause (y) therein, be deemed to be (a) the lesser of (i) the sum of (x) the aggregate Stated Amount (as defined in the Leidos Credit Agreement) (applied *mutatis mutandis*) of all letters of credit then outstanding under the Designated Additional Letter of Credit Facilities plus (y) such additional amounts as the agent or issuing bank under each Designated Additional Letter of Credit Facility shall require for purposes of cash collateralizing the applicable Secured Additional Letter of Credit Facility Obligations in accordance with the terms of the applicable Designated Additional Letter of Credit Facility and (ii) \$200,000,000, minus, (b) in each case, the amount of any cash collateral in respect of such Secured Additional Letter of Credit Facility Obligations held by any agent or issuing bank under any applicable Designated Additional Letter of Credit Facilities. After all such letters of credit (x) shall have expired or (y) shall have been fully drawn upon and no Secured Additional Letter of Credit Facility Obligations (other than contingent obligations for which no claim has been asserted) shall remain outstanding, the Borrower shall cause the balance, if any, of any amounts deposited with the agent or issuing bank under the applicable Designated Additional Letter of Credit Facilities to be paid over to the Agent hereunder and forthwith applied in accordance with the priority of payments set forth in Section 7.03.

ARTICLE VIII

THE AGENT

SECTION 8.01. Authorization and Authority. (a) Each of the Lenders hereby irrevocably appoints, designates and authorizes Citibank to act on its behalf as the Agent hereunder and under the other Loan Documents and authorizes the Agent to take such actions on its behalf and to exercise such powers as are delegated to the Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. Except as expressly set forth in Section 8.06, the provisions of this Article are solely for the benefit of the Agent and the Lenders, and neither Holdings nor the Borrower shall have rights as a third-party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any Loan Document (or any other similar term) with reference to the Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(a) The Agent shall also act as the Secured Parties Collateral Agent and the Non-Notes Secured Parties Collateral Agent under the Loan Documents, and each of the Lenders (including in each such Lender’s capacity as a potential Cash Management Bank and/or Hedge Bank) hereby irrevocably appoints and authorizes the Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Agent, as the Secured Parties Collateral Agent and the Non-Notes Secured Parties Collateral Agent, and any co-agents, sub-agents and attorneys-in-fact appointed by the Agent pursuant to Section 8.05 for purposes of holding or enforcing any Lien on the collateral (or any portion thereof) granted under the Security and Guarantee Documents, or for exercising any rights and remedies thereunder at the direction of the Agent, shall be entitled to the benefits of all provisions of this Article VIII and of paragraphs (a), (b) and (c) of Section 9.04 (as though such agent, co-agents, sub-agents and attorneys-in-fact were the Agent under the Loan Documents) as if set forth in full herein with respect thereto. Anything contained in any of the Loan Documents to the contrary notwithstanding, but without limiting the rights of any Lender or any of their respective Affiliates under Section 9.05, each Loan Party, the Agent and each Lender hereby agree that no Lender, in its capacity as such, shall have any right individually to realize upon any collateral subject to any Security and Guarantee Documents, it being understood and agreed that all powers, rights and remedies hereunder or thereunder may be exercised solely by the Agent, on behalf of the Lenders, in accordance with the terms hereof or thereof, as applicable.

SECTION 8.02. Rights as a Lender. The Person serving as the Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Agent, and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for, and generally engage in any kind of business with, any member of the Consolidated Group or other Affiliate thereof as if such Person were not the Agent hereunder and without any duty to account therefor to the Lenders.

SECTION 8.03. Duties of Agent; Exculpatory Provisions. (%3) The Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Agent:

(i) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that the Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law; and

(iii) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Agent or any of its Affiliates in any capacity.

(b) The Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 9.01 and 7.01), or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. The Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Agent in writing by the Borrower or a Lender.

(c) The Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article III or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Agent.

SECTION 8.04. Reliance by Agent. The Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the Closing Date or the making of a Loan, that by its terms must be fulfilled to the satisfaction of a Lender, the Agent may presume that such condition is satisfactory to such Lender unless the Agent shall have received notice to the contrary from such Lender prior to the occurrence of the Closing Date or the making of such Loan. The Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 8.05. Delegation of Duties. The Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Agent. The Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the Facilities as well as activities as Agent. The Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

SECTION 8.06. Resignation of Agent. (a) The Agent may at any time give notice of its resignation to the Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Borrower, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "Resignation Effective Date"), then the retiring Agent may (but shall not be obligated to), on behalf of the Lenders, appoint a successor Agent meeting the qualifications set forth above. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

(a) With effect from the Resignation Effective Date (i) the retiring Agent shall be discharged from its duties and obligations hereunder (except that in the case of any collateral security held by the Agent on behalf of the Lenders hereunder, the retiring Agent shall continue to hold such collateral security until such time as a successor Agent is appointed) and (ii) except for any indemnity payments owed to the retiring Agent, all payments, communications and determinations provided to be made by, to or through the Agent shall instead be made by or to each Lender directly, until such time, if any, as the Required Lenders appoint a successor Agent as provided for above. Upon the acceptance of a successor's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Agent (other than any rights to indemnity payments owed to the retiring Agent), and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents. The annual administrative fees payable by the Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Agent's resignation hereunder, the provisions of this Article and Section 9.04 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as Agent.

