**Item 8.01 Other Events.**

On October 12, 2007, Kenneth C. Dahlberg, Chairman and Chief Executive Officer of SAIC, Inc. (Company), adopted a stock option exercise plan in order to facilitate the exercise of options to purchase up to approximately 675,000 shares of class A preferred stock of the Company. No shares of Company stock resulting from the exercise of these options are presently contemplated to be sold by Mr. Dahlberg in open market transactions at or immediately following any such exercise – after options are exercised in the manner contemplated under the stock option exercise plan, Mr. Dahlberg will own more shares of Company stock as a consequence of exercising options in this manner.

Under the stock option exercise plan, these options will be exercised by Mr. Dahlberg at pre-arranged dates through July 2008 if certain conditions are met. Payment of the exercise price of these options will be made by Mr. Dahlberg through delivery of shares of class A preferred stock and common stock of the Company (collectively, “Stock”) owned by him having a fair market value equal to the exercise price, and the applicable withholding taxes will be satisfied through withholding of shares of Stock having a fair market value equal to the amount of the statutory withholding obligation. All option holders under the Science Applications International Corporation 1999 Stock Incentive Plan (the plan under which these options were granted to Mr. Dahlberg) generally may exercise options through delivery of shares of Stock and satisfy withholding tax obligations through withholding shares of Stock.

Although Mr. Dahlberg is not selling any shares of Stock in open market transactions, the delivery by Mr. Dahlberg of shares of Stock to pay the exercise price of these options and the withholding of shares of Stock to satisfy applicable withholding taxes will be considered dispositions of those shares that will be reported on a Form 4 (Statement of Changes in Beneficial Ownership of Securities) filed with the Securities and Exchange Commission at the time these options are exercised.

Except as required by law, the Company does not undertake to report any similar stock option exercise plans or stock trading plans by other officers or directors, or to report modifications or terminations of any publicly announced plans, including Mr. Dahlberg’s stock option exercise plan.
