The merger resulted in SAIC, Inc. becoming the parent holding company of Science Applications International Corporation, but did not alter the proportionate interests of security holders.

- The option is exercisable according to the following annual vesting schedule: 20% in years 1, 2 and 3, and 40% in year 4. The date exercisable set forth above is the first anniversary of the date of grant of each option and represents the date on which the option first became exercisable with respect to 20% of the underlying shares in accordance with the aforementioned vesting schedule.