SECTION 8.07. Non-Reliance on Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

SECTION 8.08. No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the bookrunners, Arrangers, Co-Syndication Agents or the Documentation Agent listed on the cover

page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Agent or a Lender hereunder.

SECTION 8.09. Agent May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Agent and their respective agents and counsel and all other amounts due the Lenders and the Agent under Sections 2.04 and 9.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Agent and, in the event that the Agent shall consent to the making of such payments directly to the Lenders, to pay to the Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agent and its respective agents and counsel, and any other amounts due the Agent under Sections 2.04 and 9.04.

Nothing contained herein shall be deemed to authorize the Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Agent to vote in respect of the claim of any Lender in any such proceeding.

SECTION 8.10. Collateral and Guaranty Matters; Lien Release Event. (a) Each of the Lenders (including in each such Lender's capacity as a potential Cash Management Bank, Secured Additional Letter of Credit Facility Provider or Hedge Bank) irrevocably authorize the Agent, and the Designated Representative on behalf of the Secured Designated Indebtedness Holder is deemed to irrevocably authorize the Agent (x) to enter into the Security and Guaranty Documents (including the Leidos/Spinco Intercreditor Agreement) for the benefit of such Persons and (y), at its option and in its discretion:

(i) to release any Lien on any property granted to or held by the Agent under any Loan Document (v) upon termination of the Commitments and payment in full of all Loan Document Obligations (other than contingent indemnification and expense obligations as to which no claim or demand has been asserted), (w) that is sold or distributed or to be sold or distributed as part of or in connection with any sale permitted hereunder or under any other Loan Document, (x) if approved, authorized or ratified in writing by the Required Lenders (unless approval by a greater number or percentage of Lenders is expressly provided in any Loan Document), (y) to the extent required pursuant to the terms of the Leidos/Spinco Intercreditor Agreement or (z) as contemplated by Section 8.10(b);

(ii) to subordinate any Lien on any property granted to or held by the Agent under any Loan Document to the holder of any Lien on such property that is permitted by Sections 6.01(b) and (d); and

(iii) to release any Guarantor from its obligations under the Security and Guarantee Documents if such Person ceases to be a Restricted Subsidiary as a result of a transaction permitted hereunder.

Upon request by the Agent at any time, the Required Lenders will confirm in writing the Agent's authority to release its interest in particular types or items of property, or to release any Guarantor from its obligations under the Security and Guarantee Documents pursuant to this Section 8.10(a). In each case as specified in this Section 8.10(a), the Agent will, at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of collateral from the assignment and security interest granted under the Security and Guarantee Documents, or to release such Guarantor from its obligations under the Security and Guarantee Documents, in each case in accordance with the terms of the Loan Documents and this Section 8.10(a); provided that the Borrower shall have delivered to the Agent a certificate of a Responsible Officer of Holdings certifying that any such transaction has been consummated in compliance with this Agreement and the other Loan Documents (including, in the case of a release upon a Lien Release Event, that the requirements contemplated by the definition of "Lien Release Event" have been satisfied).

(b) Upon the occurrence of a Lien Release Event, at the Borrower's option, all pledges, liens and security interests on the Collateral created by the Guarantee and Collateral Agreement and any other Security and Guarantee Document shall be released, and all rights to the Collateral shall revert to the applicable Loan Parties; provided that no such Lien release and reversion of rights shall be effective to the extent that any Lien securing Secured Additional Letter of Credit Facility Obligations, Secured Designated Indebtedness Obligations or Incremental Equivalent Debt is not simultaneously released. During a Lien Suspension Period:

(i) any provision set forth herein or in any other Loan Document referring to the Collateral Agent or actions required in connection with Collateral (including delivery of opinions with respect thereto) shall be disregarded, as the context requires;

(ii) any provision set forth herein or in any other Loan Document referring to the Leidos/Spinco Intercreditor Agreement or other intercreditor agreement shall be disregarded, as the context requires;

(iii) the provisions of Articles III, IV and V of the Guarantee and Collateral Agreement shall be disregarded; and

(iv) Section 4.18 shall be deemed to be replaced with the text "[reserved]" for all purposes hereunder.

For the avoidance of doubt, during a Lien Suspension Period, the Obligations will continue to benefit from the guarantees of the Guarantors as set forth in the Security and Guarantee Documents.

SECTION 8.11. Cash Management Banks, Hedge Banks, Secured Additional Letter of Credit Facility Providers and Secured Designated Indebtedness Holders. No Cash Management Bank, Hedge Bank, Secured Additional Letter of Credit Facility Providers, Secured Designated Indebtedness Holder or

Designated Representative that obtains the benefits of any guarantee or any collateral by virtue of the provisions hereof or of any Security and Guarantee Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of any collateral (including the release or impairment of any collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article VIII to the contrary, the Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, any Secured Cash Management Obligations, Secured Hedging Obligations, Secured Additional Letter of Credit Facility Obligations or Secured Designated Indebtedness Obligations unless the Agent has received written notice of such Obligations, together with such supporting documentation as the Agent may request, from the applicable Cash Management Bank, Hedge Bank, Secured Additional Letter of Credit Facility Providers and Secured Designated Indebtedness Holder or Designated Representative thereof, as applicable.

ARTICLE IX

MISCELLANEOUS

SECTION 9.01. Amendments, Etc. (%3) Without limiting Section 8.10 and except as otherwise provided below in this Section 9.01, no amendment or waiver of any provision of any Loan Document or the Notes, or consent to any departure by any Loan Party therefrom, shall in any event be effective unless the same shall be in writing and signed by the Required Lenders, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that (i) no amendment, waiver or consent shall, unless in writing and signed by all the Lenders, do any of the following: (u) change or waive any of the requirements contemplated by the definition of "Lien Release Event", (w) waive any of the conditions specified in Section 3.01, (x) change the percentage of the Commitments or of the aggregate unpaid principal amount of the Loans, or the number of Lenders, that shall be required for the Lenders or any of them to take any action hereunder, (y) release all or substantially all of the value of the Collateral or of the guarantees of the Guarantors (in each case except as otherwise permitted by the Loan Documents), or (z) amend this Section 9.01 as it relates to amendments, waivers or consents requiring the consent of all Lenders; (ii) no amendment, waiver or consent shall, unless in writing and signed by each Lender directly affected thereby (but not, for the avoidance of doubt, the consent of the Required Lenders, except in the case of clause (u) below in connection with Commitment increases that are not expressly permitted hereunder without the approval of the Required Lenders), do any of the following: (u) increase the Commitments of such Lender or non-*pro rata* reductions in the Commitments of such Lender (it being understood that the waiver of any Default, Event of Default or mandatory prepayment shall not be an increase of a Commitment of any Lender), (v) reduce the principal of, or interest on, the Loans (other than interest accruing pursuant to Section 2.07(b) or a waiver thereof) or any fees or other amounts payable to such Lender, (w) postpone any date fixed for any payment of principal of, or interest on, the Loans (other than interest accruing pursuant to Section 2.07(b) or a waiver thereof) or any fees or other amounts payable to such Lender hereunder, (x) change Section 9.07 in a manner that would impose additional restrictions on such Lender's ability to assign or otherwise transfer its rights and obligations hereunder, (y) change Section 2.15 or Section 7.03 in a manner that would alter the *pro rata* sharing of payments or proceeds, as applicable, required thereby or (z) amend this Section 9.01 as it relates to amendments, waivers or consents requiring the consent of such Lender; (iii) no amendment, waiver or consent shall change the provisions of any Loan Document in a manner that by its terms adversely affects Lenders holding Loans of one Class in respect of the rights to payments or security interest in Collateral, in each case, in a manner different than such amendment, waiver or consent affects the rights of any other Class in respect of rights to payments or security interests in Collateral without, in addition to the Lenders required above to take such action, the prior written consent of Lenders holding a majority in interest of the outstanding Loans and unused Commitments of each

Class so adversely affected; and (iv) no amendment, waiver or consent shall, unless in writing and signed by the Required A Term Loan Lenders: (w) amend or otherwise modify Section 6.15 (or for purposes of determining compliance with Section 6.15, any defined term used therein), (x) waive any Financial Covenant Event of Default, (y) alter the rights or remedies of Required A Term Loan Lenders arising pursuant to Article VII as a result of a Financial Covenant Event of Default or (z) amend this Section 9.01 as it relates to amendments, waivers or consents requiring the consent of the Required A Term Loan Lenders (provided, however, that the amendments, modifications, waivers and consents described in this clause (iv) shall not require the consent of any Lenders other than the Required A Term Loan Lenders) and provided, further, that no amendment, waiver or consent shall, unless in writing and signed by the Agent in addition to the Lenders required above to take such action, affect the rights or duties of the Agent under this Agreement or any other Loan Document.

(a) Notwithstanding anything to the contrary contained in this Section 9.01, (i) the Borrower, the Agent and each Lender agreeing pursuant to the terms thereof to (A) make any Incremental Term Loans in accordance with the provisions of Section 2.23 and may enter into an Incremental Assumption Agreement without the consent of any other Person and (B) extend the maturity date applicable to any Term Loans in accordance with the provisions of Section 2.22 and may enter into an Extension Amendment without the consent of any other Person; provided that after execution and delivery thereof (and except as expressly provided otherwise therein), such Incremental Assumption Agreement or Extension Amendment, as applicable, may thereafter only be modified in accordance with the requirements of Section 9.01(a).

(b) Notwithstanding anything to the contrary contained in this Section 9.01, (x) the Security and Guarantee Documents and related documents executed in connection with this Agreement may be in a form reasonably determined by the Agent and may be amended, modified, supplemented and waived by the Agent and the Borrower without the need to obtain the consent of any other Person if such amendment, modification, supplement or waiver is delivered in order (i) to comply with local law (including any foreign law or regulatory requirement) or advice of local counsel, (ii) to cure any ambiguity, inconsistency, obvious error or mistake or any error, mistake or omission of a technical or immaterial nature jointly identified by the Agent and the Borrower or (iii) to cause such Security and Guarantee Document or other document to be consistent with this Agreement and the other Loan Documents (including, for the avoidance of doubt, terminating, entering into or amending such Security and Guarantee Documents to give effect to a Lien Release Event or a Lien Reversion Event) and (y) if the Agent and the Borrower shall have jointly identified an ambiguity, inconsistency, obvious error or mistake or any error, mistake or omission of a technical or immaterial nature, in each case, in any provision of the Loan Documents (other than the Security and Guarantee Documents), then the Agent and the Borrower shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other Person if the same is not objected to in writing by the Required Lenders within five Business Days following receipt of notice thereof.

(c) Notwithstanding anything to the contrary contained in this Section 9.01, any amendment, modification or waiver of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by the Borrower and the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section 9.01 if such Class of Lenders were the only Class of Lenders hereunder at the time.

(d) Notwithstanding anything to the contrary contained in this Section 9.01, the Borrower, the Agent and each Lender agreeing pursuant to the terms thereof to provide any Specified

Refinancing Debt in accordance with the provisions of Section 2.21 may enter into a Refinancing Amendment without the consent of any other Person; provided that after execution and delivery thereof (and except as expressly provided otherwise therein), such Refinancing Amendment may thereafter only be modified in accordance with the requirements of Section 9.01(a).

(e) Notwithstanding anything herein to the contrary, no Lender consent is required to effect any amendment or supplement to Leidos/Spinco Intercreditor Agreement or any other intercreditor agreement referred to in Section 9.18 (i) that is for the purpose of, in connection with the incurrence by any Loan Party of any Indebtedness of such Loan Party that is permitted to be secured by the Collateral pursuant to Section 6.01 of this Agreement, (x) adding the holders thereof (or a representative with respect thereto) as parties thereto, as expressly contemplated by the terms of any such intercreditor agreement or other arrangement permitted under this Agreement, as applicable, and/or (y) causing such Indebtedness to be secured by a valid, perfected Lien (with such priority as may be designated by such Loan Party, to the extent such priority is permitted by the Loan Documents) (it being understood that any such amendment or supplement may make such other changes to the applicable intercreditor agreement or other arrangement as, in the good faith determination of the Agent, are required to effectuate the foregoing and provided that such other changes are not adverse, in any material respect, to the interests of the Lenders) or (ii) that is expressly contemplated by any such intercreditor agreement or other intercreditor agreement permitted under this Agreement; provided, further, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Agent hereunder or under any other Loan Document without the prior written consent of the Agent.

SECTION 9.02. Notices, Etc. (%3) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in paragraph (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile as follows:

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices delivered through electronic communications, to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) Electronic Communications. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Agent that it is incapable of receiving notices under such Article by electronic communication. The Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

Unless the Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return email or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(c) Change of Address, Etc. Any party hereto may change its address or facsimile number for notices and other communications hereunder by notice to the other parties hereto.

(d) Platform.

(i) Each of Holdings and the Borrower agrees that the Agent may, but shall not be obligated to, make the Communications (as defined below) available to the Lenders by posting the Communications on Debt Domain, Intralinks, Syndtrak or a substantially similar electronic transmission system (the "Platform").

(ii) The Platform is provided "as is" and "as available." The Agent Parties (as defined below) do not warrant the adequacy of the Platform and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or the Platform. In no event shall the Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to Holdings, the Borrower, any Lender or any other Person or entity for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of Holdings', the Borrower's or the Agent's transmission of Communications through the Platform, except to the extent of damages caused by the gross negligence, bad faith or willful misconduct of any Agent Party hereunder, as determined by a final, non-appealable judgment of a court of competent jurisdiction. "Communications" means, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of Holdings, the Borrower or any other Restricted Subsidiary pursuant to any Loan Document or the transactions contemplated therein which is distributed to the Agent or any Lender by means of electronic transmission systems pursuant to this Section 9.02, including through the Platform.

SECTION 9.03. No Waiver; Remedies. No failure on the part of any Lender or the Agent to exercise, and no delay in exercising, any right hereunder or under any other Loan Document shall operate

as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

SECTION 9.04. Costs and Expenses. (%3) Costs and Expenses. Holdings and the Borrower shall pay upon written demand therefor (i) all reasonable and documented out-of-pocket costs and expenses incurred by the Agent and its Affiliates (including the reasonable fees, disbursements and other charges of one primary counsel (and one local counsel in each material jurisdiction, as necessary) for the Agent and its Affiliates), in connection with the syndication of the Facilities, the Transactions, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents, or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated) and (ii) all reasonable and documented out-of-pocket costs and expenses incurred by the Agent or any Lender (including the reasonable fees, disbursements and other charges of one primary counsel for such Persons, one additional counsel to each group of similarly situated Persons as required due to actual or reasonably perceived conflicts of interest and local counsel for such Persons in each material jurisdiction, as necessary), in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Loan Documents, including its rights under this Section 9.04, or (B) in connection with the Loans made hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans.

(a) Indemnification by Holdings and the Borrower. Holdings and the Borrower shall indemnify the Agent (and any sub-agent thereof), the Co-Syndication Agents, the Documentation Agent, each Arranger and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims (including shareholder actions), damages, liabilities and reasonable and documented related expenses (including the reasonable and documented out-of-pocket fees, disbursements and other charges of one primary counsel for such Persons, one additional counsel to each group of similarly situated Persons as required due to actual or reasonably perceived conflicts of interest and local counsel for such Persons in each material jurisdiction, as necessary), incurred by any Indemnitee or asserted or awarded against any Indemnitee by any Person (including the Borrower or any other Loan Party) arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (ii) the Transactions, (iii) any Loan or the use or proposed use of the proceeds therefrom, (iv) any liability for the presence or release of Hazardous Materials on or from any property owned or operated by a member of the Consolidated Group, or any violation of, obligation or liability under any Environmental Law by or of any member of the Consolidated Group, or (v) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by Holdings or any of the Subsidiaries (including Leidos and its subsidiaries) or any Affiliate, securityholder or creditor of the foregoing or an Indemnitee, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the bad faith, gross negligence or willful misconduct of such Indemnitee (or a Related Party of such Indemnitee), (y) result from a claim brought by the Borrower against an Indemnitee for material breach of such Indemnitee’s obligations hereunder or under any other Loan Document, if the Borrower has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction or (z) result from a proceeding that is not the result of an act or omission by Holdings, the Subsidiaries (including Leidos and its subsidiaries) or any of their Affiliates and that is brought by an Indemnitee against any other

Indemnitee (other than claims against any Arranger, Agent, Co-Syndication Agent, Documentation Agent or any other agent in its capacity or in fulfilling its role as an Arranger or agent hereunder or any similar role with respect to the Leidos Facilities). This Section 9.04(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(b) Reimbursement by Lenders. To the extent that Holdings or the Borrower for any reason fails to indefeasibly pay any amount required under paragraph (a) or (b) of this Section 9.04 to be paid by it to the Agent (or any sub-agent thereof) or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender's *pro rata* share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought based on each Lender's share of the aggregate principal amount of the Loans at such time) of such unpaid amount (including any such unpaid amount in respect of a claim asserted by such Lender); provided, further, that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Agent (or any such sub-agent) or against any Related Party of any of the foregoing acting for the Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this paragraph (c) are subject to the provisions of Section 2.02(e).

(c) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable law, no party hereto shall assert, and each party hereto hereby waives, any claim against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, the Transactions, any Loan or the use of the proceeds thereof; provided that nothing contained in this paragraph shall limit the indemnity and reimbursement obligations of Holdings and the Borrower for such damages awarded to third parties to the extent set forth in paragraphs (a) and (b) above; provided, further, that nothing in this paragraph shall limit the indemnification obligations between Holdings and the Borrower under the Acquisition Agreement. No Indemnitee referred to in paragraph (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems (including the Platform) in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby, except to the extent of damages caused by the gross negligence, bad faith or willful misconduct of any Indemnitee hereunder, as determined by a final, non-appealable judgment of a court of competent jurisdiction.

(d) Payments. All amounts due under this Section 9.04 shall be payable not later than five Business Days after demand therefor.

(e) Breakage. If any payment of principal of, or Conversion of, any Eurocurrency Rate Loan is made by the Borrower to or for the account of a Lender (i) other than on the last day of the Interest Period for such Loan, as a result of a prepayment or payment or Conversion pursuant to Section 2.08, 2.10 or 2.12, acceleration of the maturity pursuant to Section 7.01 or for any other reason, or by an Eligible Assignee to a Lender other than on the last day of the Interest Period for such Loan upon an assignment of rights and obligations under this Agreement pursuant to Section 9.07 as a result of a demand by the Borrower pursuant to Section 2.18 or (ii) as a result of a prepayment or payment or Conversion pursuant to Section 2.08, 2.10 or 2.12, the Borrower shall, upon demand by such Lender (with a copy of such demand to the Agent), pay to the Agent for the account of such Lender any amounts required to compensate such Lender for any additional losses, costs or expenses that it may reasonably incur as a result of such payment or Conversion, including any loss (including loss of anticipated profits), cost or expense incurred by reason of

the liquidation or reemployment of deposits or other funds acquired by any Lender to fund or maintain such Loan.

(f) Without prejudice to the survival of any other agreement of Holdings or the Borrower hereunder, the agreements and obligations of Holdings and the Borrower contained in Sections 2.11, 2.14 and 9.04 shall survive the payment in full of principal, interest and all other amounts payable hereunder and under the other Loan Documents.

SECTION 9.05. Right of Set-Off. If an Event of Default shall have occurred and be continuing, each Lender and its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held, and other obligations (in whatever currency) at any time owing, by such Lender or any such Affiliate, to or for the credit or the account of Holdings or the Borrower against any and all of the obligations of Holdings or the Borrower now or hereafter existing under this Agreement or any other Loan Document to such Lender or its Affiliates, irrespective of whether or not such Lender or Affiliate shall have made any demand under this Agreement or any other Loan Document and although such obligations of Holdings or the Borrower may be contingent or unmatured or are owed to a branch, office or Affiliate of such Lender different from the branch, office or Affiliate holding such deposit or obligated on such indebtedness. The rights of each Lender and its Affiliates under this Section 9.05 are in addition to other rights and remedies (including other rights of set-off) that such Lender or its Affiliates may have. Each Lender agrees to notify the Borrower and the Agent promptly after any such set-off and application; provided that the failure to give such notice shall not affect the validity of such set-off and application.

SECTION 9.06. Binding Effect. This Agreement shall become effective on and as of the Closing Date and thereafter shall be binding upon and inure to the benefit of Holdings, the Borrower, the Agent and each Lender and their respective successors and assigns, except that neither the Borrower nor any other Loan Party shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Agent and the Lenders (and any other attempted assignment or transfer by any party hereto shall be null and void). Notwithstanding the foregoing, Holdings shall not be a party hereto and shall not have any rights or obligations hereunder until the effective time of the Spinco Merger.

SECTION 9.07. Assignments and Participations. (%3) Successors and Assigns Generally. No Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of paragraph (b) of this Section 9.07, (ii) by way of participation in accordance with the provisions of paragraph (d) of this Section 9.07, or (iii) by way of pledge or assignment of a security interest subject to the restrictions of paragraph (e) of this Section 9.07 (and any other attempted assignment or transfer by any Lender shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in paragraph (d) of this Section 9.07 and, to the extent expressly contemplated hereby, the Related Parties of each of the Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(a) Assignments by Lenders. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans (in each case with respect to any Facility) at the time owing to it); provided that (in each case with respect to any Facility) any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and/or the Loans at the time owing to it (in each case with respect to any Facility) or contemporaneous assignments to related Approved Funds that equal at least the amount specified in paragraph (b)(i)(B) of this Section 9.07 in the aggregate or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in paragraph (b)(i)(A) of this Section 9.07, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date) shall not be less than \$1,000,000, unless each of the Agent and, so long as no Event of Default has occurred and is continuing, the Borrower, otherwise consents (each such consent not to be unreasonably withheld or delayed).

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loan or the Commitment assigned, except that this clause (ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-*pro rata* basis.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by paragraph (b)(i)(B) of this Section 9.07 and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (x) an Event of Default has occurred and is continuing at the time of such assignment or (y) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; provided that if consent of the Borrower is required, the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Agent within ten Business Days after having received written notice thereof; and

(B) the consent of the Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments in respect of any Term Loans if such assignment is to a Person who is not a Lender, an Affiliate of a Lender or an Approved Fund.

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500; provided that the Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it is not a Lender, shall deliver to the Agent an Administrative Questionnaire.

(v) Assignments to Borrower. Notwithstanding anything to the contrary herein, any Lender may assign all or any portion of its B Term Loans to the Borrower; provided that:

(A) (x) such assignment is made pursuant to a Dutch auction open to all Lenders holding B Term Loans on a pro rata basis in accordance with customary procedures to be agreed between the Borrower and the Agent or (y) such assignment is made as an open market purchase on a non-pro rata basis and the aggregate amount of all such open market purchases does not exceed \$100,000,000;

(B) no Default or Event of Default has occurred and is continuing or would result therefrom;

(C) any B Term Loans assigned to the Borrower acting in accordance with this Section 9.07(b)(v) shall be automatically and permanently cancelled upon the effectiveness of such assignment and will thereafter no longer be outstanding for any purpose hereunder; and

(D) the Borrower may not use the proceeds from any Revolving Credit Loans (as defined in the Leidos Credit Agreement) to purchase any B Term Loans.

(vi) No Assignment to Certain Persons. No such assignment shall be made to (A) Holdings or any Affiliate of Holdings (other than to the Borrower pursuant to clause (v) above) or (B) a natural Person.

Subject to acceptance and recording thereof by the Agent pursuant to paragraph (c) of this Section 9.07, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 2.11, 2.14 and 9.04 and remain liable under Section 9.04(e) with respect to facts and circumstances occurring prior to the effective date of such assignment. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (d) of this Section 9.07.

(b) Register. The Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at one of its offices in the United States a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(c) Participations. Any Lender may, at any time, without the consent of, or notice to, the Borrower or the Agent, sell participations to any Person (other than a natural Person or Holdings, the Borrower or any of Holdings' or the Borrower's Affiliates or subsidiaries) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement

shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) the Borrower, the Agent and Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clause (i) or (ii) of the first proviso to Section 9.01(a) that affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.11, 9.04(f) and 2.14 (subject to the requirements and limitations therein, including the requirements under Section 2.14(f) (it being understood and agreed that the documentation required under Section 2.14(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.07; provided that such Participant (A) agrees to be subject to the provisions of Section 2.18 as if it were an assignee under paragraph (b) of this Section 9.07; and (B) shall not be entitled to receive any greater payment under Sections 2.11 or 2.14, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.18 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.05 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.15 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Agent (in its capacity as Agent) shall have no responsibility for maintaining a Participant Register.

(d) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

SECTION 9.08. Confidentiality. Each of the Agent and the Lenders agree to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its Related Parties (it being understood and agreed that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential); (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners); (c) to the extent required by applicable laws or regulations

or by any subpoena or similar legal process; provided that such Person shall, to the extent permitted by law, use its commercially reasonable efforts to promptly inform the Borrower of such disclosure and to ensure that such Information is accorded confidential treatment; (d) to any other party hereto; (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder; (f) to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights and obligations under this Agreement, or (ii) any actual or prospective party (or its Related Parties) to any swap, derivative or other transaction under which payments are to be made by reference to Holdings and its obligations, the Borrower and its obligations, Leidos and its obligations, this Agreement or payments hereunder, in each case who agree to comply with the provisions of this Section 9.08 (or provisions substantially similar to this Section 9.08); (g) on a confidential basis to (i) any rating agency in connection with rating Holdings, the Borrower or the Subsidiaries or the Facilities or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the Facilities; (h) with the consent of the Borrower; (i) in syndication or other marketing materials relating to the Facilities; or (j) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section 9.08, or (y) becomes available to the Agent, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than Holdings or the Borrower.

For purposes of this Section 9.08, “Information” means all information received from Holdings or any of the Restricted Subsidiaries relating to Holdings or any of the Restricted Subsidiaries or any of their respective businesses, other than any such information that is available to the Agent or any Lender on a nonconfidential basis prior to disclosure by Holdings or any of the Restricted Subsidiaries. Any Person required to maintain the confidentiality of Information as provided in this Section 9.08 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

SECTION 9.09. Governing Law. This Agreement and the other Loan Documents and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement or any other Loan Document (except, as to any other Loan Document, as expressly set forth therein) and the transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the law of the State of New York.

SECTION 9.10. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by fax or email shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 9.11. Judgment. (%3) If for the purposes of obtaining judgment in any court it is necessary to convert a sum due hereunder in Dollars into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Agent could purchase Dollars with such other currency at Citibank’s principal office in London at 11:00 A.M. (London time) on the Business Day preceding that on which final judgment is given.

(a) The obligation of the Borrower in respect of any sum due from it in any currency (the “Primary Currency”) to any Lender or the Agent hereunder shall, notwithstanding any judgment in any other currency, be discharged only to the extent that on the Business Day following receipt by such Lender

or the Agent (as the case may be), of any sum adjudged to be so due in such other currency, such Lender or the Agent (as the case may be) may in accordance with normal banking procedures purchase the applicable Primary Currency with such other currency; if the amount of the applicable Primary Currency so purchased is less than such sum due to such Lender or the Agent (as the case may be) in the applicable Primary Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify such Lender or the Agent (as the case may be) against such loss, and if the amount of the applicable Primary Currency so purchased exceeds such sum due to any Lender or the Agent (as the case may be) in the applicable Primary Currency, such Lender or the Agent (as the case may be) agrees to remit to the Borrower such excess.

SECTION 9.12. Jurisdiction, Etc. (%3) Jurisdiction. Each of Holdings and the Borrower irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Agent, any Lender or any Related Party of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in New York County, and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the jurisdiction of such courts and agrees that all claims in respect of any such action, litigation or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by applicable law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against Holdings, the Borrower, any other Loan Party or their respective properties in the courts of any jurisdiction.

(a) Waiver of Venue. Each of Holdings and the Borrower irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (a) of this Section 9.12. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(b) Service of Process. Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 9.02. Nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable law.

SECTION 9.13. [Reserved].

SECTION 9.14. Patriot Act Notice. Each Lender and the Agent (for itself and not on behalf of any Lender) hereby notifies Holdings and the Borrower that, pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies each of Holdings and the Borrower and the other Loan Parties, which information includes the name and address of each of Holdings and the Borrower and the other Loan Parties and other information that will allow such Lender or the Agent, as applicable, to identify Holdings and the Borrower and the other Loan Parties in accordance with the Patriot Act. The Borrower shall provide such information and take such actions as are reasonably requested by the Agent or any Lenders in order to assist the Agent and the Lenders in maintaining compliance with the Patriot Act.

SECTION 9.15. Other Relationships; No Fiduciary Duty. No relationship created hereunder or under any other Loan Document shall in any way affect the ability of the Agent and each Lender to enter into or maintain business relationships with Holdings, the Borrower or any Affiliate thereof beyond the relationships specifically contemplated by this Agreement and the other Loan Documents. Each of Holdings and the Borrower agrees that in connection with all aspects of the transactions contemplated hereby and any communications in connection therewith, Holdings, the Borrower, their respective subsidiaries and their respective Affiliates, on the one hand, and the Agent, the Lenders and their respective Affiliates, on the other hand, will have a business relationship that does not create, by implication or otherwise, any advisory, equitable or fiduciary duties on the part of the Agent, any Lender or any of their respective Affiliates, and no such duties will be deemed to have arisen in connection with any such transactions or communications. Each of Holdings and the Borrower also hereby agrees that none of the Agent, any Lender or any of their respective Affiliates have advised and are advising Holdings, the Borrower or any of their respective subsidiaries or Affiliates as to any legal, accounting, regulatory or tax matters, and that each of Holdings and the Borrower is consulting its own advisors concerning such matters to the extent it deems appropriate.

SECTION 9.16. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.16.

SECTION 9.17. Interest Rate Limitation. Notwithstanding anything to the contrary in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable law (the "Maximum Rate"). If the Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Loan Document Obligations hereunder.

SECTION 9.18. Intercreditor Agreement. Each of the Lenders and the other Secured Parties (a) acknowledges that it has received a copy of the Leidos/Spinco Intercreditor Agreement, (b) consents to the terms of the Leidos/Spinco Intercreditor Agreement, (c) authorizes and instructs the Agent to enter into the Leidos/Spinco Intercreditor Agreement or other intercreditor agreements (and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements in connection with the incurrence by any Loan Party of any Indebtedness of such Loan Party that is permitted to be secured by the Collateral pursuant to Section 6.01 of this Agreement, in order to permit such Indebtedness to be secured by a valid, perfected Lien (with such priority as may be designated by such Loan Party, to the extent such priority is permitted by the Loan Documents)) as collateral

agent and on behalf of such Person, and by its acceptance of the benefits of the Security and Guarantee Documents, hereby acknowledges that the Leidos/Spinco Intercreditor Agreement and any such other intercreditor agreement is or will be, as applicable, binding upon it and (d) agrees that it will be bound by and will take no actions contrary to the provisions of the Leidos/Spinco Intercreditor Agreement or such other intercreditor agreements (and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements in connection with the incurrence by any Loan Party of any Indebtedness of such Loan Party that is permitted to be secured by the Collateral pursuant to Section 6.01 of this Agreement, in order to permit such Indebtedness to be secured by a valid, perfected Lien (with such priority as may be designated by such Loan Party, to the extent such priority is permitted by the Loan Documents)), and to subject the Liens on the Collateral securing the Obligations to the provisions thereof subject, in each case, to the provisions of Section 8.10(b) hereof.

SECTION 9.19. Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among the parties hereto or to any other Loan Document, each party hereto acknowledges that any liability of any EEA Financial Institution (as defined below) arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write Down and Conversion Powers (as defined below) of an EEA Resolution Authority (as defined below) and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action (as defined below) on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

The following terms shall for purposes of this Section 9.19 have the meanings set forth below:

“Bail-In Action” means, as to any EEA Financial Institution, the exercise of any Write-Down and Conversion Powers by the applicable EEA Resolution Authority in respect of any liability of such EEA Financial Institution.
